Muscular Christianity: Evangelical Protestants and the ...

Muscular Christianity is a philosophical movement that originated in England in the mid-19th century, characterized by a belief in patriotic duty, discipline, self-sacrifice, manliness, and the moral and physical beauty of athleticism. The movement came into vogue during the Victorian era as a method of building character in pupils at English public schools. The movement was also closely related to British imperialism, and many tenets of Muscular Christianity were derived from or related to the
