What Social Workers Need to Know

A Psychoanalytic Approach *Routledge*

Social work deals with the heavy end of human difficulties such as cruelty, self-destructiveness, and severe and enduring mental health problems. How do social workers make sense of the emotional difficulties which come with the realities of practice? Understanding our clients is the best way of dealing with complex situations and avoiding burnout and stress. The contributors to this book argue that psychoanalysis provides a theory of development and behaviour capable of formulating a realistic model for understanding emotional difficulties and disturbances in both clients and ourselves. The chapters demonstrate a way of thinking for the practitioner that can be used in all situations. The book examines in detail some of the difficult and disturbing conversations that social workers have with clients of all ages. It provides a psychoanalytic framework for understanding circumstances which may be puzzling, stressful or frightening, and a theory whose value for many social work problems is well underpinned by research evidence. Written by senior practitioners who are all still working in the front line, this book puts complex real life experiences into words, to help the social worker become a more effective practitioner.

What Mums Want (and Dads Need to Know)

Things I Wish I Knew Before I Said I Do *Lion Books*

Everyone wants a relationship that lasts. Yet nearly half of all today's parents split up. Harry and Kate Benson began their own married life with great expectations. But within a few years, they stood on the brink of divorce. Today, their marriage is stronger than ever and they have helped many other struggling couples. So what changed? In this ground-breaking book Harry and Kate tell their own inspiring, hope-filled story, set within the wider context of family research into what works. Harry and Kate's radical solution to strengthening families and reducing unnecessary family breakdown is simple. Their research suggests a happy mum tends to mean a happy household. She is the lynchpin around whom the family rotates. So for most mums, the success of a marriage depends primarily on her husband's ability to make her feel valued. In other words: husband, love your wife. And she will love you right back. In that order. That's what mums want. That's the recipe for happy family life.

Everything You Need to Know to Feel Go(o)d *Hay House Incorporated*

Everything You Need to Know to Feel Go(o)d is Candace Pert's response to the questions she's been asked in her worldwide travels ever since the publication of her book *Molecules of Emotion*, and her appearance in the film *What the Bleep Do We Know?!* She discovered that, at the end of the day, all people really want to know is how to feel good. Within these pages, Dr. Pert shares the answers she's found, both in the biomedical laboratory of mainstream science and in the laboratory of her own evolving life. Her amazing journey documents how mind, body, and spirit cannot be separated; and that we're hard-wired for bliss, which is both physical and divine. Feeling good and feeling God, she believes, are one and the same. From beginning to end, this book takes us on an entertaining romp through the many bodymind avenues, separating the woo-woo from real science and pointing the way toward using new paradigm therapies, detoxing our food and environment, forgiving and healing our relationships, understanding depression, staying young, and creating the reality we want to experience. Consciousness, mind, emotions, and God are all factored into the mix, resulting in a lot of beneficial advice and self-development insights that will empower us toward health, well-being, and feeling . . . Go(o)d.

What Educators Need to Know about Immigration Law

Supporting Immigrant, Undocumented, and Refugee Students *Teachers College Press*

"The book is the direct response to the types of questions that educators have asked to author over the years with regards to definitions of certain legal terms as well as what types of resources are available for refugees and immigrants in the community. It is scenario-based, in that it grounds the law and policy explained within its pages in the types of real-life events educators could encounter in the course of their teaching, and it provides practical information that educators can use to both advocate for the refugees and immigrants with whom they work and direct them toward needed services"--

The One Thing You Need to Know

... About Great Managing, Great Leading and Sustained Individual Success *Simon and Schuster*

Drawing on a wide body of research, including extensive in-depth interviews, THE ONE THING YOU NEED TO KNOW reveals the central insights that lie at the core of: Great Managing, Great Leadership and Great Careers. Buckingham uses a wealth of relevant examples to reveal that at the heart of each insight lies a controlling insight. Lose sight of this 'one thing' and all of your best efforts at managing, leading, or individual achievement will be diminished. For great managing, the controlling insight has less to do with fairness, or team building, or clear expectations (although all are important). Rather, the one thing great managers know is the need to discover and then capitalize on what is unique about each person. For leadership, the controlling insight is the opposite - discover and capitalize on what is universal to all your people, regardless of differences in personality, race, sex, or age. For sustained individual success, the controlling insight is the need to discover what you don't like doing, and know how and when to stop doing it. In every way a groundbreaking work, THE ONE THING YOU NEED TO KNOW offers crucial performance and career lessons for business people at every level.

All You Need to Know About the Music Business, Seventh Edition *RosettaBooks, LLC*

No one understands the music industry--from the technology, to the legalities, to the new industry practices--better than veteran music lawyer Donald Passman. In this completely revised and updated seventh edition of All You Need To Know About the Music Business, which the Los Angeles Times called "the industry bible" and which has sold hundreds of thousands of copies, Passman offers executives and artists, experts and novices alike the essential information they need not only to survive in these volatile and exciting times, but also to thrive. Drawing on his unique, up-to-the-minute experience as one of the most trusted advisors in the business, Passman offers advice concerning: - The Copyright Royalty Board's latest decisions regarding online transmissions. - The developing new customs concerning new technologies such as streaming on demand, ringtones, and digital downloads. Passman also gives guidance on other fundamental issues such as how to: - Select and hire a winning team of advisors--personal and business managers, agents, and attorneys--and structure their commissions, percentages, and fees in a way that will protect you and maximize these relationships. - Master the big picture and the finer points of record deals. - Navigate the ins and outs of songwriting, music publishing, and copyright law. - Maximize concert touring and merchandising deals. Almost everyone in the music business, from musicians and songwriters to entertainment lawyers and record company executives, are scrambling to sort out what is going to happen next, and Passman is right in the thick of these changes. Here is a book for anyone interested in a music career: a comprehensive and crucial guide to making it in one of the world's most dynamic industries.

Everything I Need to Know I Learned in the Twilight Zone

A Fifth-Dimension Guide to Life *Macmillan*

Can you live your life by what The Twilight Zone has to teach you? Yes, and maybe you should. The proof is in this lighthearted collection of life lessons, ground rules, inspirational thoughts, and stirring reminders found in Rod Serling's timeless fantasy series. Written by veteran TV critic, Mark Dawidziak, this unauthorized tribute is a celebration of the classic anthology show, but also, on another level, a kind of fifth-dimension self-help book, with each lesson supported by the morality tales told by Serling and his writers. The notion that "it's never too late to reinvent yourself" soars

through "The Last Flight," in which a World War I flier who goes forward in time and gets the chance to trade cowardice for heroism. A visit from an angel blares out the wisdom of "follow your passion" in "A Passage for Trumpet." The meaning of "divided we fall" is driven home with dramatic results when neighbors suspect neighbors of being invading aliens in "The Monsters Are Due on Maple Street." The old maxim about never judging a book by its cover is given a tasty twist when an alien tome is translated in "To Serve Man."
