The above quote provides a valuable insight into the world of Carl Gustav Jung (1875-1961), regarding the psychological and spiritual meeting points of yoga between East and West – or not as the case may be. With his fiery and determined disposition, he was adamant in his dissuasion of Westerners practising yoga.

Jung and Yoga is an in-depth study of the parallels between yoga practices and Jungian analysis, and the implications of both for spiritual and psychological growth. It is an eminently practical approach to the subject that, on the one hand, focuses on the understanding of Jung's ideas as they

may be experienced through bodywork, and, on the other, offers a new psychological perspective to practitioners of bodywork.

Jung and Yoga: The Psyche-Body Connection (Studies in ...)

Jung argues that Yoga is not appropriate for Westerners because we already have a highly developed psyche and the Yogic discipline will further enhance this mentality (Coward, 2002). It would be a mental leap for people in the West to attempt to consciously integrate ideas that they cannot experience intuitively.
