Alix, or The Adventures of Alix, is a Franco-Belgian comics series drawn in the ligne claire style by Jacques Martin. The stories revolve around a young Gallo-Roman man named Alix in the late Roman Republic. Although the series is renowned for its historical accuracy and stunning set detail, the hero has been known to wander into anachronistic situations up to two

centuries out of his era.

The Adventures of Alix - Wikipedia

It is a book all about books. The book is an object in itself, designed as the ultimate little tome any book collector would love to acquire, layered with witty Pierre Le-Tan drawings, as well as photographs of some of the most precious bookish locations.
