Ethics in Human Resource Management (HRM)

A significant turning point has been experienced by ethics and Human Resource Management. The business ethics mainly put attention on the social and ecological responsibilities of the companies within the society. Ethics are now becoming one of the most important internal concerns for the companies.

Ethics in Human Resource Management - UK Essays

In human resource management, firing, hiring, and compensation must be treated fairly. For example, a male manager should not hire a woman that is less experienced but is more attractive. This is a form of discrimination and holds no ethical morals. Making ethical business decisions consistently, is the key to a long term business success.

Ethics in Human Resource Management - PHDessay.com

Ethics and Human Resource Management. By Amanda Rose. Chapter outline. Standards, values, morals and ethics have become increasingly complex in a postmodern society where absolutes have given way to tolerance and ambiguity. This particularly affects managers in HR, where decisions will affect people's jobs and their future employment.

Ethics and Human Resource Management - DPHU

It then presents a comprehensive framework for making judgments about human resource management ethics that consists of five complementary moral principles that have been developed and studied by philosophers: utilitarian ethics, rights ethics (using Kant's categorical imperative), distributive justice ethics, care ethics, and virtue ethics.
