U S A Secret Code

This year marks the 75th anniversary of a very famous secret code. It was developed for the U.S. military by members of the Navajo (NAH-vuh-hoh), a Native American tribe. Historians say the code—and the Navajo who created it—helped the U.S. win World War II.

A Secret Code - Scholastic

The United States Secret Service uses code names for U.S. presidents, first ladies, and other prominent persons and locations. The use of such names was originally for security purposes and dates to a time when sensitive electronic communications were not routinely encrypted; today, the names simply

serve for purposes of brevity, clarity, and tradition. The Secret Service does not choose these names, however. The White House Communications Agency maintains a list that candidates choose from, oft
