relative beginner in flight simulators and especially big jets, I really wanted to properly learn how to operate the Airbus. There are already great tutorials about all stages of a flight available on YouTube, and I decided to create my own checklist document from these videos because there is no way I can remember every detail of that during a flight.

A320neo full guide from cold and dark, MCDU set-up ...

The A320 Study Guide was created by a need to produce one document with all the information required to learn the basics of the A320 systems, limitations and the associated failures all in one place. There are many other great

products or documents that go into the technical aspects in far greater detail than ours, however sometimes this can be a bit of an overload of information.

The A320 Study Guide
