Human Rights In 21st Century

Human rights in the
 early 21st century.
 Whatever the current
 attitudes and policies
 of governments, the
 reality of popular
 demands for human
 rights, including both

greater economic
 justice and greater
 political freedom, is
 beyond debate. A
 deepening and
 widening concern for
 the promotion and
 protection of human
 rights on all fronts,
 hastened by the ideal
 of self-determination in
 a postcolonial era, is
 now unmistakably
 woven into the fabric
 of contemporary world
 affairs.
