Making It Explicit Reasoning Representing

Making It Explicit is an investigation into the nature of language--the social practices that distinguish us as rational, logical creatures--that revises the very terms of this inquiry. Where accounts of the relation between language and mind have traditionally rested on the concept of representation, this book sets out an alternate approach based on inference, and on a conception of certain kinds of implicit assessment that become explicit in language.

In *Making It Explicit*, Robert Brandom argues that semantic content can be explicated through the social discursive practices of asking and giving reasons. In this project, he systematically constructs a model for discursive practices that eschews the representational idioms which he replaces with expressive vocabulary.

Because logic has this role of making explicit the inferential structure of an existing language, its introduction had better not allow any new inferences to be made with the old vocabulary that could not have been made before the introduction of logic. This explains the

constraint that Dummett calls "harmony" as applied to logical vocabulary.

Robert Kirk, Making it Explicit: Reasoning, Representing ...

Making It Explicit is a landmark in theoretical philosophy comparable to that constituted in the early seventies by A Theory of Justice in practical philosophy...Drawing upon the resources furnished by his intricate theory of language, Brandom succeeds in offering

a thoroughly convincing description of the practices within which beings capable of language and action express their rationality and autonomy.--Jürgen Habermas "Wahrheit und Rechtfertigung"

Making It Explicit: Reasoning, Representing, and ...

The approach pursued here (including

both a treatment of de dicto ascriptions, and of epistemically strong de re ascriptions) is presented at length in my Making It Explicit: Reasoning, Representing, and Discursive Commitment (hereafter MIE), forthcoming from Harvard University Press, especially in Chapter Eight "The Social Route From Reasoning to Representing".
