List of string quartet ensembles - Wikipedia

A string quartet is a musical ensemble consisting of four string players – two violin players, a viola player and a cellist – or a musical composition written to be performed by such a group. The string quartet is one of the most prominent chamber ensembles in classical music; most major composers from the mid 18th century onwards having written string quartets.

String quartet - Wikipedia

A string quartet is a musical ensemble of four string players—two violin players, a viola player and a cellist—or a piece written to be performed by such a group. The string quartet is one of the most prominent chamber ensembles in classical music, with most major composers, from the mid to late 18th century onwards, writing string quartets.

Bishop String Quartet - Leading Dallas based ensemble for ...

Program Description The St. Lawrence String Quartet — whose ongoing exploration of nontraditional venues and new audiences was developed, in part, by early community outreach opportunities — observed a need for similar training programs for the next generation of emerging artists. In response to this need, the SLSQ developed the Emerging String Quartet Program (ESQP).
