### **Wiley: Enterprise Risk Management: From Incentives to ...**

Over the past few years, there have

been several instances where incentive compensation programs are believed to have motivated questionable employee behaviors which have resulted in significant damage to company reputations. It is apparent that incentives are a key tool that corporations utilize to achieve objectives, but with recent discoveries, it has become critical that boards of directors carefully consider whether these programs pose significant risks to the organizations.

### **Riskiness of Incentive Compensation Plans | ERM ...**

In order to be granted a new qualifying EMI option and retain all the tax advantages associated with EMI options they already hold, amongst other

conditions, the employee must devote at least 25 hours per week or, if less, 75 percent of their total working time, to the business of the company.
