**Orsons Lessons In
Wealth A**

Orson's Lessons in Wealth is a charming introduction to financial education for children. Orson is a boy who dreams of riches. He happily helps his mum in her little shop but, no matter how hard they work, there is never enough money to go around. They have no idea what it takes to become wealthy, and have no choice but to work hard day after day.

Orson's Lessons - Teach your children about wealth creation

Orson's Lessons in Wealth is a children's book that has a curious statement in the front matter of the book that I assume was meant to be ironic. Most probably it is aimed at the adults who may read the book with

their younger companion(s) for it advises them not use the contents to in order to make a financial or investment decision!
