Majipoor Chronicles Lord Valentine 2

Classified as the
 second volume in the
 Lord Valentine series,
 this work really is a
 step back from the
 rather thrilling
 adventures of the
 opening novel, Lord
 Valentine's Castle
 since it does not
 presume to advance

that story to any
 significant degree.
 With the high fantasy
 genre, one of the
 writer's main tasks is
 rather (or not so)
 humbly referred to as
 'world building'.

Majipoor series - Wikipedia

This is the sequel to the majestic Lord Valentine's Castle, which was a long, meandering but fascinating story of a young man regaining his destiny. Majipoor Chronicles is a series of short stories giving us a glimpse of the long history of the planet, including a snapshot of how humans conquered the indigenous species, the Piurivar, who are shapeshifters.

Majipoor Chronicles was written by Robert Silverberg and originally published in 1982 by Arbor House. When Hissune, Lord Valentine's successor-designate and a clerk

in the House of Records, is assigned to organizing the archives of the tax-collectors, he is disheartened to say the least. No one will ever have need of his findings, his useless busywork.

Lord Valentine's Castle was written by Robert Silverberg and originally published in 1980 by Harper& Row. He is a man with no past—a wanderer without memory of his origins. He calls himself Valentine. As a member of a motley group of entertainers, he travels across the magical planet of Majipoor, always hoping he will meet someone who can give him back what he has lost.

The second book is necessary to move the tale of Majipoor and the characters along on this tale. It especially brings Hissun into sharp focus and what Lord Valentine saw in the

ten year old he met in the Labyrinth. More on the political intrigues that propel the tale to a climax, alien and human plans and schemes abound.

The conceit of Silverberg's second Majipoor novel, Majipoor Chronicles (1982), is that Hissune, the street boy who first recognized Valentine, has been working for four years in the vast bureaucratic Labyrinth doing things like preparing "an inventory of the archives of the tax-collectors" when, itching to experience new places and people, he bluffs his way into the Register of Souls,

which stores millions of memory-readings made by millions of Majipoorans from millions of places and times.

In some of the earliest Majipoor tales, only certain natural harbor towns held any significant settlement,

though by the time of Lord Valentine many parts are densely populated indeed. Zimroel is larger than Alhanroel, and Lord Valentine's journey across the continent took many months.
