Create the anticipation guide. Write four to six statements about key ideas in the text; including true and false or yes/no statements. Model the process. Introduce the text or reading material and share the guide with the students. Read each of the statements and ask the students if they agree or disagree with it.

Anticipation Guide - Reading Strategies & Misconceptions

An anticipation guide is

a comprehension strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading, students listen to or read several statements about key concepts presented in the text; they're often structured as a series of statements with which the students can choose to agree or disagree.
