Designing Cultural Immersion Initiatives. When it comes to cultural immersion, there are many misconceptions. Perhaps the most common is that it is prohibitively expensive to engage in cultural immersion because it requires taking employees to other countries to expose them to people of different cultures or backgrounds.

Experiential Learning Through Cultural Immersion

As part of the project,

each of you will select a culture different from your own and participate in at least three distinct cultural immersion experiences/observations within that culture. The idea is to gradually immerse into the different culture over the course of the term.

Final Project: Cultural Immersion - Homework For You

This also applies to your cultural background. For example, if you are a White student from an Irish background, you cannot do your immersion project on the Irish culture since you will already be exploring the Irish culture as part of your cultural family background paper. No "double-dipping." The culture you select must

by new for you.
