dance is known as a feminine activity, males tend to be even more in the minority in more 'feminised' genres, such as ballet. However, in other genres, such as street dance, which allows them to conform to a more traditionally masculine identity, they are in the majority. Regardless of genre, however, males

OpenResearchOnline

Dancing the Feminine tells the tale of how Indonesian migrant women in Perth address issues of identity and belonging, and use cultural performances to create social and cultural agency. Based on extensive fieldwork in Perth, in which Monika Winarnita danced with the women she researched, Dancing the Feminine addresses many different aspects of the experience of migration.

Review: Dancing the Feminine - Inside Indonesia

Although ballroom dance is predicated on rigid gender roles, its popularity has increased in the United States over the past few years. We use in-depth interviews and participant observation to explore how modern ballroom dancers express their masculinity and femininity on and off the dance floor.

The Choreography of Gender: Masculinity, Femininity, and ...

Of course sex is a physical thing, it is biological and the way you are born, but gender is different, it is constructed and measured on the level of people's masculinity and femininity. The expectations of a dancer are seen as more feminine traits this causes people to assume all dancers are feminine.

Challenging stereotypes in dance. - Blog - Voice Magazine

While kothis are usually distinguished from hijras as a separate gender identity, they often dress as women and act in a feminine manner in public spaces, even using feminine language to refer to themselves and each other. The usual partners of hijras and kothis are men who consider themselves heterosexual as they are the ones who penetrate.
