Self-assessment for teachers

Better Teacher Appraisal And Feedback

It argues that teacher appraisal and feedback must be decentralised, with individual schools given autonomy and responsibility so that they can assess their own teachers. Better teachers are the key to producing higher performing students. The report shows that systems of appraisal and feedback directly linked to improved student performance can increase teacher effectiveness by as much as 20 to 30% — with a big impact on the outcomes of Australian students, which are currently in decline.
