The Origins Of The Urban

Probing beneath the veneer of 1950s prosperity and social consensus, Sugrue traces the rise of a new ghetto, solidified by changes in the urban economy and labor market and by racial and class segregation. In this provocative revision of postwar American history, Sugrue finds cities already fiercely divided by race and devastated by the exodus of industries.

The Origins of the Urban Crisis: Race and Inequality in ...

Urban history is a field of history that examines the historical nature of cities and towns, and the process of urbanization. The approach is often multidisciplinary, crossing boundaries into fields like social history, architectural history, urban sociology, urban geography, business history, and archaeology. Urbanization and industrialization were popular themes for 20th-century historians, often tied to an implicit model of modernization, or the transformation of rural traditional societies.

The Origins of the Urban Crisis: Race and Inequality in Postwar Detroit is the first book by historian and Detroit native Thomas J. Sugrue in which he examines the role race, housing, job discrimination, and capital flight played in the decline of Detroit. Sugrue argues that the decline of Detroit began long before the 1967 race riot.

Traditionally, the Greek philosopher Hippodamus (5th century BC) is regarded as the first town planner and 'inventor' of the orthogonal urban layout. Aristotle called him "the father of city planning", and until well into the 20th century, he was indeed regarded as such. This is, however, only partly justified.

History of urban planning - Wikipedia

The modern origins of urban planning lie in a social movement for urban reform that arose in the latter part of the 19th century as a reaction against the disorder of the industrial city. Many visionaries of the period sought an ideal city, yet practical considerations of adequate sanitation, movement of goods and people, and provision of amenities also drove the desire for planning.
