The Circus in Winter *Houghton Mifflin Harcourt*

Over a half century, a small Indiana town hosts a circus troupe during the off-seasons in linked stories "as graceful as any acrobat's high-wire act" (San Francisco Chronicle). A Story Prize Finalist From 1884 to 1939, the Great Porter Circus made the unlikely choice to winter in an Indiana town called Lima, a place that feels as classic as Sherwood Anderson's Winesburg, Ohio, and as wondrous as a first trip to the Big Top. In Lima, an elephant can change the course of a man's life—or the manner of his death. Jennie Dixianna entices men with her dazzling Spin of Death and keeps them in line with secrets locked in a cedar box.

The lonely wife of the show's manager has each room of her house painted like a sideshow banner, indulging her desperate passion for a young painter. And a former clown seeks consolation from his loveless marriage in his post-circus job at Clown Alley Cleaners. In this collection of linked stories spanning decades, Cathy Day follows the circus people into their everyday lives and brings the greatest show on earth to the page. "[An] exquisite story collection." —The Washington Post "Often funny, always graceful, and rich with a mix of historical and imaginative detail." —Tim O'Brien, author of *The Things They Carried* "Sublimely imaginative and affecting." —The Boston Globe

South Pacific

Paradise Rewritten *Oxford University Press*

Rodgers and Hammerstein's Tony and Pulitzer Prize-winning musical "South Pacific" has remained a mainstay of the American musical theater since it opened in 1949, and its powerful message about racial intolerance continues to resonate with twenty-first century audiences. Drawing on extensive research in the Rodgers and the Hammerstein papers, including Hammerstein's personal notes on James A. Michener's *Tales of the South Pacific*, Jim Lovensheimer offers a fascinating reading of "South Pacific" that explores the show's complex messages and demonstrates how the presentation of those messages changed throughout the creative process. Indeed, the author shows how Rodgers and especially Hammerstein continually refined and softened the theme of racial intolerance until it was more acceptable to mainstream Broadway audiences. Likewise, Lovensheimer describes the treatment of gender and colonialism in the musical, tracing how it both reflected and challenged early Cold War Era American norms. The book also offers valuable background to the writing of "South Pacific," exploring the earlier careers of both Rodgers and Hammerstein, showing how they frequently explored serious social issues in their other works, and discussing their involvement in the political movements of their day, such as Hammerstein's founding membership in the Hollywood Anti-Nazi League. Finally, the book features many wonderful appendices, including two that compare the original draft and final form of the classic songs "I'm Gonna Wash That Man Right Out-a My Hair" and "I'm In Love With a Wonderful Guy." Thoroughly researched and compellingly written, this

superb book offers a rich, intriguing portrait of a Broadway masterpiece and the era in which it was created.
