12 E-Commerce Strategies To Grow Your Business This

Year

The e-Business concept should be based, in part, on goals such as "become a major car seller, bank, or other commercial enterprise", and "to become a competitor to some of the well-known firms in each of these industries." Objectives are more specific and measurable, such as "capture 10% of the market", or "have \$100 million in revenues in five years."

The e-Business Model - Prudens

On the above idea, we explore the theoretical foundations of value creation in e-business, Electronic Business, commonly referred to as "eBusiness" or "e-Business", may be defined as the utilization of

information and communication technologies (ICT) in support of all the activities of business. Commerce constitutes the exchange of products and services between businesses, groups and individuals and hence can be seen as one of the essential activities of any business.
