With labellers from Krones, you can be sure that your product's an eye-catcher. Whether it's hotmelt, cold-glue, pressure-sensitive labels or sleeves: our labelling technology effortlessly masters every variant of dress - and if you want, even all of them together on a single machine.

Labellers for successful products - Krones

Whether round containers or specially-shaped bottles of glass or PET: The Krones modular labellers are real all-rounders, because they are suitable for handling cold-glue, hotmelt and self-adhesive labels alike. Their modular design even enables a combination of different labelling techniques for only one container.

Modular labellers - Krones

A similar phenomenon can be observed in the day-to-day operation of Krones filling and packaging lines: At the front, the products to be filled are supplied, some meters and minutes later, the palletised packs are discharged - and what happens in between seems to be just happening on its own.

Filling and packaging lines - Krones

Since Krones has signed up to providing holistically conceived solutions, development work on both bottle design and machine technology goes hand in hand. It is only when both these aspects supplement each other to perfection that the best solutions are arrived at – for producers, consumers and the natural environment alike.
