Decoding Design: Understanding and Using Symbols in Visual ...

Quotes from Decoding Design: ...

“Designers need to recognize that, though their goal is to influence consumers, the effect upon individuals and society must be considered. They must decide whether to use their creative energies and the power of symbol to present something that benefits society or to use it in a way that is false but personally advantageous.

Our world is comprised of a handful of very simple patterns that have been a part of human design since the beginning of time and have eternal significance. Decoding Design reveals how common symbols and shapes - like circles, squares and triangles - resonate at a gut level and can lend greater meaning to a design. By deconstructing famous logos and other sample designs, you'll learn how to communicate complex information quickly and intuitively with universal and meaningful patterns.
