This course is open to ATLS® providers who regularly manage severely injured patients and who have taken the ATLS® course within the last four and a half years. Providers who do not regularly manage severely injured patients should reverify by attending the full two day ATLS® Provider course. The one day course requires a high degree of familiarity with trauma resuscitation and uses provider's own experiences to illustrate important principles of management.

Advanced Trauma Life Support (ATLS) Reverification Course ...

ATLS ®: The ATLS course itself is an excellent way of practicing the theoretical and practical aspects of trauma management. I highly recommend anyone involved in management of trauma patients to do it. Note : This is not meant as a short cut which negates the need to read the ATLS course manual. You are reminded that it is extremely unlikely that you will pass the course if you don't read the ATLS manual. PS:
