The Lives of Beryl Markham *W. W. Norton & Company*

A woman of captivating presence whose affairs scandalized Kenya, BerylMarkham became famous after her pioneering transatlantic solo flight in1936.

Promise the Night *Chronicle Books*

Immediately compelling and action-packed, this carefully researched work of historical fiction introduces young readers to the childhood of the famous yet elusive Beryl Markham, the first person to fly solo from England to North America. As in her debut novel, Prisoners in the Palace, MacColl propels readers into a multilayered story with an unforgettable heroine and evocative language that brings the backdrop of colonial British East Africa to life. A fascinating read for anyone with a thirst for adventure.

The Children of the Night

A Book of Poems

A Night of Ecstasy *Lulu.com*

Circling the Sun *Virago Press*

As a young girl, Beryl Markham was brought to Kenya from Britain by parents dreaming of a new life. For her mother, the

dream quickly turned sour, and she returned home; Beryl was brought up by her father, who switched between indulgence and heavy-handed authority, allowing her first to run wild on their farm, then incarcerating her in the classroom. The scourge of governesses and serial absconder from boarding school, by the age of sixteen Beryl had been catapulted into a disastrous marriage - but it was in facing up to this reality that she took charge of her own destiny. Scandalizing high society with her errant behaviour, she left her husband and became the first woman ever to hold a professional racehorse trainer's licence. After falling in with the notoriously hedonistic and gin-soaked Happy Valley set, Beryl soon became embroiled in a complex love triangle with the writer Karen Blixen and big game-hunter Denys Finch Hatton (immortalized in Blixen's memoir *Out of Africa*). It was this unhappy affair which set tragedy in motion, while awakening Beryl to her truest self, and to her fate: to fly.

West with the Night *Open Road Media*

The classic memoir of Africa, aviation, and adventure—the inspiration for Paula McLain's *Circling the Sun* and “a bloody wonderful book” (Ernest Hemingway). Beryl Markham's life story is a true epic. Not only did she set records and break barriers as a pilot, she shattered societal expectations, threw herself into torrid love affairs, survived desperate crash landings—and chronicled everything. A contemporary of Karen Blixen (better known as Isak Dinesen, the author of *Out of Africa*), Markham left an enduring memoir that soars with astounding candor and shimmering insights. A rebel from a young age, the British-born Markham was raised in Kenya's unforgiving farmlands. She

trained as a bush pilot at a time when most Africans had never seen a plane. In 1936, she accepted the ultimate challenge: to fly solo across the Atlantic Ocean from east to west, a feat that fellow female aviator Amelia Earhart had completed in reverse just a few years before. Markham's successes and her failures—and her deep, lifelong love of the “soul of Africa”—are all told here with wrenching honesty and agile wit. Hailed as “one of the greatest adventure books of all time” by *Newsweek* and “the sort of book that makes you think human beings can do anything” by the *New York Times*, *West with the Night* remains a powerful testament to one of the iconic lives of the twentieth century.

A Little Book of Western Verse

Straight On Till Morning

The Life Of Beryl Markham *Abacus*

Beryl Markham, like Karen Blixen, could only have come out of Africa. Pioneering aviatrix, flamboyant beauty, brilliant race-horse trainer, unscrupulous seducer - her life story is for every reader who was enthralled by Blixen's exotic world, that of Kenya between the wars. This fully authorised biography, drawn from the author's personal association with Beryl and her family, paints a vivid portrait of a tempestuous and controversial character. It tells of her friendship with Karen Blixen (though she commandeered Blixen's husband Bror and lover Denys Finch Hatton), of her spectacular courage when she became the first person to fly from England to America, and of the mysteries

surrounding her highly praised, bestselling book *WEST WITH THE NIGHT*.

Dirt

Mr. Media Books

During a chance night shift on the cops beat, newsroom assistant Madeleine Harrington stumbles on the corruption story of a lifetime – a plot that would reshape the entire city. She teams up with her dad, a downtrodden columnist at the paper, to unearth the mystery. The muckrakers find the plot goes deeper – and contains more skeletons among the city's powerbrokers – than they imagined.

The Perfume Thief

A Novel *Doubleday*

A LOS ANGELES TIMES TOP 10 BEST BOOK OF THE SUMMER A Gentleman in Moscow meets "Moulin Rouge" in this stylish, sexy page-turner set in Paris on the eve of World War II, where Clementine, a queer American ex-pat and notorious thief, is drawn out of retirement and into one last scam when the Nazis invade. "[A] superb novel . . . This is historical fiction at its finest, vivid and beautifully rendered."--EMILY ST JOHN MANDEL author of *The Glass Hotel* Clementine is a seventy-two year-old reformed con artist with a penchant for impeccably tailored suits. Her life of crime has led her from the uber-wealthy perfume junkies of belle époque Manhattan, to the scented butterflies of Costa Rica, to the spice markets of Marrakech, and finally the bordellos of Paris,

where she settles down in 1930 and opens a shop bottling her favorite extracts for the ladies of the cabarets. Now it's 1941 and Clem's favorite haunt, Madame Boulette's, is crawling with Nazis, while Clem's people--the outsiders, the artists, and the hustlers who used to call it home--are disappearing. Clem's first instinct is to go to ground--it's a frigid Paris winter and she's too old to put up a fight. But when the cabaret's prize songbird, Zoe St. Angel, recruits Clem to steal the recipe book of a now-missing famous Parisian perfumer, she can't say no. Her mark is Oskar Voss, a Francophile Nazi bureaucrat, who wants the book and Clem's expertise to himself. Hoping to buy the time and trust she needs to pull off her scheme, Clem settles on a novel strategy: Telling Voss the truth about the life and loves she came to Paris to escape. Complete with romance, espionage, champagne towers, and haute couture, this full-tilt sensory experience is a dazzling portrait of the underground resistance of twentieth-century Paris and a passionate love letter to the power of beauty and community in the face of insidious hate.

Aquarian *MM Books*

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttylea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

Half-Shell Prophecies *Ruthanne Reid*

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. Operation Katie Saves her Own Damn Self is officially on.

The Night Birds**A Novel** *Soho Press*

A "luminously written and harrowing" historical saga of three generations of German immigrants to the Midwest (Minneapolis Star Tribune). "Set in the 1860s and '70s, Maltman's superb debut evokes a Midwest lacerated by clashes between European and Native American, slaveowner and abolitionist, killer and healer, nature and culture. Asa Senger, a lonely 14-year-old boy, is at first wary when his father's sister, Hazel, arrives at his parents' Minnesota home after a long stay in a faraway asylum, but he comes to cherish the mysterious Hazel's warmth and company. Through her stories, Asa learns of his family's bitter past: the lore and dreams of their German forebears, their place in the bitter divide over slavery and, most complex of all, the bond between Hazel and the Dakotan warrior Wanikiya that deepens despite the violence between their peoples. Maltman excels at giving even his most harrowing scenes an understated

realism and at painting characters who are richly, sometimes disturbingly, human. The novel sustains its tension right to the moment it ends." —Publishers Weekly, starred review "We all set our sights on the Great American Novel . . . [Thomas Maltman] comes impressively close to laying his hands on the grail." —The Boston Globe

Ethan Frome *New York : C. Scribner*

Set in New England, a farmer struggles to survive a bare existence, tethered to his farm, first by his helpless parents and then by a hypochondriac wife. Yet, when his wife's alluring cousin comes to stay, his dreams are rekindled.

Flying U Ranch *The Floating Press*

Trailblazing female Western writer Bertha Muzzy Bower wrote a series of pulse-pounding novels about the grizzled vaqueros and cowpokes who populated the Flying U Ranch. This novel follows the crew as a territorial conflict emerges with a neighboring group of sheep ranchers. Fleshed out with meticulous details about the period and plenty of action, Flying U Ranch is a must-read for fans of the genre.

Spending the Night on the Pike

A Postcard History of Motels Along Us Highway 1 from Richmond to Petersburg 1920-1975 *Createspace Independent Pub*

"Staying here tonight. A beautiful motel as most of them are and there are so many." So wrote a traveler spending a night at a motel between Richmond and Petersburg, Virginia writing home on the motel's postcard in 1955. U.S. Highway 1, before the arrival of Interstate 95, was considered America's Main Street, the most heavily traveled highway on the east coast, running from the Canadian border in Maine to Key West, Florida. In 2010, Highway 1 was designated an Historic Highway. The stretch of highway between Richmond and Petersburg, long known locally as the Richmond-Petersburg Turnpike, or "Pike" for short, was an important stopover for tourists driving to and from Florida and the number, and variety, of travel accommodations attest to the Pike's popularity. Using over 160 postcards along with over 55 other images including some provided by the Virginia Department of Historic Resources and the Chesterfield County Historical Society, the book provides a history of motels, tourist courts, tourist camps, etc. that flourished along Historic Highway 1 from 1920 to 1975. But *Spending the Night on the Pike* is not a history of postcards. It is a history of what postcards tell us about travelers in the first half of the 20th century and of the evolution of the lodging that accommodated them. For many tourist courts and motels, postcards are the only record remaining of these once vibrant businesses and are the source of clues that help identify buildings that still remain but are hidden or disguised. For

those motels still operating, their postcards give us a glimpse of their former glory, when they were new and polished, before the arrival of the interstates that siphoned off the tourist business. And they tell of the time when motels were family-owned "Mom and Pop's" and proudly advertised that fact on their postcards. It is also a nostalgic look back for those who remember the time when road trips required driving through towns instead of around them and of a time that seems less complicated, less stressful, and less rushed. And for those who take the time to look, the motels, tourist courts, and tourist cabins still standing provide us a reminder of that earlier time.

To Stand in the Breach

The Lost Platoon Book One *Createspace Independent Publishing Platform*

In the steamy jungles of West Africa, a Marine Reconnaissance platoon races against time to save the lives of American citizens caught in a bloody civil war. One recon team arrives at a mission only to find they are too late. The missionaries had been burned to death while strung up crucifix style. Realizing that the rebels intend to kill all of the missionaries in the region, the Marines race through the jungle in an attempt to beat the rebels to another nearby mission before they can kill the missionaries there. The Marines arrive just in time to see the guerrillas enter the mission compound and begin killing mission workers. The recon team opens fire and the situation escalates. They successfully push the rebels back into the jungle. Gathering the mission workers, including the mission's doctor, Ellen McKenzie, they flee into the jungle. While on the run, the hospital corpsman, Sean Austin, finds himself struggling with his feelings for the young missionary doctor. Traveling day and night they arrive at the platoon's harbor site. While waiting for helicopters to evacuate the Americans to a waiting ship, the group stumbles

onto a large underground crypt left by an ancient civilization. A tropical hurricane forces the Americans to take shelter within the crypt; they discover it is actually a portal to another world. Transported to the middle of a lopsided battle, the group is forced to choose sides and fight against a huge medieval army. Once the great battle is over, the reality of this new world leaves the sojourners from earth conflicted and searching for answers about reality, God, and eternity. Sean is particularly conflicted about his life as a prodigal and his attraction to Dr. McKenzie. Into the Breach is a war of ideals, a war between living a good life and living an obedient life. Liam Morgan takes the reader through adventure after adventure while unraveling our calling, not to be right, but to be obedient.

Quicklet on West with the Night by Beryl Markham
(CliffNotes-like Summary) *Hyperink Inc*

ABOUT THE BOOK I've always been interested in women in history, particularly those of the 20th century. Somehow, though, I had never heard of Beryl Markham until I came across her book, "West With the Night," about a year or so ago. The cover's

engaging portrait of Markham, looking patrician and quite beautiful in her aviator helmet, immediately drew my attention. As I began to read the account of her life, I was quickly hooked by her fascinating description of life in British East Africa (today known as Kenya) in the early 1900s: Imagine taking off in a two-seater plane and narrowly avoiding a zebra. My impression was confirmed the more I read: Markham was clearly a woman who lived in a completely different world than I do in 21st century America: She bred championship racehorses. She flew planes into remote parts of Africa. And she managed to write about it without a hint of boasting. Her writing is simple and honest. No less a writer than Ernest Hemingway, a friend of Markham's, praised the book as "bloody wonderful" in a letter to Maxwell Perkins, as cited on the back cover of the 1983 edition of *West with the Night*). Markham's account showed me that life is meant to be lived to the full. Taking risks and trying new things is what gives life its savor. Telling other's about one's adventures allows them to savor them too. MEET THE AUTHOR Laura Brestovansky has more than 20 years of writing/editing/proofreading experience, including blogs, e-books, articles, brochures, press releases and more. Currently, she is also the public relations liaison for Caregivers Professional Resources (www.cprmich.com), whose duties include writing the CPR Airway blog. She has written on a number of topics, including health care, home improvement, travel, religion and social issues. She graduated with honors from Eastern Michigan University, majoring in journalism and political science. When she's not on the computer (whether writing, editing or surfing), she's spending time with her husband and three children, possibly biking or hiking with them or watching a

classic movie. EXCERPT FROM THE BOOK *West With the Night* is Beryl Markham's memoir of her life in British East Africa (Kenya). She was a racehorse breeder, bush pilot and the first woman to fly across the Atlantic from east to west. The book begins with Markham's review of an old flight logbook, which sets the scene for the entire book -- British East Africa in the 1930s. Once setting the scene she recounts her journey to deliver oxygen to a sick minor: "-- a job to be done at an uncomfortable hour with sleep in my eyes and a half a grumble on my lips." While the flight itself is routine, Markham flies with the knowledge that a friend and fellow pilot is missing in the Serengeti.
