Other signs of autism. You may also have other signs, like: not understanding social "rules", such as not talking over people; avoiding eye contact; getting too close to other people, or getting very upset if someone touches or gets too close to you; noticing small details, patterns, smells or sounds that others do not

Signs of autism in adults - NHS

This book has helped my daughter a lot , even though she is not stated that she has traits of the Autism spectrum and this book has taught her new ways of doing things when she gets like she going to explode. It has good pictures and easy to understand. Definite recommend this book even if you in the same situation as me.
