Primary Child Care A Manual

Primary Child Care: A
 manual for health
 workers has been
 written for health
 workers who provide
 primary care of infants
 and children, either
 during home visits or
 at health facilities with
 limited resources, and
 usually with little
 opportunity to refer
 children for further
 help. This revised
 edition of the manual is

the result of an international effort coordinated by the Department of Child and Adolescent Health and Development.

WHO | Primary Child Care: A manual for health workers

The system of primary child care presented in this manual is termed a microplan. After adaptation it is intended to form the basis of a nationally planned system of appropriate technology for primary child care. This manual may be useful by itself but it is likely to be considerably more useful now that it is integrated with a number of other components most of which are in a companion volume ...
