Things from the Flood

The Loop is closed. Life is returning to normal when the pastoral countryside is suddenly flooded by dark water from the huge abandoned underground facility. Rumors spread in classrooms and schoolyards, stories about the flood and how it has brought something with it. One thing is clear: the past is not ready to be forgotten. Simon Stålenhag is back. In his new artbook Things From The Flood, Stålenhag continues the stories of Tales From The Loop, memories of a Nordic childhood infused with strange machines and weird creatures from other dimensions. In Things From The Flood, Stålenhag moves his focus from the 80s to the 90s, the decade of great change when the outside world truly came to Scandinavia. These are tales of the trials of youth, of schoolyard hazings, of first kisses, of finding yourself - and robots."

The Electric State *Simon and Schuster*

NPR Best Books of 2018 A teen girl and her robot embark on a cross-country mission in this illustrated science fiction story, perfect for fans of Ready Player One and Black Mirror. In late 1997, a runaway teenager and her small yellow toy robot travel west through a strange American landscape where the ruins of gigantic battle drones litter the countryside, along with the discarded trash of a high-tech consumerist society addicted to a virtual-reality system. As they approach the edge of the continent, the world outside the car window seems to unravel at an ever faster pace, as if somewhere beyond the horizon, the hollow core of civilization has finally caved in.

After The Flood *HarperCollins*

Life is about more than just surviving... An unforgettable, inventive, and riveting epic saga about a mother, her daughter and their struggle to survive in a post-apocalyptic flooded world, which signals the arrival of an extraordinary new talent. 'An adventure rife with great peril and high emotional stakes, this postapocalyptic novel reads like a fast-paced screenplay: intense, visceral, and relentless.' Library Journal It's 2031, and the world has been utterly transformed. After years of rising floodwaters, all that's left is an archipelago of mountaintop colonies surrounded by a deep expanse of open water. Civilization as it once was is gone. Bands of pirates roam the waters, in search of goods and women to breed. Some join together to create a new kind of society, while others sail alone, barely surviving. Myra and her young daughter, Pearl, survive by fishing from their small boat, visiting small hamlets and towns on dry land to trade for supplies and information. The sole purpose of Myra's existence is to protect Pearl, while mourning the loss of her oldest daughter, Row, who was kidnapped during the last terrifying storm surge. For eight years Myra has searched for the girl that she knows, in her bones and her heart, still lives. In a violent confrontation with a stranger, Myra hears that Row was last seen in a far-off encampment of raiders on the coast of what used to be Greenland. Throwing aside her usual caution, she and Pearl embark on a perilous voyage into the icy northern seas to rescue her. A compulsively readable novel of dark despair and soaring hope, *After the Flood* is a magnificent, exhilarating, action-packed, and sometimes frightening odyssey laced with wonder - an affecting and wholly original saga, both redemptive and astonishing. 'The searing, often brutal story of a mother's terrifying quest to find her missing daughter in a post-apocalyptic world. Haunting and shocking.' Liv Constantine, bestselling author of *The Last Mrs. Parrish* '[A] brilliantly imagined novel about love and desperation, set in an astonishing new world ... utterly gripping' Karin Slaughter, international bestselling author of *The Last Widow* 'An intriguing and innovative woman-centered swashbuckling quest narrative' Publishers Weekly

The Flood Girls *Simon and Schuster*

"Welcome to Quinn, Montana, population: 956. A town where nearly all of the volunteer firemen are named Jim, where The Dirty Shame--the only bar in town--refuses to serve mixed drinks (too much work), where the locals hate the newcomers (then again, they hate the locals, too), and where the town softball

team has never even come close to having a winning season. Until now. Rachel Flood has snuck back into town after leaving behind a trail of chaos nine years prior. She's here to make amends, but nobody wants to hear it, especially her mother Laverna. But with the help of a local boy named Jake and a little soul-searching, she just might make things right."--Amazon.com.

The Year of the Flood *Vintage Canada*

From the Booker Prize-winning author of *Oryx and Crake*, the first book in the MaddAddam Trilogy, and *The Handmaid's Tale*. Internationally acclaimed as ONE OF THE BEST BOOKS OF THE YEAR by, amongst others, the Globe and Mail, the New York Times, the New Yorker, and the Village Voice In a world driven by shadowy, corrupt corporations and the uncontrolled development of new, gene-spliced life forms, a man-made pandemic occurs, obliterating human life. Two people find they have unexpectedly survived: Ren, a young dancer locked inside the high-end sex club Scales and Tails (the cleanest dirty girls in town), and Toby, solitary and determined, who has barricaded herself inside a luxurious spa, watching and waiting. The women have to decide on their next move--they can't stay hidden forever. But is anyone else out there?

The Labyrinth

The Labyrinth is a unique vision of a dystopian future from one of the most sought-after visual storytellers in the world and internationally acclaimed author of *The Electric State*.

Flood *Capstone*

In this book without words, a family experiences the destruction and rebuilding of their home and community after a flood.

The Valley and the Flood *Penguin*

"A tense and beautiful tale about the monsters we make and the memories that haunt us." --Kate Alice Marshall, author of *I Am Still Alive* and *Rules for Vanishing* Rose Colter is almost home, but she can't go back there yet. When her car breaks down in the Nevada desert, the silence of the night is broken by a radio broadcast of a voicemail message from her best friend, Gaby. A message Rose has listened to countless times over the past year. The last one Gaby left before she died. So Rose follows the lights from the closest radio tower to Lotus Valley, a small town where prophets are a dime a dozen, secrets lurk in every shadow, and the diner pie is legendary. And according to Cassie Cyrene, the town's third most accurate prophet, they've been waiting for her. Because Rose's arrival is part of a looming prophecy, one that says a flood will destroy Lotus Valley in just three days' time. Rose believes if the prophecy comes true then it will confirm her worst fear--the PTSD she was diagnosed with after Gaby's death has changed her in ways she can't face. So with help from new friends, Rose sets out to stop the flood, but her connection to it, and to this strange little town, runs deeper than she could've imagined. Debut author Rebecca Mahoney delivers an immersive and captivating novel about magical places, found family, the power of grief and memory, and the journey toward reconciling who you think you've become with the person you've been all along.

The Information

A History, a Theory, a Flood *Vintage*

From the bestselling author of the acclaimed *Chaos and Genius* comes a thoughtful and provocative exploration of the big ideas of the modern era: Information, communication, and information theory. Acclaimed science writer James Gleick presents an eye-

opening vision of how our relationship to information has transformed the very nature of human consciousness. A fascinating intellectual journey through the history of communication and information, from the language of Africa's talking drums to the invention of written alphabets; from the electronic transmission of code to the origins of information theory, into the new information age and the current deluge of news, tweets, images, and blogs. Along the way, Gleick profiles key innovators, including Charles Babbage, Ada Lovelace, Samuel Morse, and Claude Shannon, and reveals how our understanding of information is transforming not only how we look at the world, but how we live. A New York Times Notable Book A Los Angeles Times and Cleveland Plain Dealer Best Book of the Year Winner of the PEN/E. O. Wilson Literary Science Writing Award

The Science of a Flood *Cherry Lake*

This book discusses the science behind floods. The chapters describe historical floods, analyze climate conditions that cause floods, and examine how scientists predict these disasters. Diagrams, charts, and photos provide opportunities to evaluate and understand the scientific concepts involved.

The Flood *HarperCollins UK*

A gripping, atmospheric crime novel about a town on the edge of collapse, and a murder that shakes the community. Perfect for fans of *The Dry*.

Flood *Penguin*

Four hostages are rescued from a group of religious extremists in Barcelona. After five years of being held captive together, they make a vow to always watch out for one another. But they never expected this. The world they have returned to has been transformed-by water. And the water is rising.

After Me Comes the Flood

A Novel *HarperCollins*

"A beautiful, dream-like, unsettling narrative in which every word, like a small jewel, feels carefully chosen, considered and placed. Rarely do debut novels come as assured and impressive as this one." —Sarah Waters, New York Times bestselling author of *The Paying Guests* Elegant, sinister and psychologically complex, *After Me Comes the Flood* is the haunting debut novel by the bestselling author of *The Essex Serpent* and *Melmoth*. One hot summer's day, John Cole decides to shut his bookshop early, and possibly forever, and drives out of London to see his brother. When his car breaks down on an isolated road, he goes looking for help and finds a dilapidated house. As he approaches, a laughing woman he's never seen before walks out, addresses him by name and explains she's been waiting for him. Entering the home, John discovers an enigmatic clan of residents all of whom seem to know who he is, and also claim they have been awaiting him arrival. They seem to be waiting for something else, too—something final... Written before Sarah Perry's ascension to an internationally bestselling author, *After Me Comes the Flood* is a spectacular novel of obsession, conviction and providence.

Fire & Flood *Scholastic Inc.*

A pulse-pounding thrill ride, where a teen girl must participate in a breathtaking race to save her brother's life--and her own. Time is slipping away. . . . Tella Holloway is losing it. Her brother is sick, and when a dozen doctors can't determine what's wrong, her parents decide to move to the middle of nowhere for the fresh air. She's lost her friends, her parents are driving her crazy, her brother is dying--and she's helpless to change anything. Until

she receives mysterious instructions on how to become a Contender in the Brimstone Bleed. It's an epic race across jungle, desert, ocean, and mountain that could win her the prize she desperately desires: the Cure for her brother's illness. But all the Contenders are after the Cure for people they love, and there's no guarantee that Tella (or any of them) will survive the race. The jungle is terrifying, the clock is ticking, and Tella knows she can't trust the allies she makes. And one big question emerges: Why have so many fallen sick in the first place? Victoria Scott's breathtaking novel grabs readers by the throat and doesn't let go.

Noah's Ark

The Story of the Flood and After *Courier Corporation*

Perfect for reading aloud, this is the finest work of E. Boyd Smith, a noted children's book illustrator of the early twentieth century. It recounts the timeless tale of Noah's ark and the aftermath of the Great Flood with delicately colored full-page illustrations. Readers of all ages will delight in Smith's rollicking animals as well as his inventive explanation of the extinction of the dinosaurs.

The Flood *Pygmalion Publishing*

"Intense. Feral. Deliciously unhinged." ~Kristen Mae, bestselling author of *Underdog* Seven people. A locked storm shelter. Inevitable starvation. What could you do to survive? Victoria Larson and her husband, Chad, are sitting on their rooftop, waiting for the end. For three days, they've watched their coastal Louisiana town turn into a lake, battered by an unprecedented series of hurricanes. With the levees obliterated, the waters rise higher and higher—the next storm is sure to swallow their house whole. Just when all hope seems lost, a rescue boat emerges through the driving rain; a woman named Windy plucks them from their roof and motors them to a waterproof bunker—to safety. There, with a ragtag group of other evacuees, Victoria and Chad bed down and prepare to wait out the storms. But it isn't long before Victoria notices a few things seem...off. The concrete bunker has a door that locks from the outside. Many of the boxes of food don't contain food at all. The bottles of water smell like rubbing alcohol. And everyone in the group has a secret; even Victoria's own estranged husband seems to have known their captor prior to making the trek to the shelter. And some of her fellow evacuees are far too intent on defending the woman who locked them in this dungeon. Are they really storm victims like Victoria? Or are they accomplices in a sick game? One thing is certain: none of them will survive if they can't find something to eat. And if the stories the others tell about Windy are any indication, Victoria suspects their captor's plans are far more evil than simply watching them die of malnourishment. The blade Windy gave her is proof enough of that. And it won't be long until starvation devours the last of Victoria's sanity. Tightly plotted and deliriously wicked, this psychological thriller will leave you breathless. Fans of Nick Cutter and Paul Tremblay will love *The Flood*.

Things from the Flood

A Flood of Posies *Black Spot Books*

It's 2025. Sisters, Doris and Thea, exist worlds apart, despite living within a few miles of one another. Doris with her regular home and regular husband and regular job, and Thea slinking along the edges of society, solitary and invisible. When a storm of biblical proportions strikes, the wayward sisters are begrudgingly forced together as the rain waters rise, each attempting to

survive both the flood and each other. One year later, Thea—now calling herself Sestra—floats throughout a ravaged, flood soaked world. Her former life drowned beneath metric tons of water, she and her only companion, Robert, battle starvation, heatstroke, and the monstrous creatures called Posies that appeared alongside the flood. When they run across what they assume to be an abandoned tugboat, their journey takes a new turn, and the truth about the flood and the monsters seems more intricately linked to Thea's past than she may realize.

Mount Fitz Roy

MOUNT FITZ ROY continues the tale of the horror that occurred far below the mountains of Utah in EARTHCORE.

The Flood Saqi

President Bliss is handling a tricky situation with customary brio, but after months of ceaseless rain the city is sinking under the floods. The rich are safe on high ground, but the poor are getting damper in their packed tower blocks, and the fanatical 'Last Days' sect is recruiting thousands. When at last the sun breaks through the clouds Lottie heads off to the opera, husband Harold listens to jazz and their ditsy teenage daughter Lola fights capitalism by bunking off school. Shirley takes her twin boys to the zoo. The government - eager to detract attention from a foreign war it has waged - announces a spectacular City Gala. But not even TV astrologer Davey Lucas can predict the extraordinary climax that ensues. 'Gripping, original and highly entertaining - Maggie Gee at her superb best.' J G Ballard 'Dazzling ... alternately lyrical and austere ... unbearably touching.' The Observer 'Eloquent, angry and beautiful ... her best book yet.' Hilary Mantel 'The Flood is Gee's most apocalyptic vision to date ... an incredible feat of sustained imaginative continuity.' The Guardian 'A Must-Read Book for 2004.' Daily Mail '... an addition to an eccentric but valuable tradition of English fiction ... in which the visionary and the mundane mingle, producing effects by turn comical and grand.' Sunday Times 'Gee's ability to ask big "what if?" questions while never losing sight of the humdrum details of life ... gives her un-brave new world credibility.' The Independent '...exuberant ... I thoroughly enjoyed it.' Sunday Telegraph 'The Flood, for all its passion and intricacy, is also a very funny book ... rewarding ... carefully written, using language echoing the water that ebbs and flows, and eventually floods the pages.' TLS '...a rare writer who is willing to address issues topical to contemporary Britain' Daily Telegraph 'A playful apocalypse.' The Bookseller '... a surprising melange of fantasy, realism, and very dry humour' Big Issue '... startling, insidious imagery' Metro 'Gee's admirably dyspeptic and frequently funny novel is a wake-up call to us all' Mail on Sunday 'Acutely drawn characters, and subtle observations about relationships and nature.' Time Out 'A satirist this lyrical, warm-hearted and imaginative is, like a unicorn, a rare and precious beast.' Weekend Australian

The Daily Show (The Book)

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests *Grand Central Publishing*

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be

chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

When Prophecy Fails *Simon and Schuster*

The study reported in this volume grew out of some theoretical work, one phase of which bore specifically on the behavior of individuals in social movements that made specific (and unfulfilled) prophecies. We had been forced to depend chiefly on historical records to judge the adequacy of our theoretical ideas until we by chance discovered the social movement that we report in this book. At the time we learned of it, the movement was in mid-career but the prophecy about which it was centered had not yet been disconfirmed. We were understandably eager to undertake a study that could test our theoretical ideas under natural conditions. That we were able to do this study was in great measure due to the support obtained through the Laboratory for Research in Social Relations of the University of Minnesota. This study is a project of the Laboratory and was carried out while we were all members of its staff. We should also like to acknowledge the help we received through a grant-in-aid from the Ford Foundation to one of the authors, a grant that made preliminary exploration of the field situation possible.

Taken at the Flood

A Hercule Poirot Mystery *Harper Collins*

A few weeks after marrying an attractive widow, Gordon Cloade is tragically killed by a bomb blast in the London blitz. Overnight, the former Mrs. Underhay finds herself in sole possession of the Cloade family fortune. Shortly afterward, Hercule Poirot receives a visit from the dead man's sister-in-law who claims she has been warned by "spirits" that Mrs. Underhay's first husband is still alive. Poirot has his suspicions when he is asked to find a missing person guided only by the spirit world. Yet what mystifies Poirot most is the woman's true motive for approaching him....

Flood

A Novel *Center Street*

Winner of the Literary Fiction Category for the 2017 Best Book Award A sparkling debut set in Mark Twain's boyhood town, Flood is a story of what it means to be lost . . . and found. Laura Brooks fled her hometown of Hannibal, Missouri, ten years ago after a historic flood and personal heartbreak. Now she's returned unannounced, and her family and friends don't know what to make of it. She says she's just home for a brief visit and her high-school reunion, but she's carrying too much luggage for that:

literal and metaphorical. Soon Laura is embroiled in small-town affairs--the contentious divorce of her rowdy best friend Rose; the campaign of her twelve-year-old godson, Bobby, to become the town's official Tom Sawyer; and the renewed interest of the man Laura once thought she'd marry, Sammy McGuire. Leaving town when she was eighteen had been Laura's only option. She feared a stifling existence in a town ruled by its past, its mythological devotion to Mark Twain, and the economic and racial divide that runs as deep as the Mississippi River. She can't forget that fateful Fourth of July when the levees broke or the decisions that still haunt her. Now as the Mississippi rises again, a deep wound threatens to reopen, and Laura must decide if running away once more might be the best way to save herself.

Euphonia and the Flood *Atheneum*

Curious to see where the flood is going, an old woman packs her broom and pig into her boat and sets out to follow it.

Tales from the Loop - Out of Time

There are rumors of a mechanical contraption that roams around the fields outside the small communities of the Mälaren Islands. At the same time, flyers asking for information on lost pets are increasing on the bulletin board outside the grocery store. On TV, the weatherman speaks of "random storm gusts" - and hasn't there been severely bad weather the past few nights? This is the beginning of a series of mysteries that lead the children out into the wilderness of The Loop and down into its secret tunnels. But what does this all have to do with the long-awaited summer camp, the magnetriner ship Susi Talvi, and the 1969 moon landing? This is a 124-page full-color hardback module to the multiple award-winning Tales from the Loop roleplaying game. Made in the UK.

Katrina

After the Flood *Simon and Schuster*

An investigative journalist revisits Hurricane Katrina's immediate damage, the city of New Orleans' efforts to rebuild itself, and the storm's lasting effects on the psychic, racial, and social fabric of the city.

Before the Flood

Destruction, Community, and Survival in the Drowned Towns of the Quabbin *Simon and Schuster*

In the tradition of Silent Spring, a modern parable of the American experience and our paradoxical relationship with the natural world. Though it seems a part of the "natural" landscape of New England today, the Swift River Valley reservoir, dam, dike, and nature area was a triumph of civil engineering. It combined forward-looking environmental stewardship and social policy, yet the "little people"—and the four towns in which they lived—got lost along the way. Elisabeth Rosenberg has crafted *Before the Flood* to be both a modern and a universal story in a time when managed retreat will one day be a reality. Meticulously researched, *Before the Flood*, is the first narrative book on the incredible history of the Swift River Valley and the origins Quabbin Reservoir. Rosenberg dives into the socioeconomic and psychological aspects of the Swift River Valley's destruction in order to supply drinking water for the growing populations of Boston and wider Massachusetts. It is as much a human story as the story of water and landscape, and *Before the Flood* movingly reveals both the stories and the science of the key players and the four flooded towns that were washed forever away.

The Story of Patriarchs and Prophets

The Conflict of the Ages Illustrated in the Lives of Holy Men of Old

Mrs. Frisby and the Rats of Nimh *Simon and Schuster*

Some extraordinary rats come to the aid of a mouse family in this Newbery Medal Award-winning classic by notable children's author Robert C. O'Brien. Mrs. Frisby, a widowed mouse with four small children, is faced with a terrible problem. She must move her family to their summer quarters immediately, or face almost certain death. But her youngest son, Timothy, lies ill with pneumonia and must not be moved. Fortunately, she encounters the rats of NIMH, an extraordinary breed of highly intelligent creatures, who come up with a brilliant solution to her dilemma. And Mrs. Frisby in turn renders them a great service.

The Autobiography of Miss Jane Pittman *Bantam*

"This is a novel in the guise of the tape-recorded recollections of a black woman who has lived 110 years, who has been both a slave and a witness to the black militancy of the 1960's. In this woman Ernest Gaines has created a legendary figure, a woman equipped to stand beside William Faulkner's Dilsey in *The Sound and The Fury*." Miss Jane Pittman, like Dilsey, has 'endured,' has seen almost everything and foretold the rest. Gaines' novel brings to mind other great works *The Odyssey* for the way his heroine's travels manage to summarize the American history of her race, and *Huckleberry Finn* for the clarity of her voice, for her rare capacity to sort through the mess of years and things to find the one true story in it all." -- Geoffrey Wolff, *Newsweek*. "Stunning. I know of no black novel about the South that excludes quite the same refreshing mix of wit and wrath, imagination and indignation, misery and poetry. And I can recall no more memorable female character in Southern fiction since Lena of Faulkner's *Light In August* than Miss Jane Pittman." -- Josh Greenfeld, *Life*

Waiting for the Flood

Spires, #2

People come as well as go. Twelve years ago, Edwin Tully came to Oxford and fell in love with a boy named Marius. He was brilliant. An artist. It was going to be forever. Two years ago, it ended. Now

Edwin lives alone in the house they used to share. He tends to damaged books and faded memories, trying to build a future from the fragments of the past. Then the weather turns, and the river spills into Edwin’s quiet world, bringing with it Adam Dacre from the Environment Agency. An unlikely knight, this stranger with roughened hands and worn Wellingtons, but he offers Edwin the hope of something he thought he would never have again. As the two men grow closer in their struggle against the rising waters, Edwin learns he can’t protect himself from everything—and sometimes he doesn’t need to try.

Foundation Actionscript 3.0 Animation

Making Things Move! *Apress*

This is the first definitive and authoritative book available on ActionScript 3 animation techniques. ActionScript animation is a very popular discipline for Flash developers to learn. The essential skill set has been learned by many Flash developers through the first edition of this book. This has now been updated to ActionScript 3, Adobe's new and improved scripting language. All of the code has been updated, and some new techniques have been added to take advantage of ActionScript 3's new features, including the display list and new event architecture. The code can be used with the Flash 9 IDE, Flex Builder 2, or the free Flex 2 SDK.
