The Backyard Homestead Guide to Raising Farm Animals

Storey Publishing

Presents a comprehensive guide to raising farm animals for food independence, from managing a honey bee hive to caring for and breeding meat and dairy cows, pigs, goats, and fowl.

Living with Sheep

Everything You Need to Know to Raise Your Own Flock

Rowman & Littlefield

As one of the most popular and beloved

farm animals, sheep provide owners with myriad goods from soft wool to fine meat, and, of course, companionship. *Living with Sheep* contains a wealth of knowledge about raising and caring for a flock of sheep, and is written for the would-be farmer, experienced shepherd and those who simply love the animals and the outdoors. This complete guide covers choosing and acquiring a flock of sheep, how to feed and shelter, prevent illness and treat it if it occurs, handling the breeding and lambing process, gathering wool, and much more.

Living with Chickens

Everything You Need To Know To Raise

Your Own Backyard Flock *Rowman & Littlefield*

A revised and updated bestseller Revised in coordination with the American Poultry Association Covers all the essentials of raising and keeping chickens. More than 75 color photographs and illustrations. People across the country are raising chickens, whether for food or companionship. You can, too, with this indispensable guide. Straightforward advice and dozens of clear, detailed illustrations gives any future chicken farmer the tools he needs to get started, from step-by-step instructions on building the coop to a brief background on chicken biology; from hints on getting high-quality eggs from the

hens, to methods for butchering. Full-color photographs of the birds and their landscape round out this comprehensive book. This bestselling book has been completely revised and updated. Jay Rossier was coauthor of *A New Lease on Farmland*, published by the E. F. Schumacher Society, and wrote occasional book reviews for *Northern Woodlands* magazine.

Living with Goats

Everything You Need to Know to Raise Your Own Backyard Herd *Rowman & Littlefield*

In the newest addition to the successful “Living With” series, Hathaway and Schatz let readers in on everything they need

to know about how to raise one – or twenty – goats in their own backyards. Readers will discover how to raise goats either for milk, meat, or companionship, and how to shelter and care for their pets depending on the breed (whether they’re eventually going to eat them or invite them into their family circle). Between the friendly advice, first-hand wisdom, and hilarious stories, *Living With Goats* reassures readers that raising goats is a rewarding and sustainable endeavor well worth their while.

How to Raise Chickens for Meat

The Backyard Guide to Caring for, Feeding, and

Butchering Your Birds *Simon and Schuster*

If self-sufficiency and raising your own food is important to you, this book will help you pull together a complete farm-to-table experience. Gone are the days when grandma headed to the chicken coop in search of dinner. In this day and age, when fewer and fewer people know where their food comes from, *How to Raise Chickens for Meat* helps families take control of their food supply once again. Divided into four easy-to-navigate sections, *How to Raise Chickens for Meat* is packed with practical information. The first section, *Getting Started*, includes information on breed specifics, timing, and

quantity. This section will help you analyze options and make informed decisions as you get started. The second section, *Care & Feeding*, dives into the specifics of keeping your flock healthy. Learn how to set up a brooder, what to feed your chickens, how to safely pasture them, and how to keep your flock stress-free. The third section, *Butchering*, prepares you for one of the more challenging parts of raising chickens for meat. It addresses some of the emotions you may feel along with the actual process of butchering and provides practical tips to make it easier. It also discusses alternative options if you don't want to process your own chickens. The book

concludes with cooking tips and delicious tried and true farm-to-table recipes to impress even the most doubtful family member! How to Raise Chickens for Meat is the resource your homestead library has been missing.

Raise Your Own Beef

Raising Beef Cattle For Dummies *John Wiley & Sons*

With important information on health, handling, and breeding, and detailed coverage of equipment and supplies, it is teeming with useful information that anyone interested in raising cattle should have. Advice on which beef cattle breeds to rear The prevention and treatment of common diseases Caring for pregnant heifers and calving procedures Dietary specifications dependent on breed

Guidance on humane management Creating an open and safe pasture habitat If you're an aspiring cattle farmer looking to begin raising cattle or an established raiser interested in expanding your herd, *Raising Beef Cattle For Dummies* has you covered.

Backyard Homestead

A Practical Guide to Building Your Own Mini Farm & Raising Farm Animals for Beginners *Luke Smith*

Discover how to master essential homesteading skills and produce all the food you and your family need right in your own backyard Have you ever considered growing plants and raising your

own animals for self-sustenance and profit, but are put off by the time commitment it may require? Do you want to take control over what you eat and reduce your dependence on chemical-laden commercial produce? If you've looked for answers to any of the questions above before, then keep reading... In this definitive guide to homesteading, Luke Smith shows you how to turn your backyard into a sustainable farm for raising livestock like chickens, goats, cattle, and bees for their products, as well as providing organic, homegrown fruits, vegetables, and herbs. Among the pages of *Backyard Homestead*, you're going to discover: ● Cogent

reasons to start your own backyard homestead, no matter where you live right now ● Foolproof tips to pick the perfect spot in your home backyard to start your garden ● Steps to help you set up your very first or next backyard garden to ensure a healthy, bountiful yield ● Strategies to help you maintain a healthy soil that is just right for your plants ● Step-by-step instructions to build and set up your own barn or convert a prefabricated shed into a barn ● Everything you need to know about efficiently raising healthy chickens, goat, cattle, and bees in your backyard for fun and profit ● ...and much, much more! It doesn't matter whether you're completely new to homesteading or

you're a seasoned farmer looking to pick up new tips to help you better manage your garden and flock, Backyard Homestead is a comprehensive guide that is designed to help you confidently grow and produce your own food. Ready to take your homesteading skills to the next level? Scroll to the top of this webpage and click the "Buy Now" button to get started right away!

Henhouse

The International Book for Chickens and Their Lovers *Write Bloody Pub*

One of the many jokes here is that Henhouse is formatted like Penthouse, with a foldout of the curviest chicks in the flock. At the same time, this book is packed with

factual, useful, real information and contains amusing charts, cartoons and photos to keep chicken lovers cackling. Geared toward new chicken owners and created for everyone to laugh with and learn from, this witty book is full of mother clucking facts. The popularity of raising chickens in cities and suburbia continues to grow and Henhouse offers a wealth of how-tos, tips and advice for all chicken owners.

Raise Capital on Your Own Terms

How to Fund Your Business without Selling Your Soul

Berrett-Koehler Publishers

Fund and Fuel Your Dreams! You're an entrepreneur with a

great idea. But your business needs money. So, do you max out your credit cards, borrow from friends and family, and do everything yourself? Or do you make a devil's bargain with some venture capitalist who'll demand a tenfold return and could easily take your business out from under you? No and no! You don't have to bootstrap, and you don't have to sell out! Jenny Kassan says the landscape of investment capital is far larger and more diverse than most people realize. She illuminates the vast range of capital-raising strategies available to mission-driven entrepreneurs and provides a six-step process for finding and enlisting investors who

are a match with your personal goals and aspirations. The plan you create will inspire you, excite you, and help you achieve your dreams!

The Joy of Hobby Farming

Grow Food, Raise Animals, and Enjoy a Sustainable Life *Simon and Schuster*

When the farm is a lifestyle, but not quite a way to earn a living, it's considered hobby farming. Most of us want to live a sustainable and healthy life in which we protect the environment and keep

it safe from development and overproduction. But we can take this a step further by learning how to grow our own produce, while still maintaining an alternative, successful career to fund this passion. In this back to basics guide, Michael and Audrey Levatino share how to: Grow your own food Raise chickens, horses, llamas, bees, and more Practice being (a little) off the grid Sell the bounty in your local community Balance a professional career with a rural lifestyle The Joy of Hobby Farming is a guide that will excite armchair farmers and inspire any do-it-yourselfer. While this book won't help you become a farmer by trade, it does provide step-by-

step instructions and various tips and tricks to maintain a thriving farm. It will surely teach those who aren't farmers by day to raise their own livestock, plant their own fruits and vegetables, and live out their countryside dream.

Going Organic

A DIY Guide: Grow and Raise Your Own Healthy Natural Food

Get started growing your own natural, organic food, right in your own back yard! Even if you don't have much space, you can grow your own vegetables and enjoy the natural goodness that taste better than anything you can buy at the store. You will reduce your dependence on the

just-in-time inventory system that allows grocery stores to run out of food, just when you need it most. Consider raising chickens, too, and you will have a supply of eggs and meat right in your own back yard.

How to Raise Your Children Properly

Guide Your Children Don't Abuse Your Blessings. the Lord Is Your Foundation to the Love You Give and Receive in Your Home. *Balboa Press*

My name is Vronika Jones Known to the nation as Majesty. First I want to thank those this book is meant for, this book won't be for everyone but for those who are ready to humble themselves and listen for a little while I pray. This book

will help you to humble yourself as you raise and cater to your children in a Godly manner and you will be able to not only see things your way but also understand your children ways as they grow up to be who they are meant to become. This book addresses parents around the world to help them put down their anger and put on their humble and patient attitude. As a parent you must remember your children will not stay kids and as they hit their middle adult years, everything you have done to criticize them, abandon them, abuse them mentally, verbally or physically it will all come running back throughout their brains and souls nostalgically. When they age you have to

remember just because you have forgotten, your children will never ever forget how you have abused them while they were growing up. So while they're growing up be careful in the way you use your tongue when speaking to your children if you want to maintain a bond with your children when they become adults. You're your children's keeper and protector, it's time for parents to maintain a bond so strong in their kids that no one can even get close to them to destroy what you have with your children. Let's not forget are kids are us, they came from us so remember when you are talking badly to someone about your children or to your children, what

you're doing is talking about how you really feel about yourself on the inside. When you heal, you heal your whole bloodline and every generation going forward. Blessings.

Raising Chickens

The Complete Guide To Raising Backyard Chickens, Choosing Breed And How To Organize The Coop

Are you interested in raising your own chickens, but have no idea where to start? Then keep reading! Absolutely! With the information in these chapters, you'll find helpful guidance on the right places to trim down on costs, without compromising on the quality or comfort of

your chickens. You'll find information on how those who started out on a budget, made simple changes that allowed them to maximize their profits, and exceed their previous income constraints. Don't wait! Buy your copy today and get started!

How to Raise Your Children with Wisdom and Awareness

A Channeled Book by Lynn Baribault
Balboa Press

This simple book is to become part of the toolbox parents have to raise their children. Lynn Baribault has channeled spirit guides, archangels, and ascended masters who, from above, have set to motion a series of shared wisdom,

exercises, and prayers to guide parents in this important role of raising their children. Parents and children have much to learn from one another. Through this book, they are given insight as to how best to achieve this. Parenthood is not easy, as each parent and child bring with them their individual personalities and experiences. We hope this book provides assistance and guidance in its own unique way.

How to Raise Goats

Everything You Need to Know, Updated & Revised *Voyageur Press (MN)*

Whether you want to raise a dairy barn full of milkers, one hundred meat goats

for market, a herd of Angoras for mohair fiber, or a few Pygmies as pets, this book is for you. Expert, hands-on advice makes it easy to get started raising a healthy herd. Longtime goat farmer Carol Amundson describes the breeds popular in the United States and Canada and explains all the helpful dos and don'ts. You'll find information about traveling with goats, marketing, treating illness, and more, including a glossary of caprine terms, tables and charts for easy reference, and a list of breed associations. Illustrated in full color, this guidebook is an indispensable resource for those who want to raise their very own goats. Easy-to-follow tips help you to: Choose the right breed

for your needs
Evaluate and purchase goats
House and feed your herd
Keep your herd healthy
Breed goats and birth kids
Market goats and their products
Reviewed and approved by Dr. Clint Rusk (Purdue University Associate Professor in the Youth Development and Agriculture Education Department), this book will give you the tools you need to succeed in this challenging but rewarding venture.

A Beginner's Guide to Mini Farming

J.D. Rockefeller

More and more people these days are producing their own foods right at home. The reasons are simple. Home-produced foods are healthier as well as

cheaper than what you will get at your nearest supermarket. If you have a small backyard in your house, you can easily plan your own mini farm. Yes, you can actually build a small farm on that vacant plot of land at the back of your house! You can plant your own vegetables, fruits, and herbs. You can also build a chicken coop and raise your own chickens for eggs and meat. Some simple bit of planning can help you raise your own food and you would probably rarely have to buy vegetables, fruits and eggs from the supermarket again. How? Read this book and find out how you can start your own mini farm right in your backyard. You will learn how to make your own raised bed

and your compost. You will learn how to fertilize and irrigate your crops. Find out about how to control pests and diseases in your small backyard farm. Also, learn about raising your own chickens and enjoying freshly laid eggs as well as meat right from your home! So, let's get started!

Raising Your Own Chickens

Ultimate Guide For Beginners To Taking Care Of Your Flock: How Do You Raise Chickens In Your Backyard

Chickens are all the rage these days, and while I'm usually not big fan of "trends," I happen to think this is a good one! There is a lot of chicken raising information out there

and it can definitely be overwhelming at first. While I don't claim to be the final authority of all things chicken, I've kept a flock for several years now and want to share my seven best chicken tips for simplifying your chicken keeping. What you will find in this publication: - Information on some of the best chickens to keep for a bumper egg harvest. -How to build a coop that is vermin free, and all about vermin and predator control. -How to spot signs of ill health in your chickens and how to keep them healthy and productive. -How to keep chickens over the winter so you they will still lay eggs - no matter how harsh the conditions. -General feeding and care of your poultry.

The Joy of Keeping Farm Animals

Raising Chickens, Goats, Pigs, Sheep, and Cows *Simon and Schuster*

A second edition of the beloved guide to farm animals. When the going gets tough, the tough . . . start raising their own food. In the first full-color guide of its kind, author and small farm owner Laura Childs reveals exactly what it takes to start raising your own animals, including chickens, geese, goats, sheep, pigs, and cows. Childs discusses what you can expect to harvest from your animals—from eggs to milk to meat to wool—based on her own real-life experiences. Whether you want to raise a few chickens for eggs

alone, try your hand at a few goats with the intention of making your own cheese, or sustain your family and make some extra money from raising cows and selling beef, this is the book for you. Childs explains how to get started and everything you need to know about successfully raising each animal, including:

- Comparison of breeds
- Designing your farm strategy
- Preparing a home for your livestock
- What to feed your animals
- Animal health
- Breeding
- Milking, laying eggs, and butchering

This invaluable guide is the perfect first book for anyone interested in starting a backyard barnyard or a small farm—or simply dreaming about the

idea.

How to Raise Your Adult Children

Real-Life Advice for When Your Kids Don't Want to Grow Up *Penguin*

In this irreverent guide, a bestselling comedy writer and noted psychotherapist teach parents how to handle their grown kids. There are many books out there to teach you how to handle your children after they graduate from diapers, but none tells you how to proceed once they graduate from high school. As new patterns emerge in the lives of young adults, parents find that their grown children have bigger problems than they did just a few years ago. How to Raise Your Adult

Children is a manual for anxious moms and dads. Whether confronting the question of setting a curfew for a college kid at home, or paying for a forty-year-old daughter's wedding, two "been there, done that" moms give advice with an edge on a variety of emotionally and financially perilous situations, including: • Your kid needs money—your money • Your kid moves back home and stays home • You know your child should not marry their significant other • Your big children keep dumping their little children on you Combining the wit of Emmy Award-winning writer Gail Parent and the insight of psychotherapist Susan Ende, this book answers questions

most parents never imagined they would have to ask.

How to Raise an Adult

Break Free of the Overparenting Trap and Prepare Your Kid for Success

Henry Holt and Company

New York Times Bestseller "Julie Lythcott-Haims is a national treasure. . . . A must-read for every parent who senses that there is a healthier and saner way to raise our children." -Madeline Levine, author of the New York Times bestsellers *The Price of Privilege* and *Teach Your Children Well* "For parents who want to foster hearty self-reliance instead of hollow self-esteem, *How to Raise an Adult*

is the right book at the right time." -Daniel H. Pink, author of the New York Times bestsellers *Drive* and *A Whole New Mind* A provocative manifesto that exposes the harms of helicopter parenting and sets forth an alternate philosophy for raising preteens and teens to self-sufficient young adulthood In *How to Raise an Adult*, Julie Lythcott-Haims draws on research, on conversations with admissions officers, educators, and employers, and on her own insights as a mother and as a student dean to highlight the ways in which overparenting harms children, their stressed-out parents, and society at large. While empathizing with the parental hopes and, especially, fears

that lead to overhelping, Lythcott-Haims offers practical alternative strategies that underline the importance of allowing children to make their own mistakes and develop the resilience, resourcefulness, and inner determination necessary for success. Relevant to parents of toddlers as well as of twentysomethings-and of special value to parents of teens-this book is a rallying cry for those who wish to ensure that the next generation can take charge of their own lives with competence and confidence.

flock started the right way Raise happy and healthy chickens for your family And much, much more!

Raising Chickens in Your Own Backyard

A Beginner's Guide

J.D. Rockefeller

Do you love eggs and chickens? If yes, then you got to have your own flock of chickens in your backyard. Raising chickens in the city, is that even possible? Yes, it is possible. Chickens are the new favorite pets of many people. Some places don't allow you to keep chickens at homes, but the list of places who are relaxing their laws and ordinances is growing day by day. So, if you are a city dweller and would like to get your hands on some fresh

eggs, keep a flock of your own hens. But why this interest in raising chickens? The reasons are simple. They are quite inexpensive to keep. It costs about \$1-\$10 to raise one hen. You will spend around \$500 on an average on a coop. This is a one-time expenditure. Feeding them will cost around \$5 per month. Keep around \$10 per month unexpected expenses on raising 3 hens and that's it! You get to eat your own fresh eggs. You also know what the hens producing the eggs have been eating. So, compared to your factory farmed poultry and eggs you have a safer and healthier alternative. These eggs are also more nutritious and taste better than the eggs of battery hens. They

contain a much higher content of vitamins A and E, beta-carotene, and folate. At the same time, the cholesterol and saturated fat found in the eggs of free-range hens is much lower than those of battery hens. Besides this, chickens are excellent pets for children. Their manure can be used for composting since it is high in nitrogen, potassium, and phosphorus. They will also eat up all the weeds, slugs and seeds leftover after you have harvested your vegetable garden along with various pests. In short, chickens are a wonderful pet, and even your small kid can take good care of them with a little bit of guidance from you. But the problem is where

and how to start? Not to worry. Read this guide and you will know how and where to begin. You will learn everything from buying your coop and chickens to cleaning and storing your eggs in this guide. So, let's get started with your own flock of chickens!

Raise Capital on Your Own Terms

How to Fund Your Business Without Selling Your Soul

Berrett-Koehler Publishers

Too many entrepreneurs, particularly mission-driven ones, try to avoid raising capital, assuming that they can't offer the kind of returns they think investors demand. Or they're worried that investors will end up

taking control of the business. But an under-financed business is a nightmare for the entrepreneur and a major reason new businesses fail. Jenny Kassen shows how anyone can build capital without relying on traditional methods. Based on her 10+ years working with small businesses, Kassen says the landscape of investment capital is far larger and more diverse than many would have you believe. Venture capitalists looking for a 10x return on their investment are a tiny minority, and many investors are just as mission-driven as entrepreneurs. Kassen takes readers through a six-step process to create a customized capital-raising plan,

one that inspires them, excites them, and is in complete agreement with their business, their values, and their lives. This book will help as many people as possible turn their big, bold world-changing visions into reality.

Raise Your Voice

Why We Stay Silent and How to Speak Up *InterVarsity Press*

It can be hard to speak up when power dynamics keep us silent and marginalized, especially when race, ethnicity, and gender are factors. Activist Kathy Khang roots our voice and identity in the image of God, showing how we can raise our voices for the sake of God's justice. We are created to speak, and we can both speak up for

ourselves and speak out on behalf of others.

How to Raise Your Self-Esteem

The Proven Action-Oriented Approach to Greater Self-Respect and Self-Confidence *Bantam*

Of all the judgments you make in life, none is as important as the one you make about yourself. The difference between low self-esteem and high self-esteem is the difference between passivity and action, between failure and success. Now, one of America's foremost psychologists and a pioneer in self-esteem development offers a step-by-step guide to strengthening your sense of self-worth. Here are simple, straightforward and

effective techniques that will dramatically improve the way you think and feel about yourself. You'll learn: How to break free of negative self-concepts and self-defeating behavior. How to dissolve internal barriers to success in work and love. How to overcome anxiety, depression, guilt and anger. How to conquer the fear of intimacy and success. How to find -- and keep -- the courage to love yourself. And much more.

How to Raise Successful People

Simple Lessons for Radical Results

Houghton Mifflin

The Godmother of Silicon Valley, legendary teacher, and mother of a Super

Family shares her tried-and-tested methods for raising happy, healthy, successful children using Trust, Respect, Independence, Collaboration, and Kindness: TRICK. Esther Wojcicki--"Woj" to her many friends and admirers--is famous for three things: teaching a high school class that has changed the lives of thousands of kids, inspiring Silicon Valley legends like Steve Jobs, and raising three daughters who have each become famously successful. What do these three accomplishments have in common? They're the result of TRICK, Woj's secret to raising successful people: Trust, Respect, Independence, Collaboration, and

Kindness. Simple lessons, but the results are radical. Wojcicki's methods are the opposite of helicopter parenting. As we face an epidemic of parental anxiety, Woj is here to say: relax. Talk to infants as if they are adults. Allow teenagers to pick projects that relate to the real world and their own passions, and let them figure out how to complete them. Above all, let your child lead. How to Raise Successful People offers essential lessons for raising, educating, and managing people to their highest potential. Change your parenting, change the world.

**Backyard Farming:
Raising Cattle for
Dairy and Beef**
Hatherleigh Press
