Paper mill is the term used to describe online databases that offer research papers on thousands of topics. Some paper mills operate via straight exchanges; you give them a paper of yours and they give you a paper in return. Others charge by the essay or page. Customized

papers are also offered by some paper mills.

Paper Mills: Middle Georgia State University

There are online answer keys that masquerade as “study sites”, though. And as students, instructors, administrators, and other staff are increasingly concerned about grades, such tools seem likely to proliferate even further. In the end, it’s unlikely for the instructor to sniff out a student who’s used a paper mill or online study service.

An essay mill is a business that allows customers to commission an original piece of writing on a particular topic so that they may commit academic fraud. Customers provide the company with specific information about the essay, including: a page length, a general topic, and a time frame with which to work. The customer is then charged a certain amount per page. The similar essay bank concept is a company from which students can purchase pre-written but less expensive essays on various topics, at
