The Daily Show (The Book)

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests *Grand Central Publishing*

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Blocked?

Get Un-Blocked, Now

BLOCKED? Get Un-blocked-Now! by James A. Fragale - Several decades back, during a therapy session, a psychiatrist said to Nino Pino, "You're blocked. What's holding you back...what's standing in your way?" Gulp. Insulted and chagrined, at that moment, he began a long and agonizing journey. Over the next twenty years, he looked back. Examined. Questioned everything... and all along, all the while, filled page after page after page with notes...in dozens and dozens of various-sized, different-colored notebooks, that eventually teemed with his findings and feelings. In the last two years, he compiled his data into one enterprise. Now, in an original form, he passes that undertaking on to you: his answers, anecdotes, anathemas, quotes, paraphrases, discoveries, revelations, his work on that "sick syndrome of being stuck," blocked! All that, in a novel format. Lighting the light... The author follows up each finding with full, detailed insight on each source-further enlightening you, the reader, who is never in the dark as to who just spoke to you. Throughout the book, alter ego Nino Pino has provided easy-to-understand guidelines you can try on for size; to see how the block actually fits you: your hold back in a chokehold; on a paradigm, in a schematic, diagram, framework---your specific block. Then, you'll have a chance to see how they fit; to view the blocks for what they are; and then you will be able to come up with solutions...truths that will ("shall") set you free of them. In the background of all this, there's music...beautiful melodies swirling around. The author, a popular song aficionado of the beloved American Popular Standard Songbook conjures up nostalgic, uplifting lyrics you know and love. You'll find yourself whistling and humming along and having a better day. And, for music mavens there's something extra: insider tidbits on many of the familiar tunes.... And more? The author and his alter ego are in their finest form when reminiscing about their big Italian American family's tense and tender moments growing up in a coalmining/glass factory town in Northern West Virginia. On every page of this delightful, insightful, bright-full-of-light journey, there is something you'll want to remember and/or underline and even take with you. Yes, you can and will pocket useful, practical, workable solutions on being blocked, stuck-for you are now armed with new tools on how to get and stay unblocked.

Thoughts on Life, Love, and Rebellion *Random House*

A beautifully illustrated collection of Gloria Steinem's most inspirational and outrageous quotes, with an introduction and essays by the feminist activist herself "A fearless book full of passion, resolute perspective, and unbiased hope for the future."—Janelle Monáe For decades—and especially now, in these times of crisis—people around the world have found guidance, humor, and unity in Gloria Steinem's gift for creating quotes that offer hope and inspire action. From her early days as a journalist and feminist activist, Steinem's words have helped generations to empower themselves and work together. Covering topics from relationships ("Many are looking for the right person. Too few are trying to be the right person.") to the patriarchy ("Men are liked better when they win. Women are liked better

when they lose. This is how the patriarchy is enforced every day.") and activism ("Revolutions, like trees, grow from the bottom up."), this is the definitive collection of Steinem's words on what matters most. Steinem sees quotes as "the poetry of everyday life," so she also has included a few favorites from friends, including bell hooks, Flo Kennedy, and Michelle Obama, in this book that will make you want to laugh, march, and create some quotes of your own. In fact, at the end of the book, there's a special space for readers to add their own quotes and others they've found inspiring. *The Truth Will Set You Free, But First It Will Piss You Off!* is both timeless and timely. It is a gift of hope from Steinem to readers, and a book to share with friends.

The Truth Is The Light *Kensington Publishing Corp.*

I absolutely love Vanessa's unique writing style. She is one of a kind. —Mary Monroe, New York Times bestselling author "Full of crazy church politics and a huge cast, Griggs keeps this on-going story alive by addressing the challenges of living by Biblical rules with homespun humor." —Publishers Weekly As the son of a well-known minister, Clarence Walker knows his decision to leave his father's flock and join Pastor George Landris's mega-church ministry is controversial. But little does he suspect it will ignite a firestorm of revelations that will shake the heart of the congregation—and his very own family. . . From a long-buried secret that will bring the paternity of not one, but two women, to light, to a parishioner whose long awaited love match may be thwarted by an unexpected source, hidden truths are coming to the surface. But most shocking is that Clarence's own father, Reverend Marshall Walker, may not be the pious figure he claims to be. And since evidence of his transgressions lies in the hands of his arch nemesis, it's only a matter of time before Reverend Walker's life—and his church—falls like a house of cards. Praise For Vanessa Davis Griggs "A beautiful, hip, and spiritual retelling of one of the most memorable and redemptive stories in the Bible." —Freshfiction.com on *Redeeming Waters* "A smart novel that addresses an issue that many in the church shy away from--divorce--with frank realism." —Library Journal on *Practicing What You Preach*

It Ends with Us

A Novel *Pocket Books*

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Cloud Cuckoo Land (Large Print Edition)

Large Print *Simon and Schuster*

From the Pulitzer Prize-winning author of *All the Light We Cannot See*, perhaps the most bestselling and beloved literary fiction of our time, comes a triumph of imagination and compassion, a soaring novel about children on the cusp of adulthood in a broken world, who find resilience, hope, and story. The heroes of *Cloud Cuckoo Land* are trying to figure out the world around them: Anna and Omeir, on opposite sides of the formidable city walls during the 1453 siege of Constantinople; teenage idealist Seymour in an attack on a public library in present day Idaho; and Konstance, on an interstellar ship bound for an exoplanet, decades from now. Like Marie-Laure and Werner in *All the Light We Cannot See*, Anna, Omeir, Seymour, and Konstance are dreamers and outsiders who find resourcefulness and hope in the midst of peril. An ancient text—the story of Aethon, who longs to be turned into a bird so that he can fly to a utopian paradise in the sky—provides solace and mystery to these unforgettable characters. Doerr has created a tapestry of times and places that

reflects our vast interconnectedness—with other species, with each other, with those who lived before us and those who will be here after we’re gone. Dedicated to “the librarians then, now, and in the years to come,” *Cloud Cuckoo Land* is a hauntingly beautiful and redemptive novel about stewardship—of the book, of the Earth, of the human heart.

The Little Prince *GENERAL PRESS*

First published in 1943, *The Little Prince* by Antoine de Saint-Exupéry has been translated into more than 250 languages, becoming a global phenomenon. The Sahara desert is the scenery of Little Prince’s story. The narrator’s plane has crashed there and he has scarcely some food and water to survive. Trying to comprehend what caused the crash, the Little Prince appears. The serious blonde little boy asks to draw him a sheep. The narrator consents to the strange fellow’s request. They soon become friends and the Little Prince informs the pilot that he is from a small planet, the asteroid 325, talks to him about the baobabs, his planet volcanoes and the mysterious rose that grew on his planet. He also talks to him about their friendship and the lie that evoked his journey to other planets. Often puzzled by the grown-ups’ behavior, the little traveler becomes a total and eternal symbol of innocence and love, of responsibility and devotion. Through him we get to see how insightful children are and how grown-ups aren’t. Children use their heart to feel what’s really important, not the eyes. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children’s fairy-tale, and many more things besides: *The Little Prince* is a book for everyone; after all, all grown-ups were children once.

An American Marriage

The Untold Story of Abraham Lincoln and Mary Todd *Simon and Schuster*

An enlightening narrative exploring an oft-overlooked aspect of the sixteenth president's life, *An American Marriage* reveals the tragic story of Abraham Lincoln’s marriage to Mary Todd. Abraham Lincoln was apparently one of those men who regarded “connubial bliss” as an untenable fantasy. During the Civil War, he pardoned a Union soldier who had deserted the army to return home to wed his sweetheart. As the president signed a document sparing the soldier's life, Lincoln said: “I want to punish the young man—probably in less than a year he will wish I had withheld the pardon.” Based on thirty years of research, *An American Marriage* describes and analyzes why Lincoln had good reason to regret his marriage to Mary Todd. This revealing narrative shows that, as First Lady, Mary Lincoln accepted bribes and kickbacks, sold permits and pardons, engaged in extortion, and peddled influence. The reader comes to learn that Lincoln wed Mary Todd because, in all likelihood, she seduced him and then insisted that he protect her honor. Perhaps surprisingly, the 5’2” Mrs. Lincoln often physically abused her 6’4” husband, as well as her children and servants; she humiliated her husband in public; she caused him, as president, to fear that she would disgrace him publicly.

Unlike her husband, she was not profoundly opposed to slavery and hardly qualifies as the “ardent abolitionist” that some historians have portrayed. While she provided a useful stimulus to his ambition, she often “crushed his spirit,” as his law partner put it. In the end, Lincoln may not have had as successful a presidency as he did—where he showed a preternatural ability to deal with difficult people—if he had not had so much practice at home.

The Jesus Trilogy

Choice and Will / Love and Surrender / Beliefs, Emotions, and the Creation of Reality *Endless Satsang Foundation, Inc.*

In this trilogy by Jesus, are three jewels, each shining in its own way and illuminating the same truth: You are not only human but divine, and you are meant to flourish and love one another. In words that are for today, Jesus speaks intimately and directly to the reader of the secrets to peace, love, and happiness. He explains the deepest of all mysteries: who you are and how you can live as he taught long ago. The three books in The Jesus Trilogy were dictated to Gina Lake by Jesus and include Choice and Will, Love and Surrender, and Beliefs, Emotions, and the Creation of Reality. Choice and Will explores the complex, mysterious, and important question of who or what chooses. The question is important because our choices shape our reality and determine our experience of it. Love and Surrender explains the role that surrender plays in releasing us from bondage to our conditioning. Surrender is the “miracle” that occurs when we are finally able to let go and let things be as they are. Beliefs, Emotions, and the Creation of Reality explores the exciting arena of creation. It explains how beliefs determine our internal reality and, consequently, our external reality and how to move beyond limiting beliefs. The three books in the trilogy are also available individually in paperback and ebook. From the Introduction: “Choice and will are what make it possible to move out of the negative and limiting beliefs of the false self, which prevent or curtail the possibility of living a fuller, happier, and more loving life. Love and surrender are what are necessary to be in the Heart—in one's divine Essence—and to live from there rather than from a more contracted ego-bound state of consciousness. Surrender is the mysterious thing that happens when one lets go of, or gives up, the perspective and beliefs of the false self for the true self. It is the miracle I have spoken of in other works of mine.” -Jesus

How Arcturians Are Healing Planet Earth

One Soul Or Millions at a Time

Alien Reptilians, who are multidimensional extraterrestrials, have been plaguing our planet for eons, lowering our vibrational frequency and using fear, manipulation, and mind-control to dominate and enslave humanity. They have no natural enemies here, so they have had free rein to carry out their agenda. But that is no longer the case! The Arcturians, a much more powerful race of multidimensional extraterrestrials, are right now helping to heal the planet and raise its vibrational frequency by removing alien Reptilians and sending them to the Light. The Arcturians are highly advanced, very loving and peaceful beings from Arcturus, a star in the Bootes Constellation. They are ready to communicate and work with any soul who aspires to journey with them to a higher level of consciousness. In their words: “The

souls of the people of Mother Earth have suffered enough over the ages, and now is the time to make the Age of Aquarius a new and glorious era." Wayne Brewer is a prominent private investigator with over 35 years of experience uncovering hidden truths and the author of "Are You Possessed? Now Is the Time for Divine Intervention."

Hold On to Your Kids

Why Parents Need to Matter More Than Peers *Vintage Canada*

A psychologist with a reputation for penetrating to the heart of complex parenting issues joins forces with a physician and bestselling author to tackle one of the most disturbing and misunderstood trends of our time -- peers replacing parents in the lives of our children. Dr. Neufeld has dubbed this phenomenon peer orientation, which refers to the tendency of children and youth to look to their peers for direction: for a sense of right and wrong, for values, identity and codes of behaviour. But peer orientation undermines family cohesion, poisons the school atmosphere, and fosters an aggressively hostile and sexualized youth culture. It provides a powerful explanation for schoolyard bullying and youth violence; its effects are painfully evident in the context of teenage gangs and criminal activity, in tragedies such as in Littleton, Colorado; Tabor, Alberta and Victoria, B.C. It is an escalating trend that has never been adequately described or contested until *Hold On to Your Kids*. Once understood, it becomes self-evident -- as do the solutions. *Hold On to Your Kids* will restore parenting to its natural intuitive basis and the parent-child relationship to its rightful preeminence. The concepts, principles and practical advice contained in *Hold On to Your Kids* will empower parents to satisfy their children's inborn need to find direction by turning towards a source of authority, contact and warmth. Something has changed. One can sense it, one can feel it, just not find the words

for it. Children are not quite the same as we remember being. They seem less likely to take their cues from adults, less inclined to please those in charge, less afraid of getting into trouble. Parenting, too, seems to have changed. Our parents seemed more confident, more certain of themselves and had more impact on us, for better or for worse. For many, parenting does not feel natural. Adults through the ages have complained about children being less respectful of their elders and more difficult to manage than preceding generations, but could it be that this time it is for real? -- from *Hold On to Your Kids*
