Beyond the anarchical society - Edward Keene Paperback

... Edward Keene argues that the conventional idea of an 'anarchical society' of equal and independent sovereign states is an inadequate description of order in modern world politics. International political and legal order has always been dedicated to two distinct goals: to try to promote the toleration of different ways of life, while advocating the adoption of one specific way, that it labels ...

Description: Beyond the anarchical society

Beyond the Anarchical Society. Edward Keene argues that the popular idea of an ‘anarchical society’ of equal and independent sovereign states is an inadequate description of order in modern world politics. International political and legal order has always been dedicated to two distinct goals: it tries to promote the toleration of different ways of life, but at the same time it promotes one specific way of life that it labels ‘civilization’.

Beyond the Anarchical Society - Assets

Beyond anarchical society. Edward Keene. It is commonly argued that the international system is currently in a state of upheaval, as state sovereignty is challenged by a variety of forces. Keene's book questions this assumption, arguing that sovereignty has never existed globally in any case, and suggesting that it has applied only to Western states.
