Fox, any of various members of the dog family resembling small to medium-sized bushy-tailed dogs with long fur, pointed ears, and a narrow snout. In a restricted sense, the name refers to the 10 or so species classified as 'true' foxes (genus *Vulpes*), especially the red, or common, fox (*V. vulpes*).

Apparently Fox would rather just kill off as many of us as humanly possible by making the pandemic worse than actually saving the restaurant industry, or they'd be hammering McConnell and the rest of his party for sitting on this legislation instead of pretending that just ignoring the pandemic, acting like it's business as usual while the emergency rooms and hospitals are overflowing is going to save them.
