Song of the Trees *Puffin*

During the Depression, a rural black family deeply attached to the forest on their land tries to save it from being cut down by an unscrupulous white man.

The Songs of Trees

Stories from Nature's Great Connectors *Penguin*

WINNER OF THE 2018 JOHN BURROUGHS MEDAL FOR

OUTSTANDING NATURAL HISTORY WRITING "Both a love song to trees, an exploration of their biology, and a wonderfully philosophical analysis of their role they play in human history and in modern culture."

—Science Friday The author of *Sounds Wild* and *Broken* and the Pulitzer Prize finalist *The Forest Unseen* visits with nature's most magnificent networkers — trees David Haskell has won acclaim for eloquent writing and deep engagement with the natural world. Now, he brings his powers of observation to the

biological networks that surround all species, including humans. Haskell repeatedly visits a dozen trees, exploring connections with people, microbes, fungi, and other plants and animals. He takes us to trees in cities (from Manhattan to Jerusalem), forests (Amazonian, North American, and boreal) and areas on the front lines of environmental change (eroding coastlines, burned mountainsides, and war zones.) In each place he shows how human history, ecology, and well-being are intimately intertwined with the lives of trees. Scientific, lyrical, and contemplative, Haskell reveals the biological connections that underpin all life. In a

world beset by barriers, he reminds us that life's substance and beauty emerge from relationship and interdependence.

Tree Song *Annick Press*

Listen to the music of the trees. This joyful book follows the life cycle of a tree as it grows from seedling to mature tree, and finally gives way to a new sapling. At every stage of the tree's life, children are seen playing under its branches. Each season brings with it new sounds, whether it's the chirping of birds in the spring or the flutter of leaves in the fall. As well as a home for animals, the tree provides a canopy for a summer picnic, and a perfect place to hang a swing. Most important

of all, when old age fells the tree, it provides an acorn from which a new tree will grow. Colorful illustrations with lots of small details will capture the attention of young readers, while the lyrical text makes this an ideal read-aloud book. It can also serve as the perfect introduction to nature's life cycles.

The Song of the Tree

Bird loves the towering tree that grows in the jungle, but when the seasons change she must say goodbye until next year. Then one day Bird wonders- what happens to the tree when she flies away? Illustrated with care and told with love, Coralie Bickford-Smith's latest fable follows Bird as she discovers the stories of

the other creatures who live in the tree, finding her way to sing a new song. The Song of the Tree is a celebration of community, belonging and the natural world. It is a timeless tale, one that will be enjoyed by readers of animal stories, of all ages, for years to come.

Mildred D. Taylor: The Logan Family Saga Complete Collection *Penguin*

This 10-book complete collection includes all the books in Mildred D. Taylor's award-winning Logan Family Saga! In this digital package you'll find: 1. Song of the Trees 2. Roll of Thunder, Hear My Cry 3. Let the Circle Be Unbroken 4. The Gold Cadillac 5. The Friendship 6.

Mississippi Bridge 7. The Road to Memphis 8. The Well 9. The Land 10. All the Days Past, All the Days to Come The Logan Family Saga follows the Logans, a tight-knit family who grapple with living in America during the 20th century. We follow this family as they experience prejudice, racism, and the major events that characterize our modern racial history. From the Great Depression to the Civil Rights movement, this gripping series will both educate and capture the hearts of all readers as they read about how Cassie Logan finds her voice in an era characterized by oppression, and the often violent confrontations that bring about change.

AWARDS &

ACCOLADES FOR THE LOGAN FAMILY SAGA Ms. Taylor's first book in The Logan Family Saga, Song of the Trees received The Council on Interracial Books Award; her second, Roll of Thunder, Hear My Cry was the winner of the Newbery Medal and a National Book Award finalist. Two other novels about the Logan family followed: Let the Circle Be Unbroken and The Gold Cadillac, as well as a prequel, The Land; all three received The Coretta Scott King Award. Ms. Taylor is also author of The Friendship, her fourth Coretta Scott King Award winner; The Well, The Gold Cadillac, and Mississippi Bridge. In 2020, Ms. Taylor released her tenth and final installment of The Logan Family Saga, All

the Days Past, All the Days to Come. In 2020 Ms. Taylor also received the Coretta Scott King-Virginia Hamilton Award for Lifetime Achievement.

Song of the Trees

Penguin

During the Depression, a rural black family deeply attached to the forest on their land tries to save it from being cut down by an unscrupulous white man.

Boys in the Trees

A Memoir *Flatiron Books*

Carly Simon's New York Times bestselling memoir, *Boys in the Trees*, reveals her remarkable life, beginning with her storied childhood as the third daughter of Richard L. Simon, the

co-founder of publishing giant Simon & Schuster, her musical debut as half of The Simon Sisters performing folk songs with her sister Lucy in Greenwich Village, to a meteoric solo career that would result in 13 top 40 hits, including the #1 song "You're So Vain." She was the first artist in history to win a Grammy Award, an Academy Award and a Golden Globe Award, for her song "Let the River Run" from the movie *Working Girl*. The memoir recalls a childhood enriched by music and culture, but also one shrouded in secrets that would eventually tear her family apart. Simon brilliantly captures moments of creative inspiration, the sparks of songs, and the stories behind writing

"Anticipation" and "We Have No Secrets" among many others. Romantic entanglements with some of the most famous men of the day fueled her confessional lyrics, as well as the unraveling of her storybook marriage to James Taylor.

Teaching the Trees

Lessons from the Forest *University of Georgia Press*

In this collection of natural-history essays, biologist Joan Maloof embarks on a series of lively, fact-filled expeditions into forests of the eastern United States. Through Maloof's engaging, conversational style, each essay offers a lesson in stewardship as it explores the interwoven

connections between a tree species and the animals and insects whose lives depend on it—and who, in turn, work to ensure the tree's survival. Never really at home in a laboratory, Maloof took to the woods early in her career. Her enthusiasm for firsthand observation in the wild spills over into her writing, whether the subject is the composition of forest air, the eagle's preference for nesting in loblolly pines, the growth rings of the bald cypress, or the gray squirrel's fondness for weevil-infested acorns. With a storyteller's instinct for intriguing particulars, Maloof expands our notions about what a tree "is" through her many asides—about the six species of

leafhoppers who eat only sycamore leaves or the midges who live inside holly berries and somehow prevent them from turning red. As a scientist, Maloof accepts that trees have a spiritual dimension that cannot be quantified. As an unrepentant tree hugger, she finds support in the scientific case for biodiversity. As an activist, she can't help but wonder how much time is left for our forests.

The Giving Tree *Harper Collins*

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a

household classic that will now reach an even wider audience. Never before have Shel Silverstein's children's books appeared in a format other than hardcover. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Shel Silverstein's

incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The*

Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss these other Shel Silverstein ebooks, Where the Sidewalk Ends, and A Light in the Attic!

The Land Penguin

After the Civil War Paul, the son of a white father and a black mother, finds himself caught between the two worlds of colored folks and white folks as he pursues his dream of owning land of his own.

The Poisonwood Bible *Faber & Faber*

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to

redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

The Ballad of Songbirds and Snakes (A Hunger Games Novel)

Scholastic Inc.

Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on

hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

Song of Myself ...

Sounds Wild and Broken

Sonic Marvels, Evolution's Creativity, and the Crisis of Sensory Extinction *Penguin*

"[A] glorious guide to the miracle of life's sound." —The New York Times Book Review A lyrical exploration of the diverse sounds of our planet, the creative processes that produced these marvels, and the perils that sonic diversity now faces We live on a planet alive with song, music, and speech. David Haskell explores how these wonders came to be. In rain forests shimmering with insect sound and swamps pulsing with frog calls we learn

about evolution's creative powers. From birds in the Rocky Mountains and on the streets of Paris, we discover how animals learn their songs and adapt to new environments. Below the waves, we hear our kinship to beings as different as snapping shrimp, toadfish, and whales. In the startlingly divergent sonic vibes of the animals of different continents, we experience the legacies of plate tectonics, the deep history of animal groups and their movements around the world, and the quirks of aesthetic evolution. Starting with the origins of animal song and traversing the whole arc of Earth history, Haskell illuminates and

celebrates the emergence of the varied sounds of our world. In mammoth ivory flutes from Paleolithic caves, violins in modern concert halls, and electronic music in earbuds, we learn that human music and language belong within this story of ecology and evolution. Yet we are also destroyers, now silencing or smothering many of the sounds of the living Earth. Haskell takes us to threatened forests, noise-filled oceans, and loud city streets, and shows that sonic crises are not mere losses of sensory ornament. Sound is a generative force, and so the erasure of sonic diversity makes the world less creative, just, and beautiful. The appreciation of the

beauty and brokenness of sound is therefore an important guide in today's convulsions and crises of change and inequity. *Sounds Wild and Broken* is an invitation to listen, wonder, belong, and act.

Autumn

Leaves Fall from the Trees! *Capstone*

This beautiful song and picture book give children a look at fall. The crisp, cool weather of fall invites kids to get outside and play! Includes hardcover book, music CD and online music access.

The Man Who Planted Trees *Random House*

'A book for children from 8 to 80. I love the humanity of this story and how one man's

efforts can change the future for so many. It's a real message of hope.' Michael Morpurgo Discover this beloved masterpiece of nature writing that is a hymn to creation and to the power of the individual to do their bit to change the world for the better. In 1910, while hiking through the wild lavender in a wind-swept, desolate valley in Provence, a man comes across a shepherd called Elzéard Bouffier. Staying with him, he watches Elzéard sorting and then planting hundreds of acorns as he walks through the wilderness. Ten years later, after surviving the First World War, he visits the shepherd again and sees the young forest he has created spreading slowly over

the valley. Elzéard's solitary, silent work continues and the narrator returns year after year to see the miracle he is gradually creating: a verdant, green landscape that is a testament to one man's creative instinct. A beautiful story of hope, survival and selflessness, *The Man Who Planted Trees* resonates as strongly with readers today as when it was first published.

The Forest Unseen

A Year's Watch in Nature *Penguin*

Finalist for the Pulitzer Prize and the PEN/E.O. Wilson Literary Science Writing Award "Injects much-needed vibrancy into the stuffy world of nature writing." —Outside, "The Outdoor Books That

Shaped the Last Decade” The biologist and author of *Sounds Wild and Broken* combines elegant writing with scientific expertise to reveal the secret world hidden in a single square meter of old-growth forest In this wholly original book, biologist David Haskell uses a one-square-meter patch of old-growth Tennessee forest as a window onto the entire natural world. Visiting it almost daily for one year to trace nature's path through the seasons, he brings the forest and its inhabitants to vivid life. Each of this book's short chapters begins with a simple observation: a salamander scuttling across the leaf litter; the first blossom of spring wildflowers. From these, Haskell

spins a brilliant web of biology and ecology, explaining the science that binds together the tiniest microbes and the largest mammals and describing the ecosystems that have cycled for thousands-sometimes millions-of years. Each visit to the forest presents a nature story in miniature as Haskell elegantly teases out the intricate relationships that order the creatures and plants that call it home. Written with remarkable grace and empathy, *The Forest Unseen* is a grand tour of nature in all its profundity. Haskell is a perfect guide into the world that exists beneath our feet and beyond our backyards.

Let the Circle Be Unbroken *Penguin*

"This dramatic sequel to *Roll of Thunder, Hear My Cry* is a powerful novel . . .capable of touching readers of any age." -- The Christian Science Monitor

To Speak for the Trees

My Life's Journey from Ancient Celtic Wisdom to a Healing Vision of the Forest
Timber Press

"A rare gift: an inspiring tale about trees, trauma and the very purpose of life."
—Andrew Nikiforuk, author of *Empire of the Beetle* Diana Beresford-Kroeger—a world-recognized botanist and medical biochemist—has revolutionized our understanding of the natural world with her startling insights into

the hidden life of trees. In this riveting memoir, she uncovers the roots of her discoveries in her extraordinary childhood in Ireland. Soon after, her brilliant mind bloomed into an illustrious scientific career that melds the intricacies of the natural world with the truths of traditional Celtic wisdom. *To Speak for the Trees* uniquely blends the story of Beresford-Kroeger's incredible life and her outstanding achievement as a scientist. It elegantly shows us how forests can not only heal us as people but can also help save the planet.

The Song of the Trees *Little Tiger Press*

A long time ago, before the first white man set foot in the New World, an Indian girl called

Lalita awoke from a frightening dream. Her dream became reality as she watched her beloved trees being cut down. Lalita refused to leave with the rest of her tribe.

My Cat, My Dog *Xist Publishing*

A child compares pets in this silly look at cats and dogs. "My cat can sleep. My dog can sleep. My cat can sleep on top of my dog." Simple sentences and whimsical illustrations are ideal for toddlers, preschoolers, and beginning readers.

Aquarian *MM Books*

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination,

the worlds of fantasy and reality suddenly collide... Cuttylea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

Gator in a Tree *CreateSpace*

Early one morning Gator climbs a tree, but he will not tell anyone why. Join Moose, Giraffe, Rhino and many more as they try and discover what this silly gator is up to in a tree. Illustrated by seven different artists in a

collage of breathtaking styles, author Jordan Courtney takes us for a creative climb with this easy to read picture book.

I Am Perfect *Lubybuby*

A song book that highlights that inside everyone there is a perfect and loving heart, and that if we uncover our perfection and recognise it in others we can change the world for the better. The song takes you through the personal journey of a little monster who discovers his self worth is not defined by his physical characteristics or by the definitions placed on him by others, but by how he allows his light and love to shine. Once he understands his own value he is able to see

the perfection in others even when they are hurtful. He then goes on to show that if we all recognised the perfection in each other and acted from a place of love we can change the world to a better place. "Let us live the perfection that we are and uncover ourselves to shine like a star. Our potential never stops to spread love on this earth, it is why we are here, it is the reason for our birth."

Monkey in a Tree *Publishers West*

Not so far away! The ice is melting, ocean levels have risen severely and the planet is in serious trouble. Power hungry leaders attempt to take advantage of this dire situation to gain more power. In the end it

leads to a holocaust as Sam Gorchman creates a way to save the woman he loves and a special group of friends from disaster

Soulbound

CreateSpace

Living in the quaint farming village of Brittendell offered a simple life of home and family. When Aislynn, the daughter of a local farmer, and Rorin, the son of a wealthy horse trader, married, another charming love story enlivened the tranquil town. Aislynn and Rorin were profoundly connected, but their relationship came to a screeching halt when Rorin was killed in a tragic accident. Their bond sends Aislynn into a spiraling depression as she continues sensing Rorin's presence. Soon,

Aislynn finds herself thrust into a dangerous world of magic filled with hobgoblins, elves, and wizards. When Aislynn is captured by the future king of Venallis and forced to help him uncover a mysterious magical artifact she discovers that fate has far greater plans for her than she ever imagined. Perhaps death is not always the end.

Song of the Trees

During the Depression, a rural Black family deeply attached to the forest on their land tries to save it from being cut down by an unscrupulous white man.

The Author's Book Journal

You also have some extra pages at the back for making notes on ideas for your next book. Keep all your book information in one handy place. Journal size 7x10 inches.

Runaway Bride

Love in Little Tree, Book Two *Mk Books*

A RUNAWAY BRIDE
Grace Marshall fled the church moments before her ceremony, leaving her twin sister buttoned into the wedding dress. A risky move for a good reason, and now she has to deal with the fallout. She expects the town and her family to be angry, but not this cowboy she just met. Who is he to judge?
WITH SECRETS TO HIDE
Horse trainer Mike Torres Thompson fabricated new identities for his siblings in order to keep them together after their parents died. Different location, different names, different lives. Once these last two kids are on their feet-and those

feet moving out his door, he can pursue his own dream of a ranch for abused horses. Then he meets Grace, and all his carefully-formed plans run away like a mustang. Or a bride. Neither denies their physical attraction, but love? Can the runaway bride and the responsible family man overcome their pasts and learn to trust? Will they be able to take a leap of faith toward a future together? -----

 Author's note: While this is the second book in the series, it can be read at any time as a stand alone. I hope you enjoy them all, in whatever order you read them. WHAT REVIEWERS ARE SAYING ABOUT MEGAN'S BOOKS: THE WEDDING RESCUE,

The Amulet of Cananea

Song of Carmelita

Carmelita Carreras's
life over the past
sixteen years has been
a lie. A lie that was
right in front of her
green eyes the whole
time. Huddled over her
mother's deathbed,
Carmelita leans close
as she hears the story
of how she came to be.
A kitchen worker in the
sprawling Mexican
estate of a mining
mogul, her mother,
Edelmida, was brutally
raped by an Irish
immigrant supervisor.
Furious and feeling
helpless, Edelmid
steals a bejeweled
antique cross, handed
down since the days of
Cortez, and plants it in
the room of her rapist
hoping for revenge.
She gets her wish, and
the man is run out of
town as a thief.
Edelmida marries a
miner who Carmelita

always came to think of as her father, but the true biological identity of her father is unclear. Carmelita sets out to find the truth about her father, the cross-missing for years and said to bring good fortune-and herself, sparking events that lead to the Mexican Revolution.

Creating Character

Bringing Your Story to Life

All fiction is character-driven, according to William Bernhardt. How can you use characters to create dynamic fiction that will captivate readers? This book explains the relationship between character and plot, and how the perfect melding of the two produces a mesmerizing story.

Zip Line Mice Companion Coloring Book *Createspace Independent Publishing Platform*

This is the Zip---Line Mice Companion Coloring Book. It was so much fun creating and coloring the illustrations for Zip---Line Mice that I created the Companion Coloring book so children could color while the book is read out loud to them.

You Decide

A Paranormal Coloring Book *Createspace Independent Pub*

The sketch-style depictions and unusual fonts create an eerie atmosphere where the reader has to decide if what they see really happened or if it is just a work of fiction.

Includes writing space for your conclusions. This book makes a great group activity. This is not intended for children. Contains brief nudity.

This beautifully designed 6" x 9" notebook will fit right into your lifestyle! DETAILS: 150 Blank Sheets Crisp White Pages with a Thick Cardstock Cover Simple, Stylish, Elegant

Cover Art Dimensions: 6" x 9"

Memphis 1873 CreateSpace

Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farmlife routine. It is the story of a courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O'Boyle, an embittered riverfront laborer, who blames the world for

his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon, Judge "Pappy" Hadden, and Cap'n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real.
