Emotion & Relationships (2 Books in 1) *Jaico Publishing House*

Emotion “One can make any emotion into a creative force in one’s life.” – Sadhguru It’s not just poetic license that allows us to refer to emotions as “juicy”. In a literal sense also, emotions are a chemical cocktail that course through our bodies. But while we have no problems with pleasant emotions, unpleasant emotions are the source of much angst in our lives. In Emotion: The Juice of Life, Sadhguru looks at the gamut of human emotions and how to turn them into stepping stones rather than stumbling blocks. Relationships “If you enhance yourself into a very beautiful state, everyone will want to hold a relationship with you.” – Sadhguru Human beings constantly make and break relationships. Unfortunately, relationships can make and break human beings too. Why are relationships such a circus for most of us? What is this primal urge within us that demands a bond – physical, mental, or emotional – with another? And how do we keep this bond from turning into bondage? These are the fundamental questions that Relationships: Bond or Bondage looks at as Sadhguru shares with us the keys to forming lasting and joyful relationships, whether they are with husband or wife, family and friends, at work, or with the very existence itself. Sadhguru is a yogi and profound mystic of our times. An absolute clarity of perception places him in a unique space in not only matters spiritual but in business, environmental and international affairs, and opens a new door on all that he touches.

New Headway Video

Pre-intermediate

The first four levels of a new video series to accompany the New Headway. It can be used as an additional component to the New Headway, or as a supplement to any course at the appropriate level. Key Features Each level consists of six self-contained comedy stories looking at the lives and misadventures of four people in their twenties who share a house. The syllabus is closely linked to the New Headway. Each episode provides a natural context to consolidate the grammatical, functional and lexical areas covered by the course, and to develop listening skills. Key language is controlled and contextualized throughout. Each episode provides clear grammar and functional language, with an emphasis on developing communicative skills. The video is supported by an Activity Book for students and a Video Guide for teachers. Student's Book Before you watch, While you watch, and After you watch activities for full exploitation of the video Attractive illustrations in full colour Complete transcript
