Exceptionalism and the Politics of Counter-Terrorism ...

Exceptionalism is not only a pressing political concern, but raises more profound politico-philosophical questions. It is not derivative of the problem of freedom, but primary to it, and indeed primary to politics itself. Hobbes and Kant engage precisely with what is at stake in these current political concerns.

Exceptionalism and the Politics of Counter-Terrorism

According to Jef Huysmans (2006), exceptionalism reshapes political communities in three respects: it redistributes fear and trust, it reconsiders inclusion and exclusion and it institutes a predisposition towards violence. 6 Although fear of crime has been an important topos of criminological research, debates about state crimes and moral panics often ignore the ways in which exceptional policies revolving around fear feed back into society.

American Political Culture. American exceptionalism is the idea that the United States differs from the rest of the world. According to this view, the lessons learned by other nations do not necessarily apply to the United States because the United States is exceptional and different. Americans have believed they are different from other peoples in the world because of the following concepts:

American Political Culture: American Exceptionalism ...

American exceptionalism is a European-born critique of the United States of America that the country sees its history as inherently different from that of other nations, stemming from its emergence from the American Revolution, becoming what the political scientist Seymour Martin Lipset called "the first new nation" and developing a uniquely American ideology, "Americanism", based on liberty, equality before the law, individual responsibility, republicanism, representative democracy, and ...
