Aghora

At the Left Hand of God Rupa Publications India Pvt Limited

Aghora

At the Left Hand of God Brotherhood of Life Books

The Aghora trilogy have been embraced world-wide for their frankness in broaching subjects generally avoided and their facility for making the 'unseen' real. We enter the world of Vimalananda who teaches by story and living example.

Living with Reality

Wisdom from the Aghori Vimalananda

"More than four decades have passed since I met the Aghori Vimalananda, and it has been thirty-three years since I last heard him speak. Happily for me he permitted me to write down many of his musings so that I would have them to remind me of the wisdom that he embodied. And, thanks to his compassion for others, he instructed me to publish some of this material after he was gone, which I did in the three Aghora books, books that I continue to regularly read and that continue to offer me thought-provoking guidance at any step along my own path.An aghori is someone who plunges so deep into darkness that he emerges into light. Aghora is a spiritual path that because of its extreme heterodoxy has beenough I cannot myself claim to be an aghori, the example that he thus set has inspired my own sophomoric attempts to transmute into equanimity all that is both gratifying and grotesque in life, focusing on the subtle world while living in mundane reality, for Vimalananda always emphasized the importance of living with reality." Dr. Robert E. Svoboda Illustrated by Satya Moses

Aghora II

Kundalini Brotherhood of Life Books

Book 2 of the trilogy explores the kundalini, the force of forces. Tantra, mantra, the sacred fire, chakras and consciousness. Written in the personable form of Vimalananda's storytelling and recounting of life's episodes we are able to truly enter the invisible realms.

Tantra, Yoga of Ecstasy: the Sadhaka's Guide to Kundalinin and the Left-Hand Path Maithuna Publications

Tantra Unveiled

Seducing the Forces of Matter & Spirit Himalayan Institute Press

Describes authentic tantra, the different spiritual paths and how tantra combines yoga, meditation, ayurveda and other disciplines.

Aghorebhyo

At the Left Hand of Shiva

Rigveda - "Ekam Sat Vipra Bahudha Vadanti"(Truth is one but wise men know it as many. God is one but is approached through many paths.)Aghoris (esoteric practitioners) walk the left handed path of Lord Shiva. A path known for its powers and sacrifices, discipline and austerity, knowledge and insanity, is the least chosen and most dreaded form of faith.Aghorebhyo is the story of two cities, Ahmedabad and Kashi (Varanasi), India.Kabeer Kapoor, a resident of Ahmedabad, takes a pilgrimage to Kashi where his destiny brings him to an Aghori. The curious trait of millionaire Kabeer takes over and he protracts his stay in Kashi to decipher the gruesome and arduous practices of the Aghor cult. While Kabeer is contemplating various facets of beliefs and rituals of the cult, and their powers, a Tantric (sorcerer) with the same knowledge enters Ahmedabad carrying a devilish agenda.What happens when people from celebrities to college students, servants to mansion owners, and orphan to joint families fall prey to an efficacious tantric's heinous desires, just to accomplish their unfulfilled wishes? A fire can roast the food for you, and also can roast you. The Tantric aspect of Aghor is the same fire.

The Greatness of Saturn

A Therapeutic Myth Lotus Press (WI)

The telling of mythic stories has always been a powerful form of therapy, bringing healing to people facing adversity. The greatness of Saturn is such a therapeutic myth, told and retold through many centuries. Taken from the East Indian Vedic tradition, it honors the planet Saturn, who personifies time, limitations, loss, and all forms of adversity.

The Last Four Things Penguin

The epic story of Thomas Cale—introduced so memorably in The Left Hand of God—continues as the Redeemers use his prodigious gifts to further their sacred goal: the extinction of humankind and the end of the world... To the warrior-monks known as the Redeemers, “the last four things” represent the culmination of a faithful life. Death. Judgment. Heaven. Hell. The last four things represent eternal bliss—or endless destruction, permanent chaos, and infinite pain. Perhaps nowhere are the competing ideas of heaven and hell exhibited more clearly than in the dark and tormented soul of Thomas Cale. Betrayed by the girl he loves but still marked by a child’s innocence, possessed of a remarkable aptitude for violence but capable of extreme tenderness, Cale will lead the Redeemers into a battle for nothing less than the fate of the human race. And though his broken heart foretells the bloody trail he will leave in pursuit of a personal peace he can never achieve, a glimmer of hope remains—the question even Cale can’t answer: When it comes time to decide the fate of the world, to ensure the extermination of humankind or spare it, what will he choose? To express God’s will on the edge of his sword, or to forgive his fellow man—and himself?

Ayurveda

Life, Health and Longevity Penguin Books India

Ayurveda, The Universal Healing Art. More Than A Medical System. Developed From The Vedas, India’S Ancient Books Of Wisdom, Ayurveda Combines Physical, Psychological And Spiritual Therapies In An Approach To Health That Is As Relevant To The Modern World As It Was To The Ancient World When It First Became Part Of India’S Collective Consciousness. The Mystic Test Book of "The Hindu Occult Chambers"

The Magic and Occultism of India : Hindu and Egyptian Crystal Gazing : the Hindu Magic-mirror

Lords of the Left-Hand Path

Forbidden Practices and Spiritual Heresies *Simon and Schuster*

Examines the left-hand path and reveals the masters of the tradition • Explores the practices and beliefs of many left-hand path groups, including the Cult of Set, the Hell-Fire Club, and heretical Sufi, Zoroastrian, Christian, and Muslim sects • Investigates many infamous occult personalities, including Helena Blavatsky, Aleister Crowley, the Marquis de Sade, and Anton LaVey • Explains the true difference between the right-hand path and the left-hand path--union with and dependence on God versus individual freedom and self-empowerment From black magic and Satanism to Gnostic sects and Gurdjieff's Fourth Way, the left-hand path has been linked to many practices, cults, and individuals across the ages. Stephen Flowers, Ph.D., examines the methods, teachings, and historical role of the left-hand path, from its origins in Indian tantric philosophy to its underlying influence in current world affairs, and reveals which philosophers, magicians, and occult figures throughout history can truly be called "Lords of the Left-Hand Path." Flowers explains that while the right-hand path seeks union with and thus dependence on God, the left-hand path seeks a "higher law" based on knowledge and power. It is the way of self-empowerment and true freedom. Beginning with ancient Hindu and Buddhist sects and moving Westward, he examines many alleged left-hand path groups, including the Cult of Set, the Yezidi Devil Worshipers, the Assassins, the Neoplatonists, the Hell-Fire Club, the Bolsheviks, the occult Nazis, and several heretical Sufi, Zoroastrian, Christian, and Muslim sects. Following a carefully crafted definition of a true adherent of the left-hand path based on two main principles--self-deification and challenge to the conventions of "good" and "evil"-the author analyzes many famous and infamous personalities, including H. P. Blavatsky, Faust, the Marquis de Sade, Austin Osman Spare, Aleister Crowley, Gerald Gardner, Anton LaVey, and Michael Aquino, and reveals which occult masters were Lords of the Left-Hand Path. Flowers shows that the left-hand path is not inherently evil but part of our heritage and our deep-seated desire to be free, independent, and in control of our destinies.

The Hidden Secret of Ayurveda *Gardners Books*

An excellent introduction and overview of the profound, ancient Indian healing system known as Ayurveda.

Shiva And The Aghoris *BookMitra / Mark My Book LLP*

How many of us have the courage to address and follow the true spiritual calling from within and beyond. This is the story of Shiva as he embarks on a journey to become a part of the most feared and simultaneously revered cults - Aghori. Shiva was borne on auspicious day of Shivaratri in an orthodox Hindu family in Trivandrum. His family was follower of Lord Vishnu but since childhood Shiva's devotion was inclined towards Lord Shiva. Since childhood he was curious to gain knowledge on myths and tales of Lord Shiva. His queries were often greeted by his family with raised eyebrows and getting the warning to shush it down. His curious mindset towards this, created issues in his life but he just couldn't ignore the calling to become a true devotee of Lord Shiva. Sasindran Kallinkeel in his yet another fiction novel written in autobiographical style gives insights on the real life of Aghoris; their spiritual beliefs and practices. The journey of becoming an Aghori is the most demanding and cruel one. One does not simply attain the status of being qualified for even becoming a hermit in Kashi and in midst of that Shiva struggles and completes his calling of becoming an Aghori.

The Beating of His Wings *Penguin*

Following the bestselling novels The Left Hand of God and The Last Four Things comes the final installment of Paul Hoffman's stark, epic trilogy. Thomas Cale has been running from the truth.... Since discovering that his brutal military training has been for one purpose—to destroy God's greatest mistake, mankind itself—Cale has been hunted by the very man who made him into the Angel of Death: Pope Redeemer Bosco. Cale is a paradox: arrogant and innocent, generous and pitiless. Feared and revered by those who created him, he has already used his breathtaking talent for violence and destruction to bring down the most powerful civilization in the world. But Thomas Cale's soul is dying. As his body is racked with convulsions, he knows that the final judgment will not wait. As the day of reckoning draws close, Cale's sense of vengeance leads him back to the heart of darkness—the Sanctuary—and to confront the person he hates most in the world....

Personal Liberation

The Way of the Aghori

Personal Liberation: The Way of the Aghori is the first publication written by Krishnaqayaamat, a Western-born aghori. Krishnaqayaamat outlines a concise and very effective set of methods for the seeker of truth to liberate themselves from the fetters of the world and discover their true nature. The methods of teachings will be considered unorthodox to many but this is due to their straight-forward honesty and their embracing of the atavistic nature of the human animal. Personal Liberation: The Way of the Aghori may serve as a thorough foundation upon which the seeker of truth may set forth on their journey to genuine enlightenment.

Krishna's Heretic Lovers

The Story of Chandidas and Rami

Krishna's Heretic Lovers is an historical romance that blends fiction and fact, love and sex, action and spiritual teachings, politics, and true characters with the authentic poetry written by the revered poet, Chandidas, the "Father of Bengali poetry." The synthesis of these elements, together with rare insight into the practices of a genuine tantric sect, creates an unforgettable alchemy for readers.The book recounts the passionate story of Chandidas and Rami, 14th century Bengalis. He is a young Brahmin priest who renounces his caste status to become a heretical poet-musician wandering the byways of India with a small band of mystics and bards. She (Rami) is a beautiful 20 year-old widow, of low caste, living with her two children. To survive, she washes the clothes of local villagers. An overwhelming magnetism of love and fate compels them to come together against prevailing religious and social customs. Rami leaves all of her familiar world behind to travel, sing and praise the Divine along the dusty roads of Bengal. Vivid descriptions of cultural and natural environments along with richly detailed characters capture the religion, politics, and lifestyle of the late 14th /early 15th century of remote Bengali villages. The reader is transported into an era when Hindu, Buddhist and Muslim or Sufi sects blended on a daily basis; when the basic human freedom to create, love, and worship based on one's natural impulse had to be carved from the stone of rigid hierarchical, even feudal, societal and religious structures. The tale darkens when Rami is captured and enslaved by a cruel feudal lord. The lovers, separated by circumstances beyond their control must confront inexorable realities harsher than caste prejudice. Now, it is a matter of life and death. Their desperate wish to be reunited and their subsequent struggle is interwoven with the poetry of Chandidas and the rich oral tradition that surrounds his life. Ultimately, this is a story of passion, heartbreak, transformation, and commitment to a powerful vision. This historical novel should draw the attention of students of comparative religion or anyone fascinated with Eastern traditions, especially those yearning for a love story that includes spiritual teachings (dharma) and scholarship.

The Power of Tantra

Elucidation of eight tantric sadhanas.

Mindfulness in Plain English

20th Anniversary Edition *Simon and Schuster*

With over a quarter of a million copies sold, Mindfulness in Plain English is one of the most influential books in the burgeoning field of mindfulness and a timeless classic introduction to meditation. This is a book that people read, love, and share - a book that people talk about, write about, reflect on, and return to over and over again. Bhante Gunaratana is also the author of Eight Mindful Steps to Happiness, Beyond Mindfulness in Plain English, The Four Foundations of Mindfulness in Plain English, and his memoir Journey to Mindfulness.

Food & Faith

A Pilgrim's Journey Through India

What is the role of spirituality in your life? Do you pray? Is religion part of your identity or does it make you uncomfortable? To answer these and other questions, Shoba Narayan approaches faith through perhaps its most primal and nourishing aspect: food. She partakes of sacred food in shrines across India-- Puri's bhog, Amritsar's langar, Palani's panchamritam, Mathura's pedas, Ambalapuzha's paal-payasam, Kashi's sweets, Jaipur's rabdi, Ajmer's kesaria bhat, Madurai's dosai, Jewish halva in Mumbai, and communal feasts in Udupi, Goa and the Kumbh Mela. Sacred food is linked to history, myth, and identity of specific shrines and their faithful. Food & Faith explores this powerful yet intimate connection. Shoba Narayan has written about food and faith for over two decades. She was the Hinduism columnist for Beliefnet and won the James Beard MFK Fisher Award for distinguished food writing. She has been a correspondent for Gourmet magazine and has written about culture, food and faith in her columns and essays for Hindustan Times and The National Abu Dhabi. Food & Faith brings together two of Shoba's passions: spirituality and food.

Demons of the Flesh

The Complete Guide to Left Hand Path Sex Magic

In the first comprehensive and unflinching overview of the erotic initiation and sexual sorcery essential to the mysterious magical tradition known as the 'Left Hand Path', this complete guide covers an enormous array of taboo and previously forbidden practices. Penetrating the veil of secrecy and obscuring the ecstasies and dangers of a way of magic that can be a powerful instrument of psychic transmutation, this is a sometimes disturbing, always inspiring study of the shadow side of eros.

Saivism, Some Glimpses

Dr. Tagare S Book Unfolds The Essence Of Saivism And Its Principal Philosophical Expressions. Spelling Out Saivism S Fundamental Concepts, It Offers A Discussion Of The Major Agama-Based Saiva Schools Besides The Vedic Pasupatism.

Vastu

Breathing Life Into Space

Robert Svoboda addresses Vāstu, the classical Indian art (or science) of architectural form, in a wholly unique way. Instead of presenting lists of rules and architectural injunctions to which builders and interior designers must scrupulously adhere at all times, he sensitizes the reader to the dynamics

of space, alignment, and form in ever-expanding orbits of individual life. In the process of guiding the reader through a series of meditations on the dynamics of space and alignment, Dr. Svoboda enters the realms of classical Indian medicine (Āyurveda) and astrology (Jyotiṣa), which, it turns out, are of the greatest importance to realizing Vāstu and its contours in one’s life. Dr. Svoboda allows readers and home builders to understand the complex dynamics of individual, terrestrial, and celestial energetic systems. This leads to a greater awareness of the nature of space and its application to house construction, interior spaces, gardens, one’s relationship with the land, and, consequently, one’s relationship with oneself.

The Panama Papers

The Untold India Story of the Trailblazing Global Offshore Investigation *Penguin Random House India Private Limited*

An anonymous whistle-blower and an astounding 2600 GB of data. A giant leak of 11.5 million financial and legal records. A global collaboration of over 100 news organizations working in twenty-five languages in eighty countries. More than 350 reporters on the trail for nine months in complete secrecy. The Panama Papers exposed in black and white the crime and corruption of the rich and powerful who stashed away their wealth in tax havens. This is the India story of the mega investigation. The Panama Papers shook the world, woke up governments and showed what investigative journalism could achieve even in a post-truth world through a path-breaking alliance between an individual whistle-blower and a coalition of global media. The only Indian publication in the global collaboration, the Indian Express played a crucial role. Now, for the first time, award-winning journalists Ritu Sarin, Jay Mazoomdaar and P. Vaidyanathan Iyer tell the backstory of hot leads and cold trails, of open denial and veiled intimidation. The Panama Papers underlined the loot of public money and the need for tax reforms. In an age of rising inequality, the importance of public funding to fight poverty cannot be overstated. The lack of public confidence in regulatory frameworks or political will also fuels perceptions of illegitimacy of wealth. In India, black money has gained more currency than ever as a political metaphor and future electoral gains may well depend on the perceived success of a war against illegal wealth. Financial corruption though cannot be defeated without transparency in election funding. The Panama Papers reignited a global debate on surmounting these challenges.

Light on Relationships

The Synatry of Indian Astrology *Weiser Books*

The sages of ancient India developed the astrological practice of Jyotisha as a karma-measuring apparatus to indicate where your karmas will permit ideals to be shared between you and those with whom you relate. Jyotisha can help restructure relationship dynamics by providing perspectives on when and how your relationships and their difficulties are likely to arise and dissipate. Light on Relationships is currently the only book that makes relationship analysis accessible to the modern student of Indian astrology. If you want to learn how to use this system for chart comparison, this book gives you the complete details. The authors cover the techniques of synastry and explore all the facets of what makes a relationship work--or not--including personal karma and goals, family influences, the Ayurvedic constitution or dosha of each individual, and how these elements are revealed. In an entertaining and informative way, the authors explain how the individual chart will reveal your inborn ability to relate. They explain the traditional ten Porutthams, which evaluate a couple's sukha (external and internal happiness), and explore superstitious concepts, such as Vishna Kanya (literally, "poison maiden"), or Kuja Dosha ("The Blemish of Mars"). Included are details on determining the most auspicious times for a wedding. This approach to synastry has been developed over years of experimentation. The authors blend the principles of synastry with other techniques culled from Jyotisha's classical canon. Some of the less conventional techniques presented come from ancient oral traditions never before incorporated into the classical works. Other methods come from the authors' mentors; and some have been developed from processes validated over many years of their experience. The authors build on some of the best principles of the astrological traditions of both West and East, hoping to bring the two camps closer together.

The Serpent Power

Being the ?a?-cakra-nir?pana and P?duk?-paꣳcaka: Two Works on Laya-yoga *Courier Corporation*

Written by a leading authority on Shaktic and Tantric thought, this book is considered the prime document for study and application of Kundalini yoga. It probes the philosophical and mythological nature of Kundalini; the esoteric anatomy associated with it; the study of mantras; the chakras, or psychic centers in the human body; the associated yoga and much, much more. Two important Tantric documents are included: The Description of the Six Chakras and Five-fold Footstool.

This Unquiet Land

Stories from India's Fault Lines *Bright Sparks*

India's fault lines run wide and deep. Some of them go back centuries, others are of comparatively recent origin. The myriad villains these fault lines have spawned include rapists, murderers, terrorists, prophets of religious hatred, corrupt politicians, upholders of abhorrent caste traditions, opponents of free speech and dissent, apologists for regressive cultural practices, and external adversaries who try to destabilize our borders. All of them are responsible for impeding the country's progress, destroying the lives of numberless innocents, usually the poorest and most vulnerable of our people, and besmirching the democratic, plural, free and secular nature of our society. Set against these enemies of our nation's promise are the heroic ones-the poor, illiterate woman who was gang-raped but helped change the nation's attitude towards women through her determined fight for justice; the young soldier whose courage and sacrifice in the high Himalayas was an inspiration to his comrades fighting the Kargil War; the wife

whose husband was beheaded by Maoist terrorists, yet sought not revenge but succour for the poor and underprivileged; and the son of the village blacksmith who was lynched by a mob of religious fundamentalists appealing for an end to discord and sectarian violence. These stories, and dozens of others like them, map our country's fault lines. In this book, Barkha Dutt recounts the ones that have left an indelible mark on her. Taken together, they provide a vivid, devastating and unforgettable portrait of our unquiet land.

The Frequency of Us

A BBC2 Between the Covers book club pick *Sphere*

*** A BBC2 BETWEEN THE COVERS BOOK CLUB PICK *** *** BBC RADIO 4 BOOK AT BEDTIME *** 'A fascinating, beautiful, heartwarming novel. It kept me gripped from the very first chapter' -- BETH O'LEARY In Second World War Bath, young, naïve wireless engineer Will meets Austrian refugee Elsa Klein: she is sophisticated, witty and worldly, and at last his life seems to make sense . . . until, soon after, the newly married couple's home is bombed, and Will awakes from the wreckage to find himself alone. No one has heard of Elsa Klein. They say he was never married. Seventy years later, social worker Laura is battling her way out of depression and off medication. Her new case is a strange, isolated old man whose house hasn't changed since the war. A man who insists his wife vanished many, many years before. Everyone thinks he's suffering dementia. But Laura begins to suspect otherwise . . . From Keith Stuart, author of the much-loved Richard & Judy bestseller A Boy Made of Blocks, comes a stunning, emotional novel about an impossible mystery and a true love that refuses to die. 'Enthralling, a real thing of beauty. Dazzling' -- JOSIE SILVER 'The Frequency of Us is a novel with a bit of everything: a sweeping love story, wonderfully complex characters, and a sprinkling of the supernatural. I loved it, and know it'll stay with me for some time' -- CLARE POOLEY 'A complete joy! An intelligent, intricate and emotive mystery' -- LOUISE JENSON

Tao and Dharma

Chinese Medicine and Ayurveda *Lotus Press*

Tao and Dharma: Chinese Medicine and Ayurveda explores the enduring features of humanity's longest and continually practiced systems of medicine. These two indigenous healing arts arising independently in China and India communed and exchanged experience, techniques, and therapeutic substances over the epochs of their development. This book's interesting and valuable comparison provides a pioneer effort in examining side by side two great systems of medicine, studying closely the historical, theoretical and practical relationships.

Aghora *Independently Published*

What exactly is Aghora and why does it invoke a strange reaction from even articulate Hindus? Before even going into an exploration of the fundamental values of this path, let us understand that the name Aghora - meaning non-terrifying - is one of the names of Lord Shiva. His southern face is called Aghora, south representing death and the cremation ground. Thus, the very first thing we learn is that Aghora has something to do with death. While scholars may say that this sect came into existence as a derivative of the ancient Kapalika and Pashupata sects, what makes an organized and non-superficial study of Aghora more difficult is the fact that we do not have any standard authoritative scriptures for the same. Most Aughar - the colloquial name in North India - practices are traditionally passed down from Guru to disciple and in a sense, can be broadly described as the Vamachari Tantric rituals taken to an extreme. It has a legendary fascination with the cremation ground because Aghora starts, in theory, with the acceptance of the one defining reality of human life: death. Irrespective of what one believes in, death is certain and it is indeed the greatest miracle of Nature or Maya that we live most of our life unmindful of this fact. What Yudhisthira told the Yaksha in the lake stands true even today. We know in theory that everyone dies but in practice, our minds are configured to believe that it is not going to happen to us and this is certainly one of the great deceptions of nature to help us survive. But Aghora in particular and spirituality, in general, is not about mere survival. It is an attempt to rearrange our perspectives about things so that we see the world as it is, not as we would like to see it. With that in mind, the Aghoris seek to break down their anesthetized worldview and thus try to become fully cognizant of the deeply unsettling pressure of personal mortality. When the realization strikes that death is certain, all of our selfish endeavors become meaningless. A strong desire sets in, an urgency to transcend the human condition and find the larger meaning and purpose for life, similar to what must have happened to Parikshit Maharaj when he got to know that he had only seven days to live. Smashan vairagya - a dispassion about life that sets in when a person visits a cremation ground - does not last long. In a few days, the mind gets back to normal and old habits re-emerge to take control of our lives. What an Aghori tries to do is make that dispassion permanent, by ensuring that we constantly remember the inevitable end of our lives so that we seek that which is changeless.

Living with the Himalayan Masters *Himalayan Institute Press*

This is a book of inspirational stories of Swama Rama's experiences and lessons learned with the great teachers who guided his life including Mahatma Gandhi, Tagore and more.

Words of Power

Secret Magickal Sounds That Manifest Your Desires *Createspace Independent Publishing Platform*

If you have a genuine desire, speaking Words of Power will make the magick come alive for you. It takes moments to read the words and then the magick happens. If you've ever done magick of any kind - whether casting a spell, performing a ritual or even just praying - this may sound too good to be true. Author Damon Brand says, 'I felt the same way when I first explored these ideas, because I have spent a lot of time working with more complex magick. When I tried the Words of Power, the results I received convinced me that this magick works.'Damon Brand works with a group of

occultists known as The Gallery of Magick and they have spent several decades testing the best combinations to create the most safe and effective Words of Power. Words of Power work because they connect you to spirit forces with direct access to divine power. The book gives you the ability to avoid violent situations, attract generosity, know what people are thinking, improve luck, skills and wisdom as well as getting support for your projects. Words of Power give you new ways to attract money, make money last longer, protect yourself, repel enemies, gain an advantage as well as winning competitions. You will discover: 25 word combinations that produce results. Magick that can be done in private. Emergency magick for instant results. A brief activation ritual that switches the words on. Damon Brand says, 'Magick is about getting results in the real world, and that is the promise of this book.'

Uncle Setnakt's Essential Guide to the Left Hand Path *Runa Raven Press*

The Essential Guide opens the door to the darkly resplendent worlds of the Left Hand Path. Part philosophical treatise, part ontological stand-up comedy, and part magical practicum, this book makes clear what many other books have only hinted at. For people with wit and perseverance, this book is a training manual for super-men and women. Don Webb has been a practitioner of the Left hand path since the 1970s. He is the former High Priest of the Temple of Set, the world's largest Left Hand Path organization, and the author of the best-selling Seven Faces of Darkness.

Avicenna and the Aristotelian Left *Columbia University Press*

Ernst Bloch was one of the most significant twentieth-century German thinkers, yet he remains overshadowed by his Frankfurt School contemporaries. Known for his engagement with utopianism and religious thought, Bloch also wrote incisively about ontological questions. In his short masterpiece *Avicenna and the Aristotelian Left*, Bloch gives a striking account of materialism that traces emancipatory elements of modern thought to medieval Islamic philosophers' encounter with Aristotle. Bloch argues that the great medieval Islamic philosopher Avicenna (Ibn Sina) planted the seeds of a radical materialism still relevant for critical theory today. He contrasts Avicenna's and Aquinas's interpretations of Aristotle on form and matter to argue that Avicenna's reading democratizes power and undermines clerical and political authority. Bloch explores Avicenna's world and metaphysics in detail, showing how even his most recondite theoretical concerns prove capable of pointing toward radical social transformation. He blazes an original path through the history of ideas, including Averroes (Ibn Rushd), Spinoza, and Marx as well as lesser-known figures. Here translated into English for the first time, *Avicenna and the Aristotelian Left* is at once a succinct summation of Bloch's own idiosyncratic materialism, a provocative reconstruction of the Western philosophical tradition in light of its exchanges with Islamic thought, and a vital resource for contemporary debates about materialism in critical theory.

Kularnava Tantra *Motilal Banarsidass Publishe*

The Kularnava is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. The Introduction by Arthur Avalon gives a concise outline of the work. Sri M.P. Pandit who is a keen student of the Tantras and Vedas has rendered the work in English in eleven chapters. The readings are free translations, with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The Kularnava prescribes the modes of preparation for the high quest; it draws upon ethics, religion, philosophy, yoga to elevate human life gradually to the level of godly life. It comprehends the multiple personality of man and provides for the healthy growth of his

mental faculties, purification of his physical faculties through ritual, japa, mantra and upasana. Who is fit for the path of Tantra? Who is competent to guide the novice on the double - edged razor path? What is the responsibility of a Guru to a disciple? These and other relevant questions are raised and answered in a satisfying manner.

The Laws of the Spirit World *Jaico Publishing House*

WITH A BRAND NEW LOOK! ON FEBRUARY 22, 1980, KHORSHED AND RUMI BHAVNAGRI'S WORLD WAS SHATTERED. ONE MONTH LATER, A NEW ONE OPENED. Light on Life

An Introduction to the Astrology of India *Lotus Press*

Light on Life: An Introduction to the Astrology of India Light on Life brings the insight and wisdom of Indian astrology to the Western reader. Jyotish, or Indian astrology, is an ancient and complex method of exploring the nature of time and space and its effect upon the individual. Formerly a closed book to the West, the subject has now been clarified and explained by Hart de Fouw and Dr. Robert Svoboda, two experts and long-term practitioners. In Light on Life they have created a complete and thorough handbook that can be appreciated and understood by those with very little knowledge of astrology.

Abhichara - The Magic of Tantric Mystics and Warlocks *Lulu.com*

Abhichara is the Tantric magic of India focused both on the adept's deification and the achievement of their other life goals, including material goals. Books on Abhichara translated into European languages are a great bibliographical rarity. This unique book "Abhichara - the Magic of Tantric Mystics and Warlocks" gives a general overview of Abhichara, and describes the pantheon of deities of the Abhichara mandala and the mantic system of Shri Matrika. One of the parts of this book is devoted to the basics of practical metaphysics. The book also outlines the principles of archiving information and energy in mantras and spells, and the principles of releasing energy and information from mantras and spells. Studying this book will help you to acquire skills in practical application of the oracle of Shri Matrika.

The Book of Aghor Wisdom

The followers of the Aghora path try to cultivate a state of mind and social practice totally non-discriminatory. Seeing the Divine in everything and everybody, they transcend all category distinctions, all prescriptions and proscriptions of the normal social structures such as high and low, purity and pollution, pure and impure, or male and female. In the 20th century, Aghoreshwar Mahaprabhu Baba Bhagwan Ram (1937-1992) was the greatest avadhut in the Aghora tradition. He attained enlightenment at the age of fourteen or fifteen. People felt that Baba truly loved everyone who went to him. Hundreds of thousands of devotees, simple villagers, spiritual seekers and high dignitaries would flock around him. Baba's teachings were imparted more through everyday conversations rather than through sermons. On his advice, his words were compiled into a book. Thus was written Aghor Vachan Shastra in Hindi and this book, its English translation.
