Critical Critters. Ceri Levy and Ralph Steadman set sail once more aboard the HMS Steadmanitania but this time their intention is not to study extinct or endangered birds, This time they turn their gaze on endangered animals of all species whose existence is treated by

man's voracious expansion into all corners of the globe.

Critical Critters by Ralph Steadman | WHSmith

Created using the dirty water technique, Critical Critters considers the plight of animals the world over, facing extinction due largely to man's interference in their habitats, flesh and fur. The dirty water technique has been pioneered by Ralph and involves him pouring the dirty water he rinses his paint brushes in (the older and smellier the better) onto a waiting piece of paper.
