Richard Floridas Concept Of The Creative Class

Richard Florida, one of the most influential thinkers about cities in postwar America, wants you to know that he got almost everything about cities wrong. If you live in an urban center in North America, the United Kingdom, or Australia, you are living in Richard Florida’s world. Fifteen years ago, he argued that an influx of what he called the “ creative classes ” — artists, hipsters, tech workers — were sparking economic growth in places like the Bay Area.
