Classroom & Teacher Observation Checklists | SafetyCulture

Observation prepares the adult to act, but, first, we must prepare ourselves to observe! In the third lecture of her 1921 London course, Dr. Montessori talked about the preparation of the teacher as analogous to the preparation of scientists in other fields: “Any methodical observation which one wishes to make, requires preparation. Observation is one of those many things of which we frequently speak, and of which we form an inexact or false idea.

How to Observe Children in a Montessori Classroom
