You have the right to access some land for walking or certain other leisure activities.

It explains how the law works to regulate access to Scotland's outdoors, who might be entitled to access land or inland waters, and the activities people are entitled to do there. An understanding of the multi-layered framework of the law is crucial to clarify the rights and responsibilities of users and landowners/occupiers, and to minimise and resolve conflict.

The Department of Health and Social Care (DHCS) said police forces will have access "on a case-by-case" basis to information, enabling them to know if an individual has been told to self-isolate. The Health Service Journal (HSJ) reported that the office of England's chief medical officer, Professor Chris Whitty, was among those who feared it would put people off from being tested.

It explains how the law works to regulate access to Scotland's outdoors, who might be entitled to access land or inland waters, and the activities people are entitled to do there. An understanding of the multilayered framework of the law is crucial to clarify the rights and responsibilities of users and landowners/occupiers, and to minimise and resolve conflict.

When exceptional emergency measures affecting fundamental rights and the most intimate areas of people's lives are introduced, it's essential to maintain access to justice to ensure those most at risk are protected.

Under English and Welsh law there is, at present, no general right for one person to exercise rights over property belonging to another and there is no general public right of access to property belonging to another. The right to fish and the right to navigate are governed by the same law.

The Access to Information Act (R.S., 1985, c. A-1) or Information Act (French: Loi sur l'accès à l'information) (the Act) is a Canadian Act providing the right of access to information under the control of a federal government institution. As of 2020, the Act allowed "people who pay \$5 to request an array of federal files". Paragraph 2. (1) of the Act ("Purpose") declares that government ...

With the right support from the government, technology can be the key to unlocking access to justice innovation, concludes our report 'Technology, access to justice and the rule of law'. Nov 10
