Esther de Waal never lets us down! In To Pause at the Threshold she explores how even the busiest life can be lived mindfully and prayerfully. She attunes us to what the Celtic Christians called "thin" moments, those times when what is before gives way to the new, when God is experienced as most palpably present.

These can be physical, such as the geographical borders of a country; others, such as the spiritual border between the inner and outer world—between ourselves and others—are intangible. In To Pause at the Threshold, Esther de Waal looks at what it is like to live in actual “border country,” the Welsh countryside with its “slower rhythms” and “earth-linked textures,” and explores the importance of opening up and being receptive to one’s surroundings, whatever they may be.
