True Allegiance eBook: Shapiro, Ben: Amazon.co.uk: Kindle ...

Championing conservative causes may be Ben Shapiro's calling, but writing fiction isn't. True Allegiance is Shapiro's ham-fisted attempt at an action-packed political thriller. It may have heroes and villains duking it out for the sanctity of the country, but it meanders through five interconnected stories plagued by two-dimensional characters, bizarre conspiracy theories of current political groups, and tons of misguided or ambiguous allegories meant to represent his distorted worldviews.

It's definitely all of those things, but that's not why True Allegiance is so bad. The novel reads like it was penned by a teenager posting chapters on their WordPress blog in the early 2000s, right down to references to Baby One More Time and Saddam Hussein's secret stash of nuclear weapons. Ben Shapiro's writing is atrocious.

Reviewing Ben Shapiro's Garbage Novel - YouTube

Book Review: *True Allegiance* by Ben Shapiro. Hello, my name is Kent, and I have a weak spot for action books. For many years my father-in-law and I have traded books back and forth that contain pages full of covert military operations, bullet dodging heroes traveling the world to halt a terrorist plot in the nick of time and/or a retired band of military brothers coming together to prevent a catastrophe on U.S. soil.
