My Mouth Is a Volcano!

Whenever thoughts pop into Louis's head, he can't control his mouth, and he ends up interrupting everybody.

My Mouth is a Volcano *National Center for Youth Issues*

Teaching children how to manage their thoughts and words without interrupting. Louis always interrupts! All of his thoughts are very important to him, and when he has something to say, his words rumble and grumble in his tummy, they wiggle and jiggle on his tongue and then they push on his teeth, right before he ERUPTS (or interrupts). His mouth is a volcano! But when others begin to interrupt Louis, he learns how to respectfully wait for his turn to talk. My Mouth Is A Volcano takes an empathetic approach to the habit of interrupting and teaches children a witty technique to help them manage their rambunctious thoughts and words. Told from Louis' perspective, this story provides parents, teachers, and counselors with an entertaining way to teach children the value of respecting others by listening and waiting for their turn to speak.

My Mouth Is a Volcano! Activity and Idea Book

A workbook of activities designed to explore interrupting address such issues as the reasons people interrupt, how unnecessary interrupting makes people feel, and how to interrupt politely.

In the Volcano's Mouth *University of Pittsburgh Press*

Winner of the 2015 Agnes Lynch Starrett Poetry Prize Winner of the 2017 Bob Bush Memorial Award for Best First Book of Poetry from the Texas Institute of Letters Miriam Bird Greenberg's stunning first collection, which roves across a lush, haunting rural America both real and imagined, observed from railyards and roadsides, evokes the world of myth ("I'd spent my childhood / in a house made of bees; on hot days honey // dripped through cracks in the ceiling," she writes). Yet these capacious, exquisitely tensioned poems are rooted in Greenberg's experiences hitchhiking and hopping freight trains across North America, or draw from her informal interviews with contemporary nomads, hobos, and others living on society's edges. Beneath their surface runs a current of violence, whether at the hands of fate or men: she writes "Everyone knows // what happens to women // who hitchhike, constantly // trying a door to the other world made of lake / bottom or low forest, abandoned house // even wild animals / have rejected." The result is a queering of On the Road, a feminist Frank Stanford at once vulnerable and canny. Richly textured, In the Volcano's Mouth is an extraordinary

portrait of life on the enchanted margins.

It's Hard to Be a Verb! Activity and Idea Book *National Center for Youth Issues*

A supplementary teacher's guide to accompany the author's It's hard to be a verb!

I Just Don't Like the Sound of No! *Boys Town Press*

'NO' is RJ's least favorite word . . . and he tries his best to convince his dad, his mom, and his teacher to turn "No" into "Maybe" or "We'll see" or "Later" or "I'll think about it." Author Julia Cook helps K-6 readers laugh and learn along with RJ as he understands the benefits of demonstrating the social skills of accepting "No" for an answer and disagreeing appropriately. Tips for parents and educators on how to teach and encourage kids to use these skills are included in the book. I Just Don't Like the Sound of NO! is another in the BEST ME I Can Be! series of books from the Boys Town Press that teach children social skills.

I Have Ants in My Pants *National Center for Youth Issues*

Control your wiggles and be the BOSS of your ants. In I Have Ants in My Pants, Julia Cook helps normalize the feeling many kids have when they struggle to control their wiggles and provides strategies for improving impulse control. Some children just can't sit still no matter how hard they try. And Louis is no exception. He accidentally kicks his friend during story time. He can't stand still in the lunch line. And he wiggles in his seat at the movie theater. Everyone keeps telling him he has ants in his pants, but Louis doesn't see any ants! Louis' mom explains that this means he wiggles a lot, and she teaches him a special tool, the Wiggle Dance. Wiggle and jiggle. Jump up and down. Shake your hands and turn around. Take a deep breath. Scrunch up your nose. Wobble your knees and wiggle your toes. With a little practice and a few helpful tools, Louis learns that he can calm his wiggles and become the boss of the ants in his pants!

A Bad Case of Tattle Tongue Activity and Idea Book

Contains activities, discussion questions, and other exercises that teachers can use along with Julia Cook's illustrated story, "A Bad Case of Tattle Tongue," to teach students the differences between tattling and warning.

My Mouth Is a Volcano!

Making Friends Is an Art! *Boys Town Press*

If Brown can learn to use all of the friendship skills he learns from the others pencils, he will make friends. This first book in the Building Relationship series focuses on relationship-building skills for children. Included are tips for parents and teachers on how to help children who feel left out and have trouble making friends.

Foster Care

One Dog's Story of Change

In this heartfelt story from the bestselling author of My Mouth is a Volcano!, Foster meets new friends and a kind foster mom who help him navigate the fears and feelings associated with going into foster care. Foster has lived with his mom and "sometimes dad" all of his life...until now. And like so many others entering foster care, he has more questions than answers and so many new feelings to deal with. "I don't know what's going to happen to me. Will I end up being like Zeke? Will I have a new forever mom? Can I visit my mom once a week?" I have so much going on inside me right now. I feel angry, guilty, scared, hurt, and sad. But maybe the others are right. Maybe being here isn't so bad."

Written in an honest, approachable way, *Foster Care* will encourage children entering or already in foster care and help them understand they are not alone. Foster, Daisy, Zeke, Simpson, and Rex all have different circumstances which brought them to foster care. Together they talk through their stories and realize this is right where they need to be for now; under the caring watch of foster mom, Miss Beulah.

A Flicker of Hope *National Center for Youth Issues*

HOPE is our children's window for a better tomorrow. In terms of resilience and well-being, hope is a critically important predictor of success. This creative story from the best-selling author of *My Mouth is a Volcano!*, and *Bubble Gum Brain*, reminds children that dark clouds can be temporary and asking for help is always okay. We all have times when we need to borrow a little hope from someone else. When your clouds get too dark, and too heavy to push away, Reach out and ask, "Can I borrow some light?" "I'm having a really bad day." It's always okay to admit to yourself, "I just can't do it today." Everyone needs somebody sometimes, to help them find their way. Sometimes the dark clouds overhead seem too heavy and you feel like giving up. Little candle knows all about this. Bad grades, blasted on social media, worried about making the team, and wondering who her real friends are"šćš"so many hard things to deal with! All she can see is darkness. But her story begins to change when someone notices she needs a boost of hope. As little candle is reminded she has purpose and her own unique gifts, and that she isn't the only one with dark clouds, her dim light begins to shine brighter. This hopeful story emphasizes for children (and adults) the many different ways to ask for help, and their ability to be a hope builder for others, too.

The Worst Day of My Life Ever! *Boys Town Press*

With his mother's help, RJ learns that his problems happen because he doesn't listen or pay attention to directions from her, his school principal, teachers, or even his friends. Author Julia Cook's book shows RJ as well as all K-6 readers the steps to the fundamental social skills of listening and following instructions. When RJ learns to use these skills the right way, he has the best day of his life! This book is the first in the *BEST ME I Can Be!* series to teach children social skills that can make home life happier and school more successful. The book includes tips for parents and educators on how to effectively teach listening and following instructions skills to kids.

I Can't Believe You Said That!

My Story about Using My Social Filter...or Not! *Boys Town Press*

RJ's mouth is getting him into a lot of trouble. A rude comment at school earned him a detention. An insensitive remark at home earned him a scolding and made his sister cry. RJ doesn't realize his words are wrong. He thinks he's just offering feedback. It's time RJ starts using a social filter when he speaks. With help from his parents, he learns he doesn't have to verbalize every thought that pops into his head. In fact, sometimes the less said the better!

Say Something! *Scholastic Inc.*

From the creator of the New York Times bestseller *The Word Collector* comes an empowering story about finding your voice, and using it to make the world a better place. The world needs your voice. If you have a brilliant idea... say something! If you see an injustice... say something! In this empowering new picture book, beloved author Peter H. Reynolds explores the many ways that a single voice can make a difference. Each of us, each and every day, have the chance to say something: with our actions, our words, and our voices. Perfect for kid activists everywhere, this timely story reminds readers of the undeniable importance and power of their voice. There are so many ways to tell the world who you are... what you are thinking... and what you believe. And how you'll make it better. The time is now: SAY SOMETHING!

Be Where Your Feet Are! *National Center for Youth Issues*

From the bestselling author of *Bubble Gum Brain* and *My Mouth is a Volcano!*, comes a hilarious story about learning to be present wherever we are, and what can happen when we're not. These are my feet And this is me. Sometimes I'm not Where I'm supposed to be. My brain gets crowded. There's so much going on. I do three things at once, And get two of them wrong! "Be where your feet are", I hear people say. "Do one thing at a time. It's a much better way." Each day, there are many so things to think about. Getting ready for school, turning in homework, taking a math test, band solo tryouts, soccer practice, and it's a long way from your head to your feet. *Be Where Your Feet Are!* reinforces the concepts of mindfulness and being present and in a fun way children will remember, and shows what can happen when we learn to appreciate the world-and people-around us.

Wilma Jean the Worry Machine *National Center for Youth Issues*

"My stomach feels like it's tied up in a knot. My knees lock up, and my face feels hot. You know what I mean? I'm Wilma Jean,

The Worry Machine." Anxiety is a subjective sense of worry, apprehension, and/or fear. It is considered to be the number one health problem in America. Although quite common, anxiety disorders in children are often misdiagnosed and overlooked. Everyone feels fear, worry and apprehension from time to time, but when these feelings prevent a person from doing what he/she wants and/or needs to do, anxiety becomes a disability. This fun and humorous book addresses the problem of anxiety in a way that relates to children of all ages. It offers creative strategies for parents and teachers to use that can lessen the severity of anxiety. The goal of the book is to give children the tools needed to feel more in control of their anxiety. For those worries that are not in anyone's control (i.e. the weather) a worry hat is introduced. A fun read for Wilmas of all ages! Includes a note to parents and educators with tips on dealing with an anxious child.

Interrupting Chicken *Candlewick Press*

Volcanic Eruptions and Their Repose, Unrest, Precursors, and Timing *National Academies Press*

Volcanic eruptions are common, with more than 50 volcanic eruptions in the United States alone in the past 31 years. These eruptions can have devastating economic and social consequences, even at great distances from the volcano. Fortunately many eruptions are preceded by unrest that can be detected using ground, airborne, and spaceborne instruments. Data from these instruments, combined with basic understanding of how volcanoes work, form the basis for forecasting eruptions—where, when, how big, how long, and the consequences. Accurate forecasts of the likelihood and magnitude of an eruption in a specified timeframe are rooted in a scientific understanding of the processes that govern the storage, ascent, and eruption of magma. Yet our understanding of

volcanic systems is incomplete and biased by the limited number of volcanoes and eruption styles observed with advanced instrumentation. *Volcanic Eruptions and Their Repose, Unrest, Precursors, and Timing* identifies key science questions, research and observation priorities, and approaches for building a volcano science community capable of tackling them. This report presents goals for making major advances in volcano science.
