Improvisation In Music European Music

Many of the great composers of Western classical music were masters of improvisation, especially on keyboard instruments, which offered such celebrated composer-performers as Johann Sebastian Bach, W.A. Mozart, Felix Mendelssohn, and Frédéric Chopin virtually boundless opportunities for the spontaneous unfolding of their rich

musical imaginations. Many an idea so generated eventually appeared in a written composition.

Improvisation | music | Britannica

In Western music Medieval period. Although melodic improvisation was an important factor in European music from the earliest times, the first detailed information on improvisation technique appears in ninth-century treatises instructing singers on how to add another melody to a pre-existent liturgical chant, in a style called organum. Throughout the Middle Ages and Renaissance, improvised ...

Musical improvisation - Wikipedia

Improvisation In Music European Music
Musical improvisation is the creative

activity of immediate musical composition, which combines performance with communication of emotions and instrumental technique as well as spontaneous response to other musicians. Sometimes musical ideas in improvisation are spontaneous, but may be based on chord changes in classical music and many other kinds of music. One definition is a "performance given extempore without planning or preparation".

This chapter focuses on the subjection of improvisation in medieval music practice. It argues that if 'improvisation' with its modern overtones is not properly medieval, if instead medieval music was produced through methods of composition that do not differentiate 'written' and 'oral' music — or writing and oral process — which do not differentiate methods of composition or characteristics of the product, then we must also try out a different conception of music writing, as a ...
