...

In turn, there has been tremendous attention paid to efficiency in legal services.

Efficiency innovations are about streamlining processes to improve profitability, while sustaining innovations is about generating additional value within the same basic category of service.

This is the first problem with innovation in the legal services sector.

Innovation in Legal Services - An Innovative Approach - Route1

Innovation in Legal Services: What It is and How We Do It.

Innovation is not a class that many

aspiring lawyers were offered as they were studying for their future profession. Nor is innovation something that many lawyers were taught at any point in their professional apprenticeships, training or careers. Nevertheless, innovation is one of the critical buzz-words of legal services in 2019 and has become one of the most desirable labels that a law department or law firm can brand themselves with.

Innovation in Legal Services: What It is and How We Do It

Technology is changing the way that traditionally law firms provide legal services. This in turn has led to the democratization of the industry and has

introduced new forms of competition and a search for better and more efficient ways of providing legal services. More corporate clients are adopting new delivery models for legal services such as:

Innovation, technology and the future of legal services ...

Disruptive innovations in legal services
