CONCISE PUBLIC SPEAKING HANDBOOK, 2ND ED.**The Concise APA Handbook****APA 7th Edition IAP**

Most students struggle with learning how to find references, use them effectively, and cite them appropriately in a required format. One of the most common formats is that of APA. The authors all have vast experience teaching writing courses to various levels of students from undergraduates to graduates in other countries. However, there was lacking a book that could explain the basics of APA in simple, easy-to-understand language for non-native speakers of English, who are often unfamiliar with using references and formatting an essay in a particular method. In order to offer English Learner student writers a source of information that is appropriate for their level, and is cost-effective, this updated APA 7th edition guidebook provides students with important information in clear, concise, user-friendly language, as well as to offer practical examples that will help them grasp the concept of secondary research writing. Much of the published materials on the market targets native speakers of English. The problem with this is that they present the nitpicky details of APA in ways that do not make sense to native speakers of English, let alone to those for whom English is not their first language, because the information is presented in very technical terms that are not easy to understand. This handbook presents the same information in simplified terms with images and step-by-step instructions in ways that make sense to both native and non-native English speaking student writers. Additionally, student writers often struggle with understanding the concept of plagiarism, as well as how to find sources, evaluate the appropriateness of sources, and use sources in effective ways (e.g., how to integrate quotes, when to paraphrase, among others). This book provides this important information that is concise and easy to understand. NOTE: This is a REVISED edition of our original The Concise APA Handbook, which has been updated for APA 7th edition, which was issued in the fall, 2019.

Public Speaking

The Evolving Art

PUBLIC SPEAKING: THE EVOLVING ART, 2E, ENHANCED, International Edition is a fully integrated book and technology program that matches the expectations of today's students while preserving the well-respected traditions of public speaking instruction. This program teaches the fundamental goals of public speaking while exploring the contexts and media that inform public speaking today. The text comes automatically packaged with a printed access code to a variety of online tools: CourseMate (which houses the interactive activities); Speech Builder Express, Speech Studio 2.0, and access to the eBook. Each chapter's material, both in the book and online, takes students through a sequence that starts with reading the text, moves to watching unique integrated videos, segues to companion interactive activities that ask students to apply chapter concepts in hypothetical scenarios, and then to advance work on their own speech project. A unique, practical pedagogical system in the text -- "Read it, Watch it, Use it, Review it" -- gives structure to each chapter, and directs students to the easy-to-access online material. "Apply It" Boxes give students an opportunity to use their newly-gained public speaking skills in situations outside of the classroom. PUBLIC SPEAKING: THE EVOLVING ART, 2E, ENHANCED, International Edition is the first of its kind to adapt the format and delivery of information based on extensive feedback from hundreds of students and instructors who have used the package in their course. Based on the text's "READ It, WATCH It, USE It, REVIEW It" pedagogical structure, 93% of students who class-tested found the Speech Buddy Videos helpful, and 96% of students would recommend this book/package to their instructor.

Storytelling with Data

A Data Visualization Guide for Business Professionals *John Wiley & Sons*

Don't simply show your data—tell a story with it! Storytelling with Data teaches you the fundamentals of data visualization and how to communicate effectively with data. You'll discover the power of storytelling and the way to make data a pivotal point in your story. The lessons in this illuminative text are grounded in theory, but made accessible through numerous real-world examples—ready for immediate application to your next graph or presentation. Storytelling is not an inherent skill, especially when it comes to data visualization, and the tools at our disposal don't make it any easier. This book demonstrates how to go beyond conventional tools to reach the root of

your data, and how to use your data to create an engaging, informative, compelling story. Specifically, you'll learn how to: Understand the importance of context and audience Determine the appropriate type of graph for your situation Recognize and eliminate the clutter clouding your information Direct your audience's attention to the most important parts of your data Think like a designer and utilize concepts of design in data visualization Leverage the power of storytelling to help your message resonate with your audience Together, the lessons in this book will help you turn your data into high impact visual stories that stick with your audience. Rid your world of ineffective graphs, one exploding 3D pie chart at a time. There is a story in your data—Storytelling with Data will give you the skills and power to tell it!

When instructors teach from this textbook, they benefit from Lucas' Integrated Teaching Package. The Annotated Instructor's Edition and Instructor's Manual, both written by Steve Lucas, provide teaching tips and give outlines on how to use the various supplements. As a result, instructors are able to see various teaching examples, how to integrate technology, and analyses and discussion questions for video clips in class. The Annotated Instructor's Edition, Instructor's Manual, Test Bank, CDs, videos, and other supplements provide instructors the tools needed to create a dynamic classroom. This edition has a supplement to meet the needs of online classes, Teaching Public Speaking Online with The Art of Public Speaking.
