On the Shortness of Life *Lulu.com*

On the Shortness of Life by Seneca *Createspace Independent Publishing Platform*

On the Shortness of Life is a moral essay written by Seneca the Younger in 49 AD, a Roman Stoic philosopher, to his father-in-law Paulinus. The philosopher brings up many Stoic principles on the nature of time, namely that men waste much of it in meaningless pursuits. According to the essay, nature gives man enough time to do what is really important and the individual must allot it properly. In general, time can be best used in the study of philosophy, according to Seneca.

The Daily Stoic

366 Meditations on Wisdom, Perseverance, and the Art of Living *Penguin*

From the team that brought you The Obstacle Is the Way and Ego Is the Enemy, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of

a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

On the Shortness of Life

De Brevitate Vitae: a New Translation *CreateSpace*

"Life is long if you know how to use it." From the author of Letters From A Stoic (Epistulae Morales), comes another brilliant, timeless guide to living well. Written as a moral essay to his friend Paulinus, Seneca's biting words still pack a powerful punch two thousand years later. With its brash rejection of materialism, conventional lifestyles and group-think, On The Shortness of Life is as relevant as ever. Seneca anticipates the modern world. It's a unique expose of how people get caught up in the rat race and how for those stuck in this mindset, enough is never enough. The 'busy' individuals of Rome Seneca makes reference to, those people who are too preoccupied with their careers and maintaining social relationships to fully examine the quality of their lives, sound a lot like ourselves. The message is simple: Life is long if you live it wisely. Don't waste time worrying about how you look. Don't be lazy. Don't over indulge in entertainment and vice. Everything in moderation. Seneca defends Nature and attacks the lazy. Materialism and a love of trivial knowledge are exposed as key time wasters, along with excess ambition, networking and worrying too much. In this new non-verbatim translation by Damian Stevenson, Seneca's essay comes alive for the modern reader. Seneca's formality of language has been preserved but the wording is more attuned to a contemporary ear. This is a rare treat for students of Stoicism and for anyone interested in seeking an answer to the eternal question, "How should I best use my time?" Includes biographical sketch Seneca The Stoic.

Breakfast with Seneca: A Stoic Guide to the Art of Living *W. W. Norton & Company*

The first clear and faithful guide to the timeless, practical teachings of the Stoic philosopher Seneca. Stoicism, the most influential philosophy of the Roman Empire, offers refreshingly modern ways to strengthen our inner character in the face of an unpredictable world. Widely recognized as the most talented and humane writer of the Stoic tradition, Seneca teaches us to live with freedom and purpose. His most enduring work, over a hundred “Letters from a Stoic” written to a close friend, explains how to handle adversity; overcome grief, anxiety, and anger; transform setbacks into opportunities for growth; and recognize the true nature of friendship. In Breakfast with Seneca, philosopher David Fideler mines Seneca’s classic works in a series of focused chapters, clearly explaining Seneca’s ideas without oversimplifying them. Best enjoyed as a daily ritual, like an energizing cup of coffee, Seneca’s wisdom provides us with a steady stream of time-tested advice about the human condition—which, as it turns out, hasn’t changed much over the past two thousand years.

Seneca - on the Shortness of Life

Adapted for the Contemporary Reader *Createspace Independent Publishing Platform*

De Brevitate Vitae (frequently referred to as On the Shortness of Life in English) is a moral essay written by Seneca the Younger, a Roman Stoic philosopher, to his father-in-law Paulinus. The philosopher brings up many Stoic principles on the nature of time, namely that men waste much of it in meaningless pursuits. According to the essay, nature gives man enough time to do what is really important and the individual must allot it properly. In general, time can be best used in the study of philosophy, according to Seneca. This essay has been carefully adapted into a contemporary form to allow for easy reading.

Three Stoic Classics

Meditations by Marcus Aurelius; The Shortness of Life by Seneca; Selected Discourses of Epictetus

"The happiness of your life depends upon the quality of your thoughts." — Marcus Aurelius "You have power over your mind - not outside events. Realize this, and you will find strength." — Marcus Aurelius "So it is: we are not given a short life but we are wasteful of it... Life is long if you know how to use it.— Seneca "We must indulge the mind and from time to time allow it the leisure which is its food and strength." — Seneca "Don't explain your philosophy. Embody it." — Epictetus "First say to yourself what you would be; and then do what you have to do." — Epictetus Three Stoic Classics contains three vital works introducing this life-changing philosophy. The Shortness of Life is a succinct call to the pursuit of philosophy, which leads to wise choices and the full life: "Of all men they alone are at leisure who take time for philosophy; they alone really live." Seneca offers piercing and profound insights into human nature, and a vision of the good life, summarised in his aphorism, "Life is long, if you know how to use it." Seneca elucidates many of the principles of modern productivity manuals, including the wise valuing of time: "People are frugal in guarding their personal property; but as soon as it comes to squandering time they are most wasteful of the one thing in which it is right to be stingy," intentionality, and rest and recreation: "We must go for walks out of doors, so that the mind can be strengthened and invigorated by a clear sky and plenty of fresh air. At times it will acquire fresh energy from a journey by carriage and a change of scene, or from socializing and drinking freely." Epictetus' Selected Discourses is a longer meditation on the sixty principles important to pursuing the Stoic Life. Beginning with the foundational principle: the difference in how we relate to the things under our control (our acts, thoughts, and desires) and those not under our control (our possessions, position, reputation), Epictetus's discourses cover topics including: How to maintain one's character in all circumstances, Friendship, Contentment, Anxiety, and On Dealing with Tyrants. Meditations is a life-changing book. It contains the private meditations of the most powerful man in the Roman world, the Emperor Marcus Aurelius, as he wrestled with the complexities of his life using the wisdom of Stoic Philosophy. Meditations is written in lucid, accessible language and, interestingly, we see that the problems and perplexities of this philosopher-King are much like ours. Marcus Aurelius was impressively able to live out his philosophical ideals-such as the importance of gratitude, mindfulness, simplicity and life-long learning, of seizing the day, and of remembering the shortness of life-while administering the Roman Empire. Stoic philosophy is, above all, practical. It uses reason and the careful observation of human life to address the problems of daily life. It is also universal-the emperor Marcus Aurelius and the freed slave Epictetus are both leading Stoic philosophers; indeed, Marcus Aurelius carefully studied the works of Epictetus. In recent years, Stoic philosophy has provided vital life lessons to people in all spheres of life. Indeed, modern Stoic thought "hold[s] fascinating promise for business and government leaders tackling global problems in a turbulent, post-recession slump," (Forbes). Three Stoic Classics is an indispensable guide to Stoic philosophy.

Seneca ... his book of the shortness of life

Dialogues and Letters *Penguin UK*

A major writer and a leading figure in the public life of Rome, Seneca (c. 48BC-AD 65) ranks among the most eloquent and influential masters of Latin prose. This selection explores his thoughts on philosophy and the trials of life. In the Consolation to Helvia he strives to offer solace to his mother, following his exile in AD 41, while On the Shortness of Life and On Tranquillity of Mind are lucid and compelling explorations of Stoic thought. Witty and self-critical, the Letters - written to his young friend Lucilius - explore Seneca's struggle to acquire philosophical wisdom. A fascinating insight into one of the greatest minds of Ancient Rome, these works inspired writers and thinkers including Montaigne, Rousseau, and Bacon, and continue to intrigue and enlighten.

Hardship and Happiness *University of Chicago Press*

Lucius Annaeus Seneca (4 BCE–65 CE) was a Roman Stoic philosopher, dramatist, statesman, and advisor to the emperor Nero, all during the Silver Age of Latin literature. The Complete Works of Lucius Annaeus Seneca is a fresh and compelling series of new English-language translations of his works in eight accessible volumes. Edited by Elizabeth Asmis, Shadi Bartsch, and Martha C. Nussbaum, this engaging collection helps restore Seneca—whose works have been highly praised by modern authors from Desiderius Erasmus to Ralph Waldo Emerson—to his rightful place among the classical writers most widely studied in the humanities. Hardship and Happiness collects a range of essays intended to instruct, from consolations—works that offer comfort to someone who has suffered a personal loss—to pieces on how to achieve happiness or tranquility in the face of a difficult world. Expertly translated, the essays will be read and used by undergraduate philosophy students and experienced scholars alike.

Dialogues and Essays *Oxford University Press*

Stoic philosopher and tutor to the young emperor Nero, Seneca wrote moral essays - exercises in practical philosophy - on how to live in a troubled world. Strikingly applicable today, his thoughts on happiness and other subjects are here combined in a clear, modern translation with an introduction on Seneca's life and philosophy.

Collection of Seneca

On the Shortness of Life & Letters from a Stoic (19th Century Classics Illustrated Edition)

"Seneca is a major philosophical figure of the Roman Imperial Period. As a Stoic philosopher writing in Latin, Seneca makes a lasting contribution to Stoicism. He occupies a central place in the literature on Stoicism at the time, and shapes the understanding of Stoic thought that later generations were to have. Seneca's philosophical works played a large role in the revival of Stoic ideas in the Renaissance. Until today, many readers approach Stoic philosophy through Seneca, rather than through the more fragmentary evidence that we have for earlier Stoics. Seneca's writings are stunningly diverse in their generic range. More than that, Seneca develops further and shapes several philosophical genres, most important, the letter and so-called "consolations"; his essay On Mercy is considered the first example of what came to be known as the "mirror of the prince" literature.This 19th century classics edition contains the major works of Seneca. Letters from a StoicOn the Shortness of LifeAfter several centuries of relative neglect, Seneca's philosophy has been rediscovered in the last few decades, in what might be called a second revival of Senecan thought. In part, this renewed interest is the result of a general reappraisal of Roman culture. It is also fuelled by major progress that has been made in our understanding of Greek Hellenistic philosophy, and by recent developments in contemporary ethics, such as a renewed interest in the theory of emotions, roles and relationships, and the fellowship of all human beings. And finally, some influential scholars have found, in the wake of Foucault's reading of Seneca, that Seneca speaks to some distinctively modern concerns."

On the Shortness of Life Illustrated by Seneca *Independently Published*

De Brevitate Vitae (English: On the Shortness of Life) is a moral essay written by Seneca the Younger, a Roman Stoic philosopher, sometime around the year 49 AD, to his father-in-law Paulinus. The philosopher brings up many Stoic principles on the nature of time, namely that people waste much of it in meaningless pursuits. According to the essay, nature gives people enough time to do what is really important and the individual must allot it properly. In general, time is best used by living in the present moment in pursuit of the intentional, purposeful life. Similar ideas can be found in Seneca's treatise De Otio (On Leisure) and discussion of these themes can often be found in his Letters to Lucilius In chapter 1 Seneca counters the complaint that life is too short with the view that life is long enough if well-managed. Chapters 2 to 9 survey the many ways in which life is squandered and time frittered away by those people (occupati) engrossed in pointless pursuits. Chapters 10 to 17 contrast the philosophical approach to leisure (otium) with the deluded common approach. This culminates in chapters 18 to 20 showing the emancipation of the wise, who can soar above the lives of others mired in endless preoccupation

The Stoic Philosophy of Seneca

Essays and Letters of Seneca *W. W. Norton & Company*

A selection of essays and letters by the 1st century Roman philosopher.

On the Happy Life *Lulu.com*

De Vita Beata or 'On the Happy Life' is a dialogue written by Seneca the Younger around the year 58 AD. It was intended for his older brother Gallio, to whom Seneca also dedicated his dialogue entitled De Ira ('On Anger'). It is divided into 28 chapters that present the moral thoughts of Seneca at their most mature. Seneca explains that the pursuit of happiness is the pursuit of reason - reason meant not only using logic, but also understanding the processes of nature. This new edition of De Vita Beata from Enhanced Media includes an introduction by William Smith.

Lucius Annaeus Seneca, the Philosopher, His Book of the Shortness of Life

Translated Into an English Poem

Think Like a Stoic

Ancient Wisdom for Today's World

Seneca

Fifty Letters of a Roman Stoic *University of Chicago Press*

A selection of Seneca's most significant letters that illuminate his philosophical and personal life. "There is only one course of action that can make you happy. . . . rejoice in what is yours. What is it that is yours? Yourself; the best part of you." In the year 62, citing health issues, the Roman philosopher Seneca withdrew from public service and devoted his time to writing. His letters from this period offer a window onto his experience as a landowner, a traveler, and a man coping with the onset of old age. They share his ideas on everything from the treatment of enslaved people to the perils of seafaring, and they provide lucid explanations for many key points of Stoic philosophy. This selection of fifty letters brings out the essentials of Seneca's thought, with much that speaks directly to the modern reader. Above all, they explore the inner life of the individual who proceeds through philosophical inquiry from a state of emotional turmoil to true friendship, self-determination, and personal excellence.

He brings up many stoic principles on the nature of time, mainly that people waste much of it in meaningless pursuits.The Morals of Seneca is a collection of writings in which Seneca examines what makes a happy life, the benefits of gratitude, and the effects of anger. His words remain timeless and relevant, though they were first written over 2000 years ago.

The H Factor of Personality

Why Some People are Manipulative, Self-Entitled, Materialistic, and Exploitive—And Why It Matters for Everyone *Wilfrid Laurier Univ. Press*

The “H” in the H factor stands for “Honesty-Humility,” one of the six basic dimensions of the human personality. People who have high levels of H are sincere and modest; people who have low levels are deceitful and pretentious. It isn’t intuitively obvious that traits of honesty and humility go hand in hand, and until very recently the H factor hadn’t been recognized as a basic dimension of personality. But scientific evidence shows that traits of honesty and humility form a unified group of personality traits, separate from those of the other five groups identified several decades ago. This book, written by the discoverers of the H factor, explores the scientific findings that show the importance of this personality dimension in various aspects of people’s lives: their approaches to money, power, and sex; their inclination to commit crimes or obey the law; their attitudes about society, politics, and religion; and their choice of friends and spouse. Finally, the book provides ways of identifying people who are low in the H factor, as well as advice on how to raise one’s own level of H.

Lucius Annæus Seneca, the Philosopher: His Book of the Shortness of Life. Translated Into an English Poem [by R.F., i.e. Sir Ralph Freeman] ... The Second Edition

Phaedra and Other Plays *Penguin UK*

Living in Rome under Caligula and later a tutor to Nero, Seneca witnessed the extremes of human behaviour. His shocking and bloodthirsty plays not only reflect a brutal period of history but also show how guilt, sorrow, anger and desire lead individuals to violence. The hero of Hercules Insane saves his own family from slaughter, only to commit further atrocities when he goes mad. The horrifying death of Astyanax is recounted in Trojan Women, and Phaedra deals with forbidden love. In Oedipus a nervous man discovers himself, while Thyestes recounts the bitter family struggle for a crown. Of uncertain authorship, Octavia dramatizes Nero's divorce from his wife and her deportation. The only Latin tragedies to have survived complete, these plays are masterpieces of vibrant, muscular language and psychological insight.

Seneca in English *Penguin Classics*

An anthology of verse versions of Seneca from the Middle Ages to the present day, with a special concentration on Elizabethan verse drama.

Dialogues *Lulu.com*

Seneca's Dialogues-as his epistolary essays have traditionally been known- capture the full range of the Roman thinker's philosophical interests, in particular Stoicism and his unique interpretation of it. Seneca's writings on subjects such as the shortness of life, anger, tranquility of mind, and consolations for grief on the loss of a loved one, are strikingly applicable to our modern world. The Complete Dialogues are collected here: On the Shortness of Life (De Brevitate Vitae), Of a Happy Life (De Vita Beata), Of Providence (De Providentia), On the Firmness of the Wise Man (De Constantia Sapientis), Of Anger (De Ira) Of Leisure (De Otio), Of Peace of Mind (De Tranquillitate Animi) and Of Clemency (De Clementia.)

Stoicism: A Practical Guide to the Select Works of Seneca *Lulu Press, Inc*

Lucius Annaeus Seneca is widely regarded as one of the most influential and inspirational moral writers within the Stoic tradition, or what many regard as the noble philosophy of pre-Christian Rome. Although the origins of Stoicism predate the works of Seneca by several centuries, it is his writings (along with those of Epictetus and Marcus Aurelius) that have made the virtue-centric doctrines of Stoicism as relevant today as they were when they were first written. In "Stoicism: A Practical Guide to the Select Works of Seneca", M. James Ziccardi presents in an easy to follow format the key passages and principal ideas that are put forward in six of Seneca’s most important works: "On the Shortness of Life", "On Anger", "On the Happy Life", "On Peace of Mind", "On Benefits", and "On Clemency". Portions of this book have been extracted from M. James Ziccardi’s "Roman Stoicism: Words to Live (and Die) By".

Courage Under Fire

Testing Epictetus's Doctrines in a Laboratory of Human Behavior *Hoover Press*

When physical disability from combat wounds brought about Jim Stockdale's early retirement from military life, he had the distinction of being the only three-star officer in the history of the navy to wear both aviator wings and the Congressional Medal of Honor. His writings have been many and varied, but all converge on the central theme of how man can rise with dignity to prevail in the face of adversity.

Letters from a Stoic: All Three Volumes

All Three Volumes *Lulu.com*

Like the 'Meditations' of Marcus Aurelius, Seneca's 'Letters' are a treasure of practical wisdom on how to live and enjoy life. The focus is on living a simple, stress-free life thorough the use of rationalism. The letters provide practical steps for people to deal with the human suffering that comes with life's problems. Topics featured range from discussions on the shortness of life and anger to immortality and death. The Letters are part of the foundation of Stoic thought making Seneca one of the indispensable thinkers from Ancient Roman philosophy.

On the Shortness of Life

Life Is Long If You Know How to Use It

Lucius Annaeus Seneca was a Roman Stoic philosopher, statesman, dramatists and sometime humorist. He was born in southern Spain over 2,000 years ago and educated in Rome. As the story goes, his life took a sharp turn in 41 A.D. once Claudius became the emperor as he exiled Seneca to

the island of Corsica on the premises of supposed adultery with Julia Livilla, the emperor's niece and Caligula's sister. Eight years later, Agrippina, mother of future emperor Nero and wife of Claudius secured permission for Seneca to return and for him to become her son's tutor and adviser. Nero later became one of the most notorious and tyrannical emperors in the history of the Roman Empire. Consequently, Seneca's wealth came largely while in service to Nero. Seneca's death, in 65 A.D., came by the orders of Nero himself (who thought Seneca was part of a plot against him)"On the Shortness of Life" is a moral essay written by Seneca in 49 AD. The philosopher brings up many Stoic principles on the nature of time, namely that men waste much of it in meaningless pursuits. According to the essay, nature gives man enough time to do what is really important and the individual must allot it properly. According to Seneca time can be best used in the study of philosophy.

On a Happy Life, On the Shortness of Life, and On Providence

(Annotated) *Independently Published*

De Vita Beata ("On the Happy Life") is a dialogue written by Seneca the Younger around the year 58 AD. It was intended for his older brother Gallio, to whom Seneca also dedicated his dialogue entitled De Ira ("On Anger"). It is divided into 28 chapters that present the moral thoughts of Seneca at their most mature. Seneca explains that the pursuit of happiness is the pursuit of reason - reason meant not only using logic, but also understanding the processes of nature. The dialogue has the full title ad Gallionem de Vita Beata ("To Gallio on the happy life"). It was probably written in early 58 or a little earlier. From incidental remarks made in the work, it is thought Seneca wrote it when he was in a position of power near the beginning of Nero's reign between 54 and 59. Furthermore, Tacitus tells us that Publius Suillius Rufus had made a series of public attacks concerning Seneca's wealth in 58, and De Vita Beata contains a defense of wealth which may be a response to this or similar criticisms made around this time. The work ends rather abruptly and is followed in the manuscripts by Seneca's De Otio which is missing its beginning. The earliest surviving manuscript is from the Codex Ambrosianus, a Milan Codex, from the 11th century and other copies are derived from this archetype. De Brevitate Vitae (English: On the Shortness of Life) is a moral essay written by Seneca the Younger, a Roman Stoic philosopher, sometime around the year 49 AD, to his father-in-law Paulinus. The philosopher brings up many Stoic principles on the nature of time, namely that people waste much of it in meaningless pursuits. According to the essay, nature gives people enough time to do what is really important and the individual must allot it properly. In general, time is best used by living in the present moment in pursuit of the intentional, purposeful life. Similar ideas can be found in Seneca's treatise De Otio (On Leisure) and discussion of these themes can often be found in his Letters to Lucilius (letter 49, 101, etc.). De Providentia (On Providence) is a short essay in the form of a dialogue in six brief sections, written by the Latin philosopher Seneca (died AD 65) in the last years of his life. He chose the dialogue form (as in the well-known Plato's works) to deal with the problem of the co-existence of the Stoic design of providence with the evil in the world-the so-called "problem of evil." The dialogue is opened by Lucilius complaining with his friend Seneca that adversities and misfortunes can happen to good men too. How can this fit with the goodness connected with the design of providence? Seneca answers according to the Stoic point of view. Nothing actually bad can happen to the good man (the wise man) because opposites don't mix. What looks like adversity is in fact a means by which the man exerts his virtues. As such, he can come out of the ordeal stronger than before. So, in perfect harmony with the Stoic philosophy, Seneca explains that the truly wise man can never surrender in the face of misfortunes but as he will always go through them and even if he should fall he will continue fighting on his knees ("si cecidit de genu pugnât"). The wise man understands destiny and its design, and therefore he has nothing to fear from the future. Neither does he hope for anything, because he already has everything he needs - his good behaviour. The conclusion is that actually nothing bad happens to good men. One just has to understand what bad means: bad for the wise man would be to have bad thoughts, to commit crimes, to desire money or fame. Whoever behaves wisely already has all the good possible.

Letters on Ethics

To Lucilius *University of Chicago Press*

The Roman statesman and philosopher Seneca (4 BCE–65 CE) recorded his moral philosophy and reflections on life as a highly original kind of correspondence. Letters on Ethics includes vivid descriptions of town and country life in Nero’s Italy, discussions of poetry and oratory, and philosophical training for Seneca’s friend Lucilius. This volume, the first complete English translation in nearly a century, makes the Letters more accessible than ever before. Written as much for a general audience as for Lucilius, these engaging letters offer advice on how to deal with everything from nosy neighbors to sickness, pain, and death. Seneca uses the informal format of the letter to present the central ideas of Stoicism, for centuries the most influential philosophical system in the Mediterranean world. His lively and at times humorous expositions have made the Letters his most popular work and an enduring classic. Including an introduction and explanatory notes by Margaret Graver and A. A. Long, this authoritative edition will captivate a new generation of readers.

Hardship and Happiness *University of Chicago Press*

Lucius Annaeus Seneca (4 BCE–65 CE) was a Roman Stoic philosopher, dramatist, statesman, and advisor to the emperor Nero, all during the Silver Age of Latin literature. The Complete Works of Lucius Annaeus Seneca is a fresh and compelling series of new English-language translations of his works in eight accessible volumes. Edited by Elizabeth Asmis, Shadi Bartsch, and Martha C. Nussbaum, this engaging collection helps restore Seneca—whose works have been highly praised by modern authors from Desiderius Erasmus to Ralph Waldo Emerson—to his rightful place among the classical writers most widely studied in the humanities. Hardship and Happiness collects a range of essays intended to instruct, from consolations—works that offer comfort to someone who has suffered a personal loss—to pieces on how to achieve happiness or tranquility in the face of a difficult world. Expertly translated, the essays will be read and used by undergraduate philosophy students and experienced scholars alike.
