A Book of Dreams *Peter Reich*

A Book of Dreams - The Book That Inspired Kate Bush's Hit Song 'Cloudbusting' *Kings Road Publishing*

"'Cloudbusting'...was inspired by a book that I first found on a shelf... It was just calling me from the shelf, and when I read it I was very moved by the magic of it. It's about a special relationship between a young son and his father. The book was written from a child's point of view. His father is everything to him; he is the magic in his life, and he teaches him everything, teaching him to be open-minded and not to build up barriers' - Kate Bush This famous book, the inspiration behind Kate Bush's 1985 hit song 'Cloudbusting', is the extraordinary account of life as friend, confidant and child of the brilliant but persecuted Austrian psychoanalyst Wilhelm Reich. Peter, his son, shared with his father the revolutionary concept of a world where dream and reality are virtually indistinguishable, and the sense of mission which set him and his followers apart from the rest of the human race. Here, Peter Reich writes vividly and movingly of the mysterious experiences he shared with his father: of flying saucers; the 'cloudbuster' rain-makers and the FDA narks; and of the final tragic realization of his father's death, which woke him up to the necessity of living out his life in an alien world. Already regarded as a modern classic, A Book of Dreams is not only a beautifully written narrative of a remarkable friendship and collaboration, but a loving son's heartfelt tribute to a

loving father. WITH A NEW PREFACE BY THE AUTHOR

The Book of Dreams *Hachette UK*

Kirth Gersen carries in his pocket a slip of paper with a list of five names written upon it - the names of five Demon Princes. The Demon Princes are a race of beings who disguise themselves as humans and delight in power and destruction. However, to Kirth they are merely murderers who killed his family and destroyed his home planet - and who deserve to die for those misdeeds. Three have already fallen at Kirth's hands, but there are two more names on the list.

The Book of Dreams

A Novel *Ballantine Books*

Warm, wise, and magical—the latest novel by the bestselling author of *THE LITTLE PARIS BOOKSHOP* and *THE LITTLE FRENCH BISTRO* is an astonishing exploration of the thresholds between life and death. Henri Skinner is a hardened ex-war reporter on the run from his past. On his way to see his son, Sam, for the first time in years, Henri steps into the road without looking and collides with oncoming traffic. He is rushed to a nearby hospital where he floats, comatose, between dreams, reliving the fairytales of his childhood and the secrets that made him run away in the first place. After the accident, Sam—a thirteen-year old synesthete with an IQ of 144 and an appetite for science fiction—waits by his father's bedside every day. There he meets Eddie Tomlin, a woman forced to confront her love for Henri after all these years, and twelve-year old Madelyn Zeidler, a coma patient like Henri and the sole survivor of a traffic accident that

killed her family. As these four very different individuals fight—for hope, for patience, for life—they are bound together inextricably, facing the ravages of loss and first love side by side. A revelatory, urgently human story that examines what we consider serious and painful alongside light and whimsy, *THE BOOK OF DREAMS* is a tender meditation on memory, liminality, and empathy, asking with grace and gravitas what we will truly find meaningful in our lives once we are gone.

The Book of Dreams and Ghosts

ReadHowYouWant.com

'the Book of Dreams and Ghosts' is an entertaining horror fiction composed of short stories. The narrations play with reader's psychology and drag it to illusions and hallucinations. The author has used a simple plot which is narrated in the plain language. The stories have unnerving twists and turns and seem realistic as different narrators tell their true dreams. Spine chilling!

You've Got a Book in You

A Stress-Free Guide to Writing the

Book of Your Dreams *Penguin*

Writing a book is fun and easy--yes, FUN AND EASY--but it may not always feel that way. How do you find the time to write? How do you keep momentum? How do you deal with the horror of showing anyone a single sentence of your work-in-progress? The answers remain fun and easy, and author Elizabeth Sims will take your hand, dispel your worries, and show you how it's done in this stress-free guide to accomplishing your dream of writing your book. In *You've Got a Book in You*, Elizabeth is that encouraging voice guiding you through the entire process, from finding the right time and place to gathering all of your creative tools to diving right in and getting it done--page by page, step by step. It's easier than you think, and it all starts right here, right now. "This guide is witty, warm, and wise--and wonderfully down-to-earth as well. Elizabeth Sims doesn't just tell you that you've got a book in you, she shows you how to pour it out using your own creative spirit, common sense, and persistence." ~Lori L. Lake, author of *The Gun Series* and *The Public Eye Mystery Series* "If you're searching for the spark of inspiration to get started writing a book, and the nourishment to sustain you to THE END, Elizabeth Sims's *You've Got a Book in You* will show you how to find it in yourself." ~Hallie Ephron, award-winning author of *There Was an Old Woman* "You won't find an easier-to-follow or more inspirational writing guide." ~L.J. Sellers, author of the bestselling Jackson mysteries "By focusing the high beams of her intelligence (and humor!) on the twisty trail of book-writing, in *You've Got a Book in You*, Elizabeth Sims proves herself a true writer's friend. As she guides you from the creation of a

"working title" through her (brilliant!) "Making-It-Better Process," this well-established pro plays her most impressive cards--stacking the deck in favor of YOU!" ~Jamie Morris, Director, Woodstream Writers "Elizabeth Sims packs a twelve-week writing course into 280 pages. Inspirational and yet extremely hands-on, *You've Got a Book In You* will give newbies confidence to forge ahead and will remind veteran writers why they began writing in the first place--for the joy of it. I won't be surprised when the brilliant terms 'stormwriting' and 'heartbrain' become part of every writer's lexicon." ~Julie Compton, author of *Tell No Lies* and *Keep No Secrets* "The book is encouraging and inspiring, practical and witty. As a seasoned writer, I appreciate the reminders about the importance of putting yourself on a writing schedule. No more excuses. The many 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed the section, 'Writing with the Masters.' What better way to get inspired, get a feel for different styles, and get jump-started on your writing? Excellent advice that I plan to incorporate in my future classes. I concur with Sims that 'writer's block' is greatly exaggerated. Is there any other profession that claims such a phenomenon? 'Excuse, me, but I have 'book-keeping block,' 'playing music block,' or 'painting block' today? I don't think so. Get yourself on a schedule, read some Sims, write with the masters, and you'll be on your way. You'll be glad you met this friend on your journey to becoming a successful writer." ~Gesa Kirsch, Ph.D., Professor of English, Director of Valente Center for the Arts and Sciences, Bentley University

Dreams from My Father

A Story of Race and Inheritance

Crown

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama "guides us straight to the intersection of the most serious questions of identity, class, and race" (The Washington Post Book World). "Quite extraordinary."—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows

more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* "Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's *The Color of Water* and Gregory Howard Williams's *Life on the Color Line* as a tale of living astride America's racial categories."—Scott Turow "Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither."—The New York Times Book Review "Obama's writing is incisive yet forgiving. This is a book worth savoring."—Alex Kotlowitz, author of *There Are No Children Here* "One of the most powerful books of self-discovery I've ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel."—Charlayne Hunter-Gault, author of *In My Place* "Dreams from My Father is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white."—Marian Wright Edelman

My Education

A Book of Dreams *Penguin UK*

My Education is Burroughs's last novel, first published two years before his death in 1997. It is a book of dreams, collected over several decades and as close to a memoir as we will see. The dreams cover themes from the mundane and ordinary - conversations with his friends Allen Ginsberg or Ian Sommerville, feeding his cats, procuring drugs or sex - to the erotic, bizarre and visionary. Always a rich source of imagery in Burroughs's own fiction, in this book dreams become a direct and powerful force in themselves.

The Law of Dreams

A Novel *Steerforth*

The Law of Dreams tells the story of a young man's epic passage from innocence to experience during The Great Famine in Ireland of 1847. On his odyssey through Ireland and Britain, and across the Atlantic to "the Boston states," Fergus is initiated to violence, sexual heat, and the glories and dangers of the industrial revolution. Along the

way, he meets an unforgettable generation of boy soldiers, brigands, street toughs and charming, willful girls – all struggling for survival in the aftermath of natural catastrophe magnified by political callousness and brutal neglect. Peter Behrens transports the reader to another time and place for a deeply-moving and resonant experience. *The Law of Dreams* is gorgeously written in incandescent language that unleashes the sexual and psychological energies of a lost world while plunging the reader directly into a vein of history that haunts the ancestral memory of millions in a new millennium.

The Milk of Dreams *New York Review of Books*

In English for the first time, a wild and darkly funny book that combines Surrealist painter Leonora Carrington's fantastical writing and illustrations for children. The maverick surrealist Leonora Carrington was an extraordinary painter and storyteller who loved to make up stories and draw pictures for her children. She lived much of her life in Mexico, and her sons remember sitting in a big room whose walls were covered with images of wondrous creatures, towering mountains, and ferocious vegetation while she told fabulous and funny tales. That room was later whitewashed, but some of its wonders were preserved in the little notebook that Carrington called *The Milk of Dreams*. John, who has wings for ears, Humbert the Beautiful, an insufferable kid who befriends a crocodile and grows more insufferable yet, and the awesome Janzamajoria are all to be encountered in *The Milk of Dreams*, a book that is as unlikely, outrageous, and dreamy as dreams themselves.

Flight of Dreams *Anchor*

On the evening of May 3rd, 1937, ninety-seven people board the Hindenburg for its final, doomed flight. Among them are a frightened stewardess who is not what she seems; the steadfast navigator determined to win her heart; a naive cabin boy eager to earn a permanent position; an impetuous journalist who has been blacklisted in her native Germany; and an enigmatic American businessman with a score to settle.

A Book of Prose and Poems

This book is a collection of dreams and poems for the loss of an artist lost to us all too soon. All funds will go to a charity to fund Art For Debs Kids 501c. My friend volunteered as the teacher for primary age children and I seek to continue her dream that all children need art to be both tactile and teaching them the value of a leaf on the ground paper chains and

so on. I can't live in a world without art and no child should be left without the choice to finger paint or make paper houses with windows colored by tissue paper. All the world needs a little help now and then and we care about children having Art. Poetry and quiet left me at age seventeen when I left home to serve our country seeking to prove something I never could to someone who never cared. I have forty some years later once again found a quiet spirit who while scarred and broken never the less find great joy in awakening the young happy lad whom I once knew so well. Some have described me as a giant bear, others as a Marmaduke I guess they both live inside me seeking the murmur of a creek the touch of a tiny fern moss covered stones amid trees tall as buildings and so we go.....

Knife of Dreams

Book Eleven of 'The Wheel of Time' *Macmillan*

The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The Wheel of Time turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow. The dead are walking, men die impossible deaths, and it seems as though reality itself has become unstable: All are signs of the imminence of Tarmon Gai'don, the Last Battle, when Rand al'Thor, the Dragon Reborn, must confront the Dark One as

humanity's only hope. Unbeknownst to Rand, Perrin has made his own truce with the Seanchan. It is a deal made with the Dark One, in his eyes, but he will do whatever is needed to rescue his wife, Faile, and destroy the Shaido who captured her. Among the Shaido, Faile works to free herself while hiding a secret that might give her her freedom or cause her destruction. And at a town called Malden, the Two Rivers longbow will be matched against Shaido spears. Fleeing Ebou Dar through Seanchan-controlled Altara with the kidnapped Daughter of the Nine Moons, Mat attempts to court the woman to whom he is half-married, knowing that she will complete that ceremony eventually. But Tuon coolly leads him on a merry chase as he learns that even a gift can have deep significance among the Seanchan Blood and what he thinks he knows of women is not enough to save him. In Caemlyn, Elayne fights to gain the Lion Throne while trying to avert what seems a certain civil war should she win the crown... In the White Tower, Egwene struggles to undermine the sisters loyal to Elaida from within... The winds of time have become a storm, and things that everyone believes are fixed in place forever are changing before their eyes. Even the White Tower itself is no longer a place of safety. Now Rand, Perrin and Mat, Egwene and Elayne, Nynaeve and Lan, and even Loial, must ride those storm winds, or the Dark One will triumph. Her Dream of Dreams

The Rise and Triumph of Madam C. J. Walker *Vintage*

"I am a woman that came from the cotton fields of the South; I was promoted from there to the wash-tub; then I was promoted to the cook kitchen, and from there I promoted myself into the business of manufacturing hair goods and preparations." --Madam C. J. Walker, National Negro Business League Convention, 1912 Now, from a writer acclaimed for her novels and the memoir *Crossed Over*, a remarkable biography of a truly heroic figure. Madam C. J. Walker created a cosmetics empire and became known as the first female self-made millionaire in this nation's history, a noted philanthropist and champion of women's rights and economic freedom. These achievements seem nothing less than miraculous given that she was born, in 1867, to former slaves in a hamlet on the Mississippi River. How she came to live on another river, the Hudson, in a Westchester County mansion, and in a New York City town house, is at once inspirational and mysterious, because for all that is known about the famous entrepreneur, much that occurred before her magnificent

transformation—years that trace a circuitous route across the country—remains obscure. By breathing life into scattered clues and dry facts, and with a deep understanding of the times and places through which Madam Walker moved, Beverly Lowry tells a story that stretches from the antebellum South to the Harlem Renaissance and bridges nearly a century of our history in her search for the distant truths of a woman who defied all odds and redefined conventional expectations. "Wherever there was one colored person, whether it was a city, a town, or a puddle by the railroad tracks, everybody knew her name." --Violet Davis Reynolds, Stenographer, Madam C. J. Walker Co

Republic of Dreams

Greenwich Village: The American Bohemia, 1910-1960 *Simon and Schuster*

If the twentieth century was the American century, it can be argued that it was more specifically the New York century, and Greenwich Village was the incubator of every important writer, artist, and political movement of the period. From the century's first decade

through the era of beatniks and modern art in the 1950s and '60s, Greenwich Village was the destination for rebellious men and women who flocked there from all over the country to fulfill their artistic, political, and personal dreams. It has been called the most significant square mile in American cultural history, for it holds the story of the rise and fall of American socialism, women's suffrage, and the commercialization of the avant-garde. One Villager went so far as to say that "everything started in the Village except Prohibition," and in the 1940s, the young actress Lucille Ball said, "The Village is the greatest place in the world." What other community could claim a spectrum ranging from Henry James to Marlon Brando, from Marcel Duchamp to Bob Dylan, from Gertrude Vanderbilt Whitney to Abbie Hoffman? The story of the Village is, in large part, the stories old Villagers have told new Villagers about former Villagers, and to tell its story is in large part to tell its legends. Republic of Dreams presents the remarkable, outrageous, often interrelated biographies of the giants of American journalism, poetry, drama, radical politics, and art who flocked to the Village for nearly half a century, among them Eugene O'Neill, whose plays were first produced by the Provincetown Players on Macdougall Street, for whom Edna St. Vincent Millay also wrote; Jackson Pollock, who moved to the Village from Wyoming in 1930 and was soon part of the group of 8th Street painters who would revolutionize Western painting; E. E. Cummings, who lived for years on Patchin Place, as did Djuna Barnes; Max Eastman, who edited the groundbreaking literary and political journal *The Masses*, which introduced Freud to the American public and also published Sherwood Anderson, Amy

Lowell, Upton Sinclair, Maksim Gorky, and John Reed's reporting on the Russian Revolution. Republic of Dreams is beautifully researched, outspoken, wise, hip, exuberant, a monumental, definitive history that will endure for decades to come.
