A Long Way Down Penguin

A wise, affecting novel from the beloved, award-winning author of Funny Girl, High Fidelity, and About A Boy. New York Times-bestselling author Nick Hornby mines the hearts and psyches of four lost souls who connect just when they've reached the end of the line. A Long Way Down is now a major motion picture from Magnolia Pictures starring Pierce Brosnan, Toni Collette, Aaron Paul, and Imogen Poots. Meet Martin, JJ, Jess, and Maureen. Four people who come together on New Year's Eve: a former TV talk show host, a musician, a teenage girl, and a mother. Three are British, one is American. They encounter one another on the roof of Topper's House, a London destination famous as the last stop for those ready to end their lives. In four distinct and riveting first-person voices, Nick Hornby tells a story of four individuals confronting the limits of choice, circumstance, and their own mortality. This is a tale of connections made and missed, punishing regrets, and the grace of second chances. Intense, hilarious, provocative, and moving, A Long Way Down is a novel about suicide that is, surprisingly, full of life.

Roman Kiepenheuer & Witsch

Komisch, rasant, mit schwarzem Humor – der neue Nick HornbyVier Menschen auf dem Dach eines Londoner Hochhauses, die sich an Silvester das Leben nehmen wollen, schließen einen Pakt: neuer gemeinsamer Selbstmord-Termin ist der Valentinstag. Es bleiben sechs Wochen, die gemeinsam überlebt werden müssen... Silvester, auf dem Dach eines Hochhauses: Pech, dass gleich vier Menschen auf die Idee gekommen sind, sich dort das Leben zu nehmen. Da man sich schlecht umbringen kann, wenn einem andere dabei zusehen, steigt die seltsame Gruppe erst mal vom Dach, um das Problem der jüngsten Kandidatin, die nicht weiß, warum ihr Freund sie verlassen hat, zu lösen. Nach und nach erzählen sie sich ihre Geschichten.Da ist die altjüngferliche Maureen, deren Sohn Matty schwerstbehindert ist und die diese Belastung allein tragen muss, da ist Martin, der berühmte Talkmaster, den nach einem Gefängnisaufenthalt niemand mehr auf dem Bildschirm sehen will, Jess, die aufmüpfige Tochter eines Politikers, ist so direkt, dass sie alle vor den Kopf stößt, und JJ, der von seinem besten Freund, dem Sänger seiner Band, im Stich gelassen wurde. Die vier verabreden, mit dem finalen Sprung bis zum Valentinstag zu warten – und so findet eine Gruppe von Menschen zueinander, die unterschiedlicher nicht sein könnten und die einander doch auf wundersame Weise zu helfen wissen. Hornby at his best – in diesem urkomischen, rasanten und mit schwarzem Humor gespickten Roman beweist Hornby wieder einmal seine ganze Meisterschaft. Leser, freut Euch!

Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents’ Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A Buzzfeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds’s electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he’s going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is missing. And the only one who could have fired Shawn’s gun was Shawn. Huh. Will didn’t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck’s in the elevator? Just as Will’s trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck’s cigarette. Will doesn’t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

How to be Good Penguin UK

How to be Good is Nick Hornby's hilarious bestselling novel on life, love and charity 'I am in a car park in Leeds when I tell my husband I don't want to be married to him any more. . . ' London GP Katie Carr always thought she was a good person. With her husband David making a living as 'The Angriest Man in Holloway', she figured she could put up with anything. Until, that is, David meets DJ Goodnews and becomes a good person too. A far-too-good person who starts committing crimes of charity like taking in the homeless and giving their kids' toys away. Suddenly Katie's feeling very bad about herself, and thinking that if charity begins at home, then maybe its time to move. . . This laugh-out-loud novel, from the bestselling author of About a Boy and High Fidelity, will have you gripped from start to finish and will appeal to fans of David Nicholls and Jonathan Coe, as well as readers in need of a moral compass everywhere. 'Pins you in your armchair ad won't let go . . . How to be Good? How to be bloody marvellous, more like' Mail on Sunday 'It does exactly what it says on the cover. State of the Union

A Marriage in Ten Parts Penguin

A heartbreaking, funny, and honest look inside of a marriage falling apart and the lengths a couple would go to in order to fix it from the bestselling author of About a Boy and High Fidelity Now an Emmy award winning SundanceTV series starring Rosamund Pike and Chris O'Dowd Tom and Louise meet in a pub before their couple's therapy appointment. Married for years, they thought they had a stable home life--until a recent incident pushed them to the brink. Going to therapy seemed like the perfect solution. But over drinks before their appointment, they begin to wonder: what if marriage is like a computer? What if you take it apart to see what's in there, but then you're left with a million pieces? Unfolding in the minutes before their weekly therapy sessions, the ten-chapter conversation that ensues is witty and moving, forcing them to look at their marriage--and, for the first time in a long time, at each other.

Funny Girl

A Novel Penguin

A brilliant novel from the bestselling author of High Fidelity, About a Boy, and A Long Way Down. Set in 1960's London, Funny Girl is a lively account of the adventures of the intrepid young Sophie Straw as she navigates her transformation from provincial ingénue to television starlet amid a constellation of delightful characters. Insightful and humorous, Nick Hornby's latest does what he does best: endears us to a cast of characters who are funny if flawed, and forces us to examine ourselves in the process.

A Long Way Down Penguin UK

Narrated in turns by a dowdy, middle-aged woman, a half-crazed adolescent, a disgraced breakfast TV presenter and an American rock star cum pizza delivery boy, A Long Way Down is the story of the Toppers House Four, aka Maureen, Jess, Martin and JJ. A low-rent crowd with absolutely nothing in common - save where they end up that New Year's Eve night. And what they do next, of course. Funny, sad, and wonderfully humane, Nick Hornby's new novel asks some of the big questions: about life and death, strangers and friendship, love and pain, and whether a slice of pizza can really see you through a long, dark night of the soul.

A Boy Made of Blocks

The most uplifting novel of 2017 St. Martin's Press

A Boy Made of Blocks is a funny, heartwarming story of family and love inspired by the author's own experiences with his son, the perfect latest obsession for fans of The Rosie Project, David Nicholls and Jojo Moyes. A father who rediscovers love Alex loves his wife Jody, but has forgotten how to show it. He loves his son Sam, but doesn't understand him. He needs a reason to grab his future with both hands. A son who shows him how to live Meet eight-year-old Sam: beautiful, surprising - and different. To him the world is a frightening mystery. But as his imagination comes to life, his family will be changed . . . for good. "One of those wonderful books that makes you laugh and cry at the same time." Good Housekeeping "Funny, expertly plotted and written with enormous heart. Readers who enjoyed The Rosie Project will love A Boy Made of Blocks - I did." Graeme Simsion "Very funny, incredibly poignant and full of insight. Awesome." Jenny Colgan "'A wonderful, warm, insightful novel about family, friendship and love." Daily Mail "A charming and timely tale of learning to connect in the digital age." Kirkus "This is an author who understands fatherhood and boyhood and everything in between. A truly beautiful book." Matthew Dicks, author of Memoirs of An Imaginary Friend "A Boy Made of Blocks will make you laugh and cry in equal measure; a book you won't soon forget." Brenda Janowitz, author of The Dinner Party

About a Boy Penguin UK

Nick Hornby's second bestselling novel is about sex, manliness and fatherhood. Will is thirty-six, comfortable and child-free. And he's discovered a brilliant new way of meeting women - through single-parent groups. Marcus is twelve and a little bitnerdish: he's got the kind of mother who made him listen to Joni Mitchell rather than Nirvana. Perhaps they can help each other out a little bit, and both can start to act their age.

Just Like You

A Novel Penguin

"[A] charming, funny, touching, and relevant comedy." —The Boston Globe "A provocative yet sweet romantic comedy." —People, Best of Fall 2020 This warm, wise, highly entertaining twenty-first century love story is about what happens when the person who makes you happiest is someone you never expected Lucy used to handle her adult romantic life according to the script she'd been handed. She met a guy just like herself: same age, same background, same hopes and dreams; they got married and started a family. Too bad he made her miserable. Now, two decades later, she's a nearly divorced, forty-one-year-old schoolteacher with two school-aged sons, and there is no script anymore. So when she meets Joseph, she isn't exactly looking for love—she's more in the market for a babysitter. Joseph is twenty-two, living at home with his mother, and working several jobs, including the butcher counter where he and Lucy meet. It's not a match anyone one could have predicted. He's of a different class, a different culture, and a different generation. But sometimes it turns out that the person who can make you happiest is the one you least expect, though it can take some maneuvering to see it through. Just Like You is a brilliantly observed, tender, but also brutally funny new novel that gets to the heart of what it means to fall surprisingly and headlong in love with the best possible person—someone you didn't see coming.

Fever Pitch Penguin UK

A famous account of growing up to be a fanatical football supporter. Told through a series of match reports, FEVER PITCH has enjoyed enormous critical and commercial success since it was first published in 1992. It has helped to create a new kind ofsports writing, and established Hornby as one of the finest writers of his generation.

An Education Penguin

From the New York Times bestselling author—the shooting script to his award-winning film, with an original Introduction and vivid stills from the movie. Jenny is a 16-year-old girl stifled by the tedium of adolescence; she can't wait for her sophisticated adult life to begin. One rainy day her suburban existence is upended by the arrival of David, a much older suitor who introduces her to a glittering new world of concerts, art, smoky bars, urban nightlife, and his glamorous friends, replacing her traditional education with his own version. It could be her awakening—or her undoing. This edition of Hornby's adapted screenplay, which includes stills from the film, is a perfect accompaniment to the highly anticipated movie, which stars Carey Mulligan as Jenny, Peter Sarsgaard, Emma Thompson, Dominic Cooper, and Alfred Molina. It is a must-have for fans of Hornby's novels, featuring his signature pitch-perfect dialogue, mordant wit, and the resonant humanity of his writing. Watch a Video

Juliet, Naked Penguin UK

Annie and Duncan are a mid-thirties couple who have reached a fork in the road, realising their shared interest in the reclusive musician Tucker Crowe (in Duncan's case, an obsession rather than an interest) is not enough to hold them together any more. When Annie hates Tucker's 'new release', a terrible demo of his most famous album, it's the last straw - Duncan cheats on her and she promptly throws him out. Via an internet discussion forum, Annie's harsh opinion reaches Tucker himself, who couldn't agree more. He and Annie start an unlikely correspondence which teaches them both something about moving on from years of wasted time. Nick Hornby's compelling new novel, four years after A Long Way Down, is about the nature of creativity and obsession, and how two lonely people can gradually find each other.

More Baths Less Talking

Notes from the Reading Life of a Celebrated Author Locked in Battle with Football, Family, and Time Itself McSweeney's

"Read what you enjoy, not what bores you," Nick Hornby tells us. That simple, liberating, and indispensable directive animates each installment of the celebrated critic and author's monthly column in the Believer. In this delightful and never-musty tour of his reading life, Hornby tells us not just what to read, but how to read. Whether tackling a dismayingly bulky biography of Dickens while his children destroy something in the next room, or getting

sucked into a serious assessment of Celine Dion during an intensely fought soccer match featuring his beloved Arsenal, or devouring an entire series of children's books while on vacation, Hornby's reviews are rich, witty, and occasionally madcap. These essays capture the joy and ire, the despair and exhilaration of the book-lover's life, and will appeal equally to both monocle-wearing salonnières and people, like him, who spend a lot of time thinking about Miley Cyrus's next role.

Songbook Penguin

"All I have to say about these songs is that I love them, and want to sing along to them, and force other people to listen to them, and get cross when these other people don't like them as much as I do." —Nick Hornby, from Songbook A wise and hilarious collection from the bestselling author of Just Like You, Funny Girl, About a Boy, and High Fidelity. Songs, songwriters, and why and how they get under our skin... Songbook is Nick Hornby's labor of love. A shrewd, funny, and completely unique collection of musings on pop music, why it's good, what makes us listen and love it, and the ways in which it attaches itself to our lives—all with the beat of a perfectly mastered mix tape.

Slam Viking

'There was this time when everything seemed to have come together. And so obviously it was time to go and screw it all up.' Sam is sixteen and a skater. Just so there are no terrible misunderstandings: skating = skateboarding. There's no ice. Life is ticking along nicely for Sam: his mum's got rid of her rubbish boyfriend, he's thinking about college and he's met someone. Alicia. Then a little accident happens. One with big consequences for someone just finding his way in life. Sam can't run (let alone skate) away from this one. He's a boy facing a man's problems and the question is - has he got what it takes to confront them?

High Fidelity Penguin

Now a Hulu TV series starring Zoë Kravitz From the bestselling author of Funny Girl, About a Boy, and A Long Way Down, a wise and hilarious novel about love, heartbreak, and rock and roll. Rob is a pop music junkie who runs his own semi-failing record store. His girlfriend, Laura, has just left him for the guy upstairs, and Rob is both miserable and relieved. After all, could he have spent his life with someone who has a bad record collection? Rob seeks refuge in the company of the offbeat clerks at his store, who endlessly review their top five films; top five Elvis Costello songs; top five episodes of Cheers. Rob tries dating a singer, but maybe it's just that he's always wanted to sleep with someone who has a record contract. Then he sees Laura again. And Rob begins to think that life with kids, marriage, barbecues, and soft rock CDs might not be so bad.

Gold

A Novel Simon and Schuster

Building on the tradition of Little Bee, Chris Cleave again writes with elegance, humor, and passion about friendship, marriage, parenthood, tragedy, and redemption. What would you sacrifice for the people you love? KATE AND ZOE met at nineteen when they both made the cut for the national training program in track cycling—a sport that demands intense focus, blinding exertion, and unwavering commitment. They are built to exploit the barest physical and psychological edge over equally skilled rivals, all of whom are fighting for the last one tenth of a second that separates triumph from despair. Now at thirty-two, the women are facing their last and biggest race: the 2012 Olympics. Each wants desperately to win gold, and each has more than a medal to lose. Kate is the more naturally gifted, but the demands of her life have a tendency to slow her down. Her eight-year-old daughter Sophie dreams of the Death Star and of battling alongside the Rebels as evil white blood cells ravage her personal galaxy—she is fighting a recurrence of the leukemia that nearly killed her three years ago. Sophie doesn't want to stand in the way of her mum's Olympic dreams, but each day the dark forces of the universe seem to be massing against her. Devoted and self-sacrificing Kate knows her daughter is fragile, but at the height of her last frenzied months of training, might she be blind to the most terrible prognosis? Intense, aloof Zoe has always hovered on the periphery of real human companionship, and her compulsive need to win at any cost has more than once threatened her friendship with Kate—and her own sanity. Will she allow her obsession, and the advantage she has over a harried, anguished mother, to sever the bond they have shared for more than a decade? Echoing the adrenaline-fueled rush of a race around the Velodrome track, Gold is a triumph of superbly paced, heart-in-throat storytelling. With great humanity and glorious prose, Chris Cleave examines the values that lie at the heart of our most intimate relationships, and the choices we make when lives are at stake and everything is on the line.

Slam Penguin

At the age of fifteen, Sam Jones's girlfriend Alicia gets pregnant and Sam's life of skateboarding and daydreaming about Tony Hawk changes drastically, so Sam turns to Hawk's autobiography for answers.

Not a Star and Otherwise Pandemonium

Stories A Penguin eSpecial from Riverhead Books Penguin

In these two stories from bestselling author Nick Hornby revelations are at hand. In "Not a Star", Lynn has always thought her son, Mark, was a little, well, unremarkable. Until the day a neighbor drops off a porn video at her house, with a note telling her to watch it. Turns out, Mark is rather remarkable in one specific area of his life (and anatomy). Lynn and her husband, Dave, don't quite know what to think. The revelation of their son's talent ripples through Lynn's life as she alternately encounters humor, horror, and unexpected emotional reactions. What do you do in the face of impending doom? In "Otherwise, Pandemonium," you lose your virginity with the hottest girl in the Little Berkeley Big Band... Here, the world is a

different place; the future is uncertain; the choices one makes are the only thing standing between a semblance of order or utter chaos. And the TV’s been acting funny. This is a story that makes you think and feel, and reminds us of the fleeting nature of time.

Speaking with the Angel *Penguin UK*

A dozen of the most successful and popular writers today including: Helen Fielding, Robert Harris, Patrick Marber, Zadie Smith, John O’Farrell, Roddy Doyle, Melissa Bank and Irvine Welsh have written 6000-word fictional monologues along the lines of Alan Bennet’s Talking Heads. And Colin Firth makes his début as a fiction writer. The result is a book of completely original stories that have heart, soul and wit. All the writers have given their work free, and Penguin is giving £1 per copy sold to the TreeHouse Trust, a charity which is setting up a unique school for autistic children

Imaginings Of Sand *Random House*

THE BOOK: A narrative counterpoint between two women, two South Africas. Kristien Muller returns from London to her homeland to fulfil a promise. Her grandmother lies on her deathbed unleashing a tumult of myth, legend and brute fact. Confronted by the realities of a land hurtling towards change, Kristien discovers that the present holds its own moments of savagery. A searing panorama of South Africa’s experience, reminiscent in its political & imaginative scope of Marquez’s One Hundred Years Of Solitude.

Come from Away *Simon and Schuster*

From the bestselling author of Tides of Honour and Promises to Keep comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker’s three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about “wolf packs” of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone’s throw from Grace’s window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. Come from Away is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

Economy and State *John Wiley & Sons*

Should governments be involved in economic affairs? Challenging prevailing wisdom about the benefits of self-regulating markets, Nina Bandelj and Elizabeth Sowers offer a uniquely sociological perspective to emphasize that states can never be divorced from economy. From defining property rights and regulating commodification of labor to setting corporate governance standards and international exchange rules, the state continuously manages the functioning of markets and influences economic outcomes for individuals, firms and nations. The authors bring together classical interventions and cutting-edge contemporary research in economic sociology to discuss six broad areas of economy/state connection: property, money, labor, firms, national economic growth, and global economic exchange. A wealth of empirical examples and illustrations reveals that even if the nature of state influence on economy varies across contexts, it is always dependent on social forces. This accessible and engaging book will be essential reading for upper-level students of economic sociology, and those interested in the major economic dilemmas of our times. .

India Today

Economy, Politics and Society *John Wiley & Sons*

Twenty years ago India was still generally thought of as an archetypal developing country, home to the largest number of poor people of any country in the world, and beset by problems of low economic growth, casteism and violent religious conflict. Now India is being feted as an economic power-house which might well become the second largest economy in the world before the middle of this century. Its democratic traditions, moreover, remain broadly intact. How and why has this historic transformation come about? And what are its implications for the people of India, for Indian society and politics? These are the big questions addressed in this book by three scholars who have lived and researched in different parts of India during the period of this great transformation. Each of the 13 chapters seeks to answer a particular question: When and why did India take off? How did a weak state promote audacious reform? Is government in India becoming more responsive (and to whom)? Does India have a civil society? Does caste still matter? Why is India threatened by a Maoist insurgency? In addressing these and other pressing questions, the authors take full account of

vibrant new scholarship that has emerged over the past decade or so, both from Indian writers and India specialists, and from social scientists who have studied India in a comparative context. India Today is a comprehensive and compelling text for students of South Asia, political economy, development and comparative politics as well as anyone interested in the future of the world’s largest democracy.

Deadly Bonds *Thomas & Mercer*

When a young mother is found murdered in a derelict Eugene neighborhood—and her terrified young son is discovered hiding beneath the floorboards—Detective Jackson reluctantly takes the case. His own life is already in chaos, with his runaway teenage daughter, Katie, still gone and his girlfriend, Kera, facing her own family crisis. Matters get more complicated when the orphaned boy bonds with Jackson, triggering unexpected emotions and compromising his ability to investigate. Meanwhile, Detective Evans, one of Jackson’s most valuable colleagues, is pulled off the case to look into the death of a University of Oregon football star—leaving the homicide task force shorthanded. As Jackson works to solve the murder and find a home for little Benjie, he soon faces devastating choices that threaten everything he holds dear.

Ten Years in the Tub *McSweeney’s*

“How often do you begin reading a book that makes you—immediately, urgently, desperately—want to read more books?” (Booklist). Nick Hornby has managed to write just such a book in this hilarious, insightful, and infectious volume. Ten Years in the Tub chronicles Hornby’s journey through a decade’s worth of books, as related in his wildly popular Believer column “Stuff I’ve Been Reading.” Ten Years in the Tub is a one-way ticket into the mind of one of the most beloved contemporary writers on his favorite pastime, but it’s also a meditation on what Celine Dion can teach us about ourselves, a warning about how John Updike can ruin our sex lives, and a recommendation for the way Body Shop Vanilla Shower Gel can add excitement to our days. This “decade-long addiction for many... makes standing in line at the bank a blessed interval for snorting another page.” (the New York Times Book Review)

The Negro Motorist Green Book

1940 Edition *Colchis Books*

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Taste

My Life Through Food *Simon and Schuster*

"From award-winning actor and food obsessive Stanley Tucci comes an intimate and charming memoir of life in and out of the kitchen"--

A Long Way Down *Penguin*

A wise, affecting novel from the beloved, award-winning author of Funny Girl, High Fidelity, and About A Boy. Nick Hornby mines the hearts and psyches of four lost souls who connect just when they’ve reached the end of the line. In four distinct and riveting first-person voices, Hornby tells a story of four individuals confronting the limits of choice, circumstance, and their own mortality. This is a tale of connections made and missed, punishing regrets, and the grace of second chances.

iGen

Why Today’s Super-Connected Kids Are Growing Up Less Rebellious, More Tolerant, Less Happy--and Completely Unprepared for Adulthood--and What That Means for the Rest of Us *Simon and Schuster*

As seen in Time, USA TODAY, The Atlantic, The Wall Street Journal, and on CBS This Morning, BBC, PBS, CNN, and NPR, iGen is crucial reading to understand how the children, teens, and young adults born in the mid-1990s and later are vastly different from their Millennial predecessors, and from any other generation. With generational divides wider than ever, parents, educators, and employers have an urgent need to understand today’s rising generation of teens and young adults. Born in the mid-1990s up to the mid-2000s, iGen is the first generation to spend their entire adolescence in the age of the smartphone. With social media and texting replacing other activities, iGen spends less time with their friends in person—perhaps contributing to their unprecedented levels of anxiety, depression, and loneliness. But technology is not the only thing that makes iGen distinct from every generation before them; they are also different in how they spend their time, how they behave, and in their attitudes toward religion, sexuality,

and politics. They socialize in completely new ways, reject once sacred social taboos, and want different things from their lives and careers. More than previous generations, they are obsessed with safety, focused on tolerance, and have no patience for inequality. With the first members of iGen just graduating from college, we all need to understand them: friends and family need to look out for them; businesses must figure out how to recruit them and sell to them; colleges and universities must know how to educate and guide them. And members of iGen also need to understand themselves as they communicate with their elders and explain their views to their older peers. Because where iGen goes, so goes our nation—and the world.

Intersubjectivity

The Fabric of Social Becoming SAGE

This clearly written and broad-ranging text introduces and explains the notion of intersubjectivity as a central concern of philosophy, sociology, psychology and politics. The main purpose of the book is to provide a coherent framework for this important concept against which the various and contrasting debates can be more clearly understood. Beyond this, Nick Crossley provides a critical discussion of intersubjectivity as an interdisciplinary concept to shed light on our understanding of selfhood, communication, citizenship, power and community. The author traces the contributions of many key thinkers engaged within the intersubjectivist tradition, including Husserl, Buber, Koj[gr]eve, Merleau-Ponty, Mead, Wittgenstein, Sc

The Crossover Houghton Mifflin Harcourt

Triple Platinum

FEVER PITCH, winner of the William Hill Sports Book of the Year Award, stands as the definitive statement on the obsessive nature of football fandom. ¿His triumph is that, without glossing over its large-scale stupidities and discomforts, he makes terrace life seem not just plausible but sometimes near-heroic in its single minded vehemence, its heart shaking highs and lows¿ Independent on Sunday HIGH FIDELITY hilariously and movingly explains men to women ¿ and to themselves. ¿It is rare that a book so hilarious is also so sharp about sex and manliness, memory and music. Many men ¿ and, certainly, all addictive personalities ¿ will find in these pages shadows of themselves. And most of us will hear, in Hornby¿s acoustic prose, the obsessive chords of the past that more often lock up than liberate our hearts¿ New Yorker ABOUT A BOY explores the connections people make when the so-called ideal family model does not apply. ¿An almost perfect book, hugely entertaining and on the side of the angels . . . About a Boy is laughter in the dark¿ The Times

The Wire

Truth Be Told Simon and Schuster

Welcome to the critically acclaimed HBO drama series The Wire, hailed as "the best show on television, period" by the San Francisco Chronicle. The New York Times calls it "a vital part of the television landscape...unvarnished realism." Time declares that The Wire, "like its underfunded, workaday cops, just plugged away until it outshone everything else on TV." The Wire stands not only as riveting drama but also as a sociopolitical treatise with ambitions beyond any television serial. The failure of the drug war, the betrayal of the working class, the bureaucratization of the culture and the cost to individual dignity -- such are the themes of the drama's first two seasons. And with every new episode of season three and beyond, another layer of modern urban life will be revealed. Gritty, densely layered, and realistic, The Wire is series television at its very best, told from the point of view of the Baltimore police, their targets, and many of those caught in the middle. Rafael Alvarez -- a reporter, essayist, and staff writer for the show -- brings the reader inside, detailing many of the real-life incidents and personalities that have inspired the show's storylines and characters, providing the reader with insights into the city of Baltimore -- itself an undeniable character in the series. Packed with photographs and featuring an introduction by series creator and executive producer David Simon, as well as essays by acclaimed authors George Pelecanos, Laura Lippman, and Anthony Walton, here is an invaluable resource for both fans of the show and viewers who have yet to discover The Wire. Hollywood has long used the cop drama to excite and entertain, and Hollywood has always dictated the terms. But The Wire is filmed entirely in Baltimore, conceived by Baltimoreans, and written by rust-belt journalists and novelists intimately familiar with the urban landscape. It's as close as television has yet come to allowing an American city to tell its own tale.

Moms Don't Have Time To

A Quarantine Anthology Skyhorse

JOIN AWARD-WINNING PODCASTER ZIBBY OWENS OF MOMS DON'T HAVE TIME TO READ BOOKS ON A JOURNEY FILLED WITH FOOD, EXERCISE, SEX, BOOKS, AND MORE. It's impossible to ignore how life has changed since COVID-19 spread across the world. People from all over quarantined and did their best to keep on going during the pandemic. Zibby Owens, host of the award-winning podcast MomsDon't Have Time to Read Books and a mother of four herself, wanted to do something to help people carry on and to give them something to focus on other than the horrors of their news feeds. So she launched an online magazine called We Found Time. Authors who had been on her podcast wrote original, brilliant essays for busy readers. Zibby organized these profound pieces into themes inspired by five things moms don't have time to do: eat, read, work out, breathe, and have sex. Now compiled as an anthology named Moms Don't Have Time To, these beautiful, original essays by dozens of bestselling and acclaimed authors speak to the ever-increasing demands on our time, especially during the quarantine, in a unique, literary way. Actress Evangeline Lilly writes about the importance and impact of film. Bestselling author Rene Denfeld focuses on her relationship with food after growing up homeless. Screenwriter and author Lea Carpenter and Suzanne Falter, author, speaker, and podcast host, focus on loss. New York Times bestselling authors Chris Bohjalian and Gretchen Rubin write about the importance of reading. Others write about working out, love and sex, eating and cooking, and more. Join Zibby on her journey through the winding road of quarantine and perhaps you, too, will find time.
