Amazon.com: harley service manual: Books

Jason April 13th, 2016 . I have always
bought a Harley service manual and a

parts manual, I'm not all that convinced by the Haynes manual, but clymer always make a good back up manual to accompany the Harley factory service manual, I don't know as well, but the older Harley manuals seems better than recent ones, the older manuals seemed to baby step you more through the process.
